

# Geneva Park District Green Living Programs

The Geneva Park District is proud to offer a new set of programs, the Green Living Series. These programs are designed to inspire residents to learn about and care for the environment. There will be programs offered on sustainable and local food energy and water, transportation and home and garden. Learn more about nature and the environment as you take steps to develop a more sustainable lifestyle.

## Green Your Routine Today!

Pre-registration is required for all programs. Registration for most programs begins May 4 for Geneva Park District Residents.
