

# *Don't miss this exciting opportunity to be a part of the* **Hawks Hollow Nature Playground** *at Peck Farm Park*

## *Foster a Legacy of Environmental Education*

Environmental enthusiasts and fans of the new Hawks Hollow Nature Playground are invited to purchase a commemorative brick paver to be seen by all visitors enjoying the site. Hawks Hollow, the newest addition to Peck

Farm Park, welcomes children and families to engage with nature through hands-on activities and play.

Visitors learn about native bird species and the environment at eight interactive learning stations featuring sand, water, wood, plants and other natural elements throughout the park.

Create a lasting memory or honor a special friend with a personalized message to be seen each time you return to Hawks Hollow. Best of all, it's a wonderful way to support the Geneva Park District Foundation and Peck Farm's mission to cultivate environmental education.

Donations will be utilized to offset annual maintenance costs, allowing children to experience the wonder of Hawks Hollow for years to come.

Please note: The Park District works hard to ensure the pavers are protected and Hawks Hollow remains beautifully maintained. Because pavers are made of natural and man-made materials, the colors can vary slightly from brick to brick and a fading of color is expected during the first few years. Bricks are installed in the order they are received. Requests for placement in specific locations or sections are not allowed. Prices and availability are subject to change. Project done in cooperation with the Geneva Park District.
