STAFF REPORTS

MANAGER OF PECK FARM PARK

Manager of Peck Farm Park Burns reviewed her report. The volunteer recognition dinner last week was well attended & went very well. The Kane County Naturalist Program continues to be very popular and there are a total of about 50 people signed up for the classes being offered.

SUPERINTENDENT OF PARKS AND PROPERTIES

Supt. of Parks Gabriel reviewed his report. Staff members are finishing up final details on the Bob Cox Field. There will be some turf restoration work next spring, along with placement of fresh limestone screenings on the warning track. Staff members are currently working on winter projects such as picnic table repair, sign refinishing and refuse barrel maintenance. Ice rink construction has started and depending on the weather may be finished up once cooler temperatures arrive. Mr. Gabriel read his letter of intent to retire and resign from his position June 2018 to the board.

SUPERINTENDENT OF RECREATION

Supt. of Recreation Vickers reviewed her report. Winter registration was held on December 5. Ms. Vickers noted that the Polar Express Story Train event was held on December 2 & 3 and that holding the lunch portion at Aurelio's pizza was once again hugely successful this year. Staff did a wonderful job. SRFC and SPRC membership and revenue were reviewed.

NEW BUSINESS

2017 SUNSET POOL & MILL CREEK POOL SURVEYS

Supt. Vickers reviewed the surveys for both pools. The overall top box score for the entire survey at Sunset Pool was 93.4% and for Mill Creek Pool it was 87.6%. As typical with all surveys, staff evaluates the results and makes adjustments where necessary to elevate the facilities. We are excited to report that our scores in overall cleanliness of locker rooms increased by over 9%. Cleanliness of the pools will continue to be one of the main focuses for the upcoming season.

2017 SUNSET POOL & MILL CREEK POOL ANNUAL REPORTS

Recreation/Aquatic Supervisor Sarah Sielisch was present to review the report. Ms. Sielisch reviewed the 2017 Annual Pool Report based on the operating year being March 1, 2017 through February 28, 2018. The 2017 pool season ran from May 28, 2017 to September 5, 2017. This allowed 101 days of operation with eight

partial days that required closures due to weather. Ms. Sielisch also reviewed the season pass fees and daily fees and stated that staff is recommending a change on pricing for the upcoming season, which is detailed in the report. The revenue and expenses were reviewed. Ms. Sielisch reviewed the recommendations for the 2018 season. The board commended Ms. Sielisch for her hard work & dedication this past season. Commissioner Moffat made a motion to approve the Geneva Park District 2017 Sunset Pool & Mill Creek Pool Annual Reports with the recommendations for the 2018 season as presented. Commissioner Lenski seconded. All ayes. Motion carried.

TEMPORARY ADJOURNMENT TO PUBLIC HEARING

Commissioner Lenski made a motion to temporarily adjourn from the regular meeting at 7:04 p.m. Commissioner Moffat seconded. All ayes. Motion carried.

The Board came back into the Regular Meeting at 7:09 p.m. President VanderVeen called for the roll. Commissioner Condon, Commissioner Lenski, Commissioner Moffat and President Vander Veen all answered present. Vice President Frankenthal was absent.

2018 BOARD MEETING SCHEDULE

The regular scheduled board meetings will be held on the third Monday of the month at 7:00 p.m. except for the December board meeting, which will be held at 6:00 p.m. on the second Monday. The 2018 board meeting schedule needs to be approved and will be sent to local media as required by law. Commissioner Moffat made a motion to approve the 2018 Board Meeting Schedule as presented. Commissioner Lenski seconded. All ayes. Motion carried.

DRYDEN TENNIS COURT RENOVATION BID RESULTS

The tennis courts at Dryden Park are slated for resurfacing spring of 2018. Commissioner Moffat made a motion to approve MTJ Sports with the low bid amount of \$47,962.00 for the Dryden Park tennis court resurfacing project. Commissioner Lenski seconded. All ayes. Motion carried.

PRAIRIE RESTORATION CONTRACT

Staff reviewed the maintenance plan to restore compromised areas of the prairie where invasives have undermined the quality of prairie plants and natural habitat, as well as, our accelerated burn plan. While staff have removed some invasives and done some extensive tree removal, we are now in need of additional resources. Commissioner Lenski made a motion to approve the V3 contract in the amount of \$11,100.00 for prairie restoration. Commissioner Moffat seconded. All ayes. Motion carried.

ORDINANCE ADOPTING A POLICY PROHIBITING SEXUAL HARASSMENT #2017-11

On November 16, 2017 the State of Illinois passed PA 100-0554. This law amends several statutes including the State Officials and Employee Ethics Act and the Illinois Human Rights Act. One of these amendments specifically applies to any "governmental entity" requiring adoption of an ordinance that establishes a policy to prohibit sexual harassment. Commissioner Moffat made a motion to approve the ordinance adopting a policy prohibiting sexual harassment. Commissioner Condon seconded. Roll call vote was taken. Condon-aye, Frankenthal-absent, Lenski-aye, Moffat-aye, VanderVeen-aye. Four ayes, one absent. Motion carried.

SUBJECT MATTER DISCUSSED:

Executive Director Lambillotte went over the purpose of the committee meeting which was to discuss the short and long range plans of the Park District. Each year the Geneva Park District updates and revises the Short and Long Range Plan Annual Goals and Objectives of the District. These plans are reviewed by the Long Range Planning Committee and presented to the full Board for approval. Once approved by the Board, the plan is posted to the District's website. Input and direction for this process comes from program surveys, comment forms, Park District staff, the Board of Commissioners, the Master Plan, and the most recent Community Survey results. She provided a listing of items that were completed and removed on the Long Range Planning Committee memo.

Mr. Gabriel highlighted several completed projects done by the Parks Department. These include the Monarch/Bee gardens installed at several of our East side parks, the replacement of the Good Templar Bridge along the Fox River Trail, continuation and expansion of greenhouse programming, the restoration of the Sunset/Bob Cox ballfield and the installation of White Oaks into several of our parks for the "Oak-tober" planting program.

Ms. Burns highlighted several completed projects at Peck Farm Park. These include the parking lot expansion & improvements, STEM programming has expanded thanks to the donation of equipment from the Foundation and a few of the shutters for the Peck House were restored. Many structural updates will need to be made at the facility due to the age of the buildings over the next few years. Commissioner Condon asked about the replacement of the Peck House windows and the process of restoring those was discussed with staff.

Ms. Vickers highlighted several completed projects done in the Recreation Department. These include the construction of the new sprayground at Mill Creek Pool, the redesign of our website last spring, our new fitness website and the new marking campaign for our fitness centers. We are now a year into the conversion of the RecTrac software. Staff continues to learn new things and customize it for our specific usage. Our preschool is going very well after having separating from the school district last fall. On the horizon is the next PDRMA Risk Management Review, as well as researching the feasibility of constructing a new Mini Golf hut, installing a new sprayground at Sunset Pool and also replacing the HVAC and roof system here at Sunset Community Center. Some smaller projects we are looking at doing are expanding our preschool offerings with more full-day options, the improvement of our on-boarding and off-boarding

program for staff, as well as, looking at the energy efficiency audit done to work on lowering our utility bills.

Ms. Powell highlighted several administrative items that have changed over the past year. The IL Travel Expense Act Ordinance was passed and we are now approving travel expenses for board members at board meetings and ensuring staff expenses stay in compliance with the new law. We successfully implemented a lot of the seasonal equipment this past year for RecTrac. The phone system at the Peck Farm Maintenance building was integrated with the phone system here along with all of our other facilities. Moving forward we are looking to implement a multi-year (two) operating budget to give us a better idea of future budgetary needs.

Ms. Lambillotte updated the committee on several projects that have been heavily focused on this past year. These include the work done in our natural areas to remove any invasive species, specifically Peck Farm North and South. There is quite a bit of work left to do in this area. Our goal of revamping our fitness centers and pool is coming along very well. The implementation of our new registration software has greatly improved the way our accounts payable & receivable function, as well as seeing a noticeable improvement in the Recreation Department.

Ms. Lambillotte briefly mentioned several items that were completed and removed from the Long/Short Range Plan. Commissioner Condon asked about the natural areas plan moving forward. Ms. Lambillotte & Mr. Gabriel both explained more specific details on the areas that we will be focused on and what will be done in those areas to eradicate any invasives. We plan on being very aggressive to gain control through burning, plantings and removals. Ms. Lambillotte also mentioned that in our plan to finish the Peck Farm Park North bike trail we are looking to capture as much grant funding as possible for these projects. Details for the timeline of the process of grant application, were discussed.

Ms. Lambillotte discussed projects that were identified as detailed in the Capital Improvement Plan (CIP). Those projects include: completing the PDRMA Review, building new restrooms at PFP, finishing up the sprayground at Mill Creek Pool, installing a sprayground at Sunset Pool, developing the Bennett North property, rebuilding the Mini Golf hut, replacement of the roof and HVAC at Sunset Community Center, expansion of our preschool, on-boarding and off-boarding for employees, installation of hand dryers to replace paper towels at all of our facilities and continuing to institute processes for energy savings.

Ms. Lambillotte reviewed the 2017 Master Plan Details. This document mirrors much of what is in the Long and Short Range Plan. It provides CIP project descriptions, highlights fixed cost items, the vehicle replacement schedule, five year technology budget, and park playground replacement schedule.

Ms. Lambillotte highlighted several items on the construction fund summary (CIP). Under revenues, we have been very conservative in our estimates for investment income, as we anticipate it being higher than what we have reflected. Also, the land/cash revenue is expected to increase between years 2020-2023. Lastly, the fund balance shows a significant increase after the next budget year due to paying off some debt, including the Series 2010 Revenue Bonds that will free up more money in the operating budget to devote to the audit transfer. Revenue sources, as well as unfunded projects were also discussed.

Mr. Gabriel stated that staff are constantly reassessing the vehicles and equipment to keep the numbers as consistent as possible each year. Working with Obenauf auctions to sell our vehicles

that have outlived their useful lives for us has proven monetarily beneficial as well. Looking at the replacement schedule we are hoping to keep the Dodge van in our fleet a bit longer. We would like to replace it with an electric vehicle once more options become available. The Ford bus is up for replacement next year and staff has discussed eliminating the lift option in the next bus purchased, as we are able to borrow a bus with a lift from FVSRA if needed.

Ms. Lambillotte reviewed the playground replacement schedule. Some properties that are on hold or that have been pushed back are Marjorie Murray Park and Fourth Street Park due to us not yet knowing what the school district's final plan is moving forward for either site. Seventh Street Park is still on tap for replacement with the construction of the new library. Residents have voiced their concerns in favor of keeping a park there and the library is in agreement with the park district to do so.

With no further discussion, Commissioner Condon made a motion to adjourn the committee meeting at 6:02 PM. President VanderVeen seconded. All ayes. Motion carried.

Geneva Park District Board Meeting

Superintendent of Finance and Personnel Report

Submitted by Christy Powell

January 15, 2018

Monthly Reports

Attached are the December Investment Report and Revenue & Expenditure Reports as well as the quarterly debt service report for your review.

Debt Service

Debt Service payments of \$2,822,746 were made in the month of December for the Districts various General Obligation and Alternative Revenue Bond issues. Of this amount, corporate bond payments totaled approximately \$2M and bond and interest fund payments totaled approximately \$818k.

2017 Loss Control Award

The District once again received a \$1500 award check from PDRMA for achieving accreditation in the Loss Control Review Process. These funds will be placed in the Liability Fund to offset liability costs.

Re: Safety Report

A Look Back:

The following is an overview of safety related highlights during the timeframe of September through December:

- 29 accident reports were filed for patrons
- 2 accident reports were filed for employees
- 18 certificates of insurance were collected and filed

Safety Highlights:

- Aquatic staff closed the season safely, scoring an overall 5-star on the three audits
- Additional safety precautions were implemented for the Harvest Hustle since the weather was unseasonably hot; no accidents/incidents reported
- Several staff members attended the annual Risk Management Institute hosted by PDRMA
- Staff safely completed prescribed burns of some of our natural areas
- Reviewed accident/incident reporting procedures at the full-time staff meeting
- Purchased and implemented the use of new respirator masks
- Adopted the slogan – “If you see something, say something”

Safety Person of the Month:

September	Sheavoun Lambillotte	Freeing birds from soccer netting
October	Jason Black	Repairing Mini Golf lights
November	Sarah Sielisch	Addressing a safety concern at Zombie
December	Lori Katrakis	Identifying a fire hazard

A Look Ahead:

- Staff is, and will remain diligent during the colder months by addressing all weather related concerns such as ice/snow accumulations
- Preparation for seasonal trainings are already underway, including all aquatics staff and the addition of the new spray ground at Mill Creek Pool
- Continue to address ADA compliance standards as time and budget allows
- Continue safety related trainings throughout all departments
- Harassment training at the full-time staff meeting in February
- Successfully complete the PDRMA Loss Control Review

The Loss Control Review is a detailed review of park district safety operations which is performed every four years. The review consists of a series of forms, based on core risk-management and safety best practices, which assess key areas (including: administration, aquatics, park maintenance, recreation, operation risk, loss experience and prevention)

Re: Elm Park and Frank Burgess Park Renovations

I have reviewed the bid tabulations pertaining to the renovations of Frank K. Burgess Park and Elm Park. I have noted that the low bidder, Innovation Landscaping, does not meet the bid requirement of 5 years' experience, and there is also a negative reference with the company as well. The next lowest bidder is Hacienda Landscaping. We have worked with Hacienda successfully in the past on several projects, most recently Don Forni Park, Shannon Park, and Linden Park.

The base bid for the renovations at Elm Park from Hacienda Landscape was \$68,788.00. The base bid for Frank K. Burgess Park was \$55,317.00. The grand total for both base bids is \$124,105.00. There were no alternates on either project.

I would respectfully request that the Board approve Hacienda Landscape as the contractor for the renovations at Elm Park and Frank K. Burgess Park with a grand total of \$124,105.00

RE: Burgess and Elm Park Playground Renovations

Dear Sheavoun,

After attending the bid opening on December 19, 2017, and reviewing the bids, Hacienda Landscaping is the apparent low bidder that meets the experience requirements as outlined in the project specifications. See the attached table for the bid results:

We contacted Hacienda Landscaping's references, and asked the following questions.

Communications

1. Were they easy to communicate with?
2. Did they initiate communications when problems arose?
3. Were they good problem solvers, did they want to be involved in the solution?
4. Did they follow standard procedures for RFIs, payout applications, etc?

Quality

1. Would you describe their work as detailed oriented?
2. Were there any quality/craftsmanship issues with their or their sub-contractors work?
3. Was any work removed and re-done due to poor quality or non-passing test results?

Budget/Schedule

1. Did they initiate a lot of change orders?
2. Was their pricing for Owner requested change orders reasonable?
3. Did they meet the project deadline? If no, why not?

Miscellaneous

1. If given the opportunity to hire or recommend them would you?

Our conclusions, after reviewing Hacienda Landscaping's bid and based on their references:

1. It appears that Hacienda Landscaping has completed many projects that feature good quality construction.
2. It appears that Hacienda Landscaping has good problem-solving skills and is good at coordinating and communicating with all the involved parties.
3. It appears that Hacienda Landscaping consistently completes their work on time.

Based on our review of the bids, we recommend accepting the Base Bid resulting in a contract amount of \$118,439.33.

We have reviewed the bid forms and found everything in order. Hacienda Landscaping has produced reasonable references, and has met the bidding and experience requirements. In addition, we have had successful projects with them in the past.

Please review the enclosed reference responses and advise us of your decision so we may prepare the AIA contract document and schedule the pre-construction meeting.

Sincerely,
Hitchcock Design Group

Re: Geneva Park District
Architectural and Engineering Planning Services for Roof and Rooftop HVAC Unit Replacement
at Sunset Recreation Center, 710 Western Ave. Geneva, IL 60134
WA BD No. 2018-304

Dear Sheavoun:

It was a pleasure to visit with you to discuss moving forward with improvements to the Sunset Recreation Center roof and rooftop HVAC unit replacement, as an outcome of the study we completed earlier this year. Williams Architects is pleased to provide this proposal for related Architectural Planning Services.

BACKGROUND / PROJECT UNDERSTANDING

In accordance with the study completed in 2017 the Geneva Park District would like to develop documents for a phased implementation for the membrane roofing and RTU replacement:

1. Roof System
The current roof is made up of various roofing membranes of varying age and condition. This was substantially a result of the multiple additions to the building over its 40-year lifespan. The building has leaked and repairs are ongoing. The District wants to provide a complete new roof system throughout the building to alleviate the leaks and provide longevity to the system. The District is interested in coordinating the roof system replacement with the RTU replacement in a phased manner over several years. (See attached plan).
2. RTU HVAC Units
The building has numerous roof top units (RTU's) that provide the buildings heating, ventilating and air conditioning (HVAC) needs. The District is currently implementing an ongoing replacement plan for the RTU's based on age and condition. The District would like to consider a replacement plan that best aligns with the replacement of the roof system. (See attached plan). System controls to be upgraded with a new building energy management system.

BUDGET

Based on the cost estimates prepared in the previously completed study the budget for this work is \$1,258,000.

SCOPE OF SERVICES

We will meet with you and your key staff to review the previously prepared plans. We will review each of the specific areas of study to ensure we have a thorough understanding of your goals. As an outcome of

these meetings, we will begin development of the areas of improvement. We will communicate with you regularly throughout the planning process to review progress and gain your input.

We will include a mechanical / electrical engineer to review the current RTU conditions and assist in defining necessary replacement and phasing.

We will provide an analysis of the following:

1. Roof System
Based on the previous completed study and our recent discussions, we will prepare documents for a 2 phased implementation of the roof replacement.
2. RTU Replacement
Based on the previously completed study we will prepare documents for a phased implementation of the RTU replacement in coordination with the roof replacement plans.
3. Exclusions
Metal Roofs and the racquetball area are excluded from this project.

We will meet with you and your senior staff to review our progress and receive your input. We will make adjustments based on these meetings and finalize our documents accordingly.

We will make ourselves available to attend a Board meeting to update them on our progress and receive Board input and approval.

1. DESIGN PHASE

During this phase of the Project, we shall review the prepared program data and conceptual design and incorporate these findings into design criteria. We shall provide a meeting between Architect and City Building and Zoning Departments to review proposed designs and the review of a code analysis, as provided by our Team, for comments by the Geneva Park District. Our Team will follow through on decisions and determinations made by the City Zoning and Building Departments. We will conduct meetings to review system requirements, options, cost, lead time, etc. Prepare preliminary schedules, phasing plans, code and zoning analysis, construction and FF&E budgets.

Our Team will prepare plans, and other drawings to fully explain the design intent. Work during this phase would include further refinement of the cost estimate, and involvement of our full team of engineers and designers to review and determine the best roofing, mechanical, electrical, and other systems involved in the project. This phase will culminate in further refinement of the previously prepared documents / deliverables, along with a presentation to Geneva Park District staff and the Board for review and acceptance.

2. CONSTRUCTION DOCUMENTS PHASE

During this phase, we would work with our engineers to provide detailed drawings of every aspect of this project, including a project manual that has the bid forms, contracts, and the specifications for all aspects of the work. These documents will then be used for review and issuing of a building permit, as well as bidding by contractors. We also utilize and develop our drawings with an in-house computer aided design 3D in the BIM (Building Information Management) system. Our system allows us to provide you with highly accurate and consistent construction documents. We will also utilize numerous other computer systems to assist in the delivery of high quality technical / professional services. These systems include computerized rendering, specifications systems, keynoting, estimating, project reporting, and project accounting.

3. BIDDING AND NEGOTIATIONS PHASE (PHASE ONE IMPLEMENTATION ONLY)

During this phase, we would issue the documents to interested bidders, hold a pre-bid conference with all interested contractors, answer questions and issue addenda as necessary, attend the bid opening and tabulate the bid results, review the lowest bidders to determine which contractor or contractors are the lowest qualified bidders, and provide a recommendation to the Geneva Park District as to which contractor or contractors are the lowest qualified bidders for this Project. Once the Park District has accepted a contractor's bid, we would assist the Park District and their legal counsel in preparation of the contracts for signature by both the Park District and contractor.

**4. CONSTRUCTION ADMINISTRATION PHASE/WARRANTY PHASE
(PHASE ONE IMPLEMENTATION ONLY)**

During this phase, we regularly visit the site and meet with the Owner and contractor to review all aspects of the Project, assisting the client in understanding the schedule and progress of the work, as well as issuing field reports for each of our visits, informing the client and contractor as to work that is acceptable and unacceptable. We also review the payout requests as submitted by the contractor and recommend payment to the Owner. We review, comment on and approve shop drawings as submitted by the contractor for the various systems and components. We provide information and clarification, and issue change orders throughout the construction phase to administer the contract. At the conclusion of the construction phase, we again visit the site to walk through the facility and provide a full and complete punch list of all the outstanding items that need to be completed and/or corrected, and assist the Owner in reviewing and accepting all of the as-built, warranty, and maintenance manuals provided by the contractor. Finally, as part of our Basic Services, we include a walk-through with the Owner 11 months after substantial completion to determine any outstanding warranty items so that the contractor can be notified prior to the expiration of the warranty.

We will continually strive to maintain open and ongoing communication with all members of the Project Team throughout the Project so that issues can be discussed and solved in a logical manner, thus avoiding problems and potential delays. This enables us to complete superior projects on time and within budget, in an environment marked by an excellent working relationship between the client and the architect.

FEES

We will provide the above defined services for a lump sum fee of **Fifty-TwoThousand Five Hundred Dollars (\$52,500)**.

This fee is based on all of the Phase One improvements being completed at the same time as part of a single bid package. Additional phases and related fees will be determined at the time those phases are implemented.

Hourly Rates

Any Additional Services requested in writing by the District for work not included, shall be provided on an hourly basis at the rates listed below. The engineer's rates are similar to ours and can be provided upon request. These rates shall be revised at the beginning of June each year. The following rates shall hold thru 31 May 2018.

REIMBURSABLE EXPENSES

In addition to our professional services listed above, we shall also invoice the District for our reimbursable expenses times a 1.15 multiplier. Reimbursable expenses include project related expenses such as vehicle mileage, printing & photocopying, photography, renderings, telephone & fax, electronic documentation transfer, postage / messenger / FedEx, project related supplies, etc.

INVOICING

We shall invoice on a monthly basis for work performed in the previous month. Payment is due within 30 days of receipt of invoice.

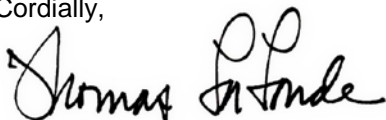

PROPOSAL QUALIFICATIONS

1. The Park District shall provide all necessary existing conditions documents including existing building and site drawings, documentation of existing HVAC and roofing systems, and other required documents for this study.
2. Roof cores or infrared scan are not included as part of this proposal.
3. Phase 2 CA services are not included at this time.

CONCLUSION

Thank you again for this wonderful opportunity to be of service to the Geneva Park District. We have truly enjoyed our relationship over the years and look forward to our continued association. If you have any questions or comments, please call.

Cordially,

Thomas G. LaLonde, AIA, LEED AP

**DIRECTOR'S
MONTHLY AGENDA AND REPORT
January 15, 2018**

SAFETY REPORT REVIEW BY NICOLE VICKERS

The board has requested that staff prepare reports for additional areas of park district operations not covered at our regularly scheduled board meetings in an effort to gain a better understanding of those operations. Staff will be available to answer any questions the board may have.

FRANK BURGESS PARK & ELM PARK PLAYGROUND REPLACEMENTS BID RESULTS

Enclosed in your packet are the final bid tabulations and recommendation memos for the playground replacements at Elm and Burgess parks. The apparent low bidder was Innovation Landscape Inc. but they do not have the experience requirements we specified and not all references were positive. Therefore, we are recommending the next lowest bid from Hacienda Landscaping who meet the bid specifications and have done good work for us in the past. Staff therefore recommends a motion to approve Hacienda Landscaping in the amount of \$124,105 for both parks.

CONSULTING SERVICES FOR ROOF & ROOFTOP HVAC FOR SUNSET

Enclosed in your packet is the contract for architectural and engineering services for the upcoming roof and HVAC replacements at Sunset Community Center from Williams Architects. We plan to start on phase one of the building which are the oldest areas of roof and oldest rooftop units this fall. Staff will be available to answer questions and would recommend a motion to approve the contract with Williams Architects in the amount of \$52,500.

COMMUNICATIONS

Staff and Committee met on January 10th to go over the Short/Long Range Plan. John Frankenthal was unable to attend so Susan Vanderveen attended in his place. Documents and minutes from the meeting are included in your packet.

Staff will be attending the Illinois Park and Recreation Association Conference January 18-20 in Chicago.

Final engineering and bid documents are being prepared for the Sunset Pool sprayground to replace the existing sand play area at the pool.

We may be making some headway in regard to the prefab restroom construction in that the State of Illinois and the manufacturer, CXT, have come to a tentative agreement to allow CXT to hire a licensed Illinois plumber to do the work at their plant. We are awaiting a letter from them that reflects their communication with the State of Illinois.

Staff attended the meeting of the Plan Commission on January 11th where they reviewed the updated Land/Cash Ordinance that the board had previously reviewed. It moves now to the Committee of the Whole.

A meeting was held between the City of Geneva, the Geneva Park District and the Geneva Library District to discuss future plans for the park site at 6th and Franklin.

The IAPD annual meeting will be held at the IPRA Conference Saturday, January 20 at 3:30 p.m. Jay Moffat is the assigned delegate for this meeting and Sheavoun Lambillotte is the alternate.

You will soon be receiving your Statements of Economic Interests by email. As in past years, you must complete the statement online by May 1, 2018. If your statement is not filed by the May 1 deadline you will be assessed a late fee penalty.

Enclosed in your packet is the board calendar including important meetings, event and continuing education dates.

FUTURE MEETINGS

Geneva Park District Foundation Meeting	January 23, 2018	7:00 P.M.
Regular Scheduled Meeting	February 19, 2018	7:00 P.M.
Personnel & Policy Committee (Jay Moffat & John Frankenthal)	March 12, 2018	TBD
Finance Committee – Budget Meeting (Peggy Condon & Susan VanderVeen)	April 9-11, 2018	TBD

2017 STONE CREEK MINIATURE GOLF/DISC GOLF ANNUAL REPORT

Enclosed is this year’s report prepared by Athletics/Facility Supervisor Keith Schmerer. Please review the report as presented. Mr. Schmerer will answer any questions you have. Staff would request a motion to approve the report as presented.

2018 SHORT & LONG RANGE PLAN ANNUAL GOALS & OBJECTIVES AND 2018 MASTER PLAN UPDATE DETAILS

Enclosed are the updated plans reviewed and approved by the Long Range Plan Committee (John Frankenthal & Peggy Condon). The meeting was attended by Susan Vanderveen in place of Mr. Frankenthal. The minutes of the meeting are also included for your review and approval. Each year the staff presents this update to the board as a part of the overall Master Plan of the Park District. If you are in agreement with the committee’s recommendations, please approve the updated goals and objectives and plan details as presented. I will review the documents and answer your questions at the meeting. The goals and objectives are placed on the Park District website after board approval.

2018 BUDGET AND PERSONNEL EVALUATION CALENDAR

Enclosed are the proposed calendars for committee meetings to discuss the personnel reviews and budget recommendations for 2018.

PECK FARM NORTH DEVELOPMENT

Staff have retained Michele Kelly from Upland Design Ltd to finalize the plans for the development of Peck North and prepare a cost estimate. Information is enclosed. We hope to realize grant funding for this project as well. Laura Ross-Stuart will be at our meeting along with Michele Kelly to review those plans in detail with our board. If the board approves, we will then schedule a public meeting with residents to get their feedback on the proposed plan. The plan is part of the original master plan for Peck Farm Park developed with extensive community input in 2002.

GENEVA PARK DISTRICT

PARKS AND PROPERTIES BOARD REPORT

Larry Gabriel, Superintendent of Parks

January 15, 2018

- This will be the third January in a row whereby I am able to begin my report with staff members in the spotlight:

Ken Kerfoot and Mandy Morgan will both be recipients of MIPE Continuing Education Scholarships. These scholarships will be applied to their GLTPI training at Pokagon in February of this year.

Ken Kerfoot was also awarded the Eppley Institute Scholarship for continuing education. This scholarship is provided by the agency that sponsors GLTPI and is applied to the training as well.

I was sworn in as President of MIPE on January 11. I will be serving a one year term as President. This is the result of an evaluation goal, or should I say challenge, put forth by Director Lambillotte nearly six years ago for me to become more engaged in the field and increase my networking with other agencies. I think that this provides quantification of the achievement of that goal.

- The skating rinks at Wheeler Park got off to a good start thanks to below zero temperatures and tremendous resiliency on the part of staff members to be out on the rinks nearly nightly. Mill Creek continues to be a work in progress. We are finding that the topography of the parking lot area is much more challenging to retain water. We are not dismissing this location, but we are looking for alternative locations both on the Mill Creek Pool site as well as other potential areas for rink development.
- We have over 20 park site signs that have been brought in for refinishing; a daunting task to be sure. However, it is with great pride that I commend the PFP staff for re-thinking the project and concluding that rather than using a belt sander to remove the varnish, a table planer does the job much more efficiently and reduces the time spent on removal almost exponentially. I applaud this “out of the box” thinking and I also want to highlight the enthusiasm that Mandy has brought to this facility. Mandy was generous enough to let us use her personal planer, and I will be including the purchase of one in next years’ Capital Equipment account.
- Picnic table repair and refuse barrel maintenance is ongoing and nearly complete. Warmer temperatures may present the opportunity for staff members to venture out for tree trimming and invasive removals.

- I have completed the task of ordering the playground equipment for next year's renovation projects. We were able to save monies by ordering before the end of the year.
- Staff has completed the tree inventory of the new Bennett North site. ERA is now charged with a site survey that will include topography.
- We are forging ahead with the challenge of getting water to Garden Club Park. Staff met with COG Water Department representatives and also G. Snow and Sons, a private contractor. It was determined that the project is feasible, but we will not be doing directional boring under the parking lot. A hydrant or spigot type outlet will be located closer to the sidewalk and users will be able to attach a garden hose. The unit will also be able to be locked. This project will be on the agenda when weather breaks.
- We have acquired a drinking fountain to be installed at the northwest corner of the new PFP parking lot near the Dero bike station. Staff is getting quotes for running of the water line. The Foundation will likely help to support this project.
- Parks staff is in possession of the Winter Maintenance list generated by the Recreation Department, and we will be working on these items over the next several weeks.
- Initial garden designs have been completed by Rich Kator, and greenhouse work will commence very soon.
- I will be working with Mandy on identifying locations for the installation of pollinator gardens west of Randall Road.
- I will be working along with staff on evaluations and budget.
- Ken Kerfoot and I will be attending the IPRA conference January 18 – 20.
- Please find a memo in your packet regarding a contractor recommendation for the Elm and Frank K. Burgess park renovations.

UPDATE:

I. WINTER PROGRAMS

Winter programs began the week of January 8th. Spring brochure development is well underway, and will go to print at the beginning of February.

II. PROGRAM HIGHLIGHTS

- a) The Super Shuffle 5K trail race is scheduled for February 4th. Registration numbers continue to grow; and staff is in the midst of finalizing all plans.
- b) Just Dad 'n Me Dance is scheduled for Sunday, February 18th at Geneva High School. Staff anticipates this ever-popular event to once again draw in 500 couples.
- c) Our staff will be attending educational sessions at the IPRA Conference on January 18th – 20th.
- d) The children's production of 'The Secret Garden' is currently in rehearsals with performances slated for February 23-25. The adult production of 'Barefoot in the Park' will take stage March 1-4.

III. FITNESS CENTERS

The first campaign of the year has begun which includes a free 30-minute personal training session, and a free first month. Staff has remained busy as we have seen the foot traffic throughout both fitness centers increasing.

Efforts in terms of marketing continue to expand. Staff continues to utilize social media, print advertisements, radio commercials, and increased signage.

Peck Farm Park Report

by

Trish Burns

Manager, Peck Farm Park Interpretive Center

January 15, 2018

Natural Areas / Site Management

1. Natural Areas – Staff recently completed a review of the Natural Areas Plan, making updates as necessary. The Burn Plan will also need to be updated due to the staffing change. New maps will be added to the Burn Plan that will use the GIS program and be more accurate as a result.

Interpretation / Programs

1. KCCN Program: The Kane County Naturalist Program will begin on January 16 with a class of 50. We will be offering more Learn from the Experts programs because of the larger class in the next fiscal year.

Non-Resident

Adult \$6

Youth/Senior \$6

Group

Resident \$4

Non-Resident \$5

IV. ATTENDANCE

The total attendance for the 2017 season was 24,205 (refer to table 5 and chart 1). This number includes: daily admissions, groups, birthday parties, bulk cards, Groupon redemptions, free games, special events and programs. This is an increase of 4,911 from 2016.

Table 1

MONTHLY ATTENDANCE (Daily Fees)

	Res	NR	Total	Difference from 2016
May	550	777	1,327	186
June	1588	2162	3,750	8
July	1949	3,077	5,026	838

September	495	818	1,313	76
TOTAL	6,124	8,850	14,974	1,582

In 2017, the daily attendance was 14,974 rounds; which is an increase of 1,582 daily rounds from 2016. Every month we saw marginal or large increases from 2016.

*This does not include any Groupon's or free rounds.

August	0	80	80	-122
September	25	0	25	3
TOTAL	449	331	780	-536

Group rounds are reserved through the Stone Creek Mini Golf Manager. A group must consist of a minimum of 10 and the fee is \$4 for resident groups and \$5 for non-resident groups. In 2016, there were 780 group rounds purchased which is a decrease of 536 from 2016. This is mainly due to Wheeler Park hosting the 2016 Geneva Middle School 8th grade party, which saw 528 kids go through Miniature Golf on May 25th, 2016. Most years the Middle School party is held at Sunset Pool, however, the pool had not yet opened for the season. In 2017, Sunset Pool resumed the hosting of the 8th Grade Party.

TOTAL	14,742	17,167	18,109	19,294	24,205	4,911

The overall annual attendance for Stone Creek Miniature Golf Course for 2016 was 24,205 an increase of 4,911 from 2016. This increase can be contributed to weather, disc golf, wheeler park playground renovations, and Groupon sales.

Chart 1

The overall annual attendance was the highest it has been over the last ten seasons.

V. REVENUE

Revenue at Stone Creek Miniature Golf Course is received through daily admissions, program fees, rentals, birthday parties, special events and concessions. Total revenue for this season was \$113,452 an increase of \$14,541 from the 2016 season. Table 6 shows the revenue comparisons for the last five years and percentage figures for the current season.

MINI GOLF RECOMMENDATIONS

1. Increase marketing and promotions for special events.
 - Increase exposure of special events through email marketing possibly incorporating a coupon to attract more participants
2. Continue to offer the Groupon deal.
3. Research the feasibility and cost of replacing the Mini Golf Hut for the 2019/20 season.
4. Mini Golf Hut upgrades if unable to replace the hut in 2019/20 season.
 - Install a dedicated circuit to the electrical panel to allow for a window air conditioning unit to operate without popping the breaker (\$400 LG Electronics Window Air Conditioner from Home Depot plus installation of new circuit to electrical panel and running of conduit)
 - Replace current gas furnace to a high efficiency operating one for both start/end of mini golf season and for the ice rink warming shelter (\$2,000-\$4,000).
5. Continue replacing overall course lighting to new high efficiency LED lights.
6. Research the feasibility of sound system replacement throughout the course.
7. Continue to promote miniature golf course and birthday parties to the public as well as market rentals to groups to promote picnics, playground and mini golf rentals.
8. Continue to offer special price days such as Grandparent Mondays and Two for Tuesdays.
9. Continue to advertise concessions and group rentals at Wheeler Park and The Links Disc Golf Course through permanent signage.
10. Continue to offer the Birthday Putters' Club.
11. Purchase the following inventory for the 2018 season: Colored Grips-\$200; Colored golf balls - \$300; Clear golf balls - \$300; additional golf clubs -\$400. Total: \$1,200
12. Continue to sell/rent discs for The Links Disc Golf.
13. Continue with a joint purchasing program with other park district golf courses in the area to assist in saving money on equipment such as clubs and golf balls.
14. Research a scorecard application for smart phones.
15. Keep the course open until Columbus Day versus our typical closing of the last weekend in September.
16. Research a new Hole 18 for possible implementation in 2019/20.

SUMMARY OF PROCESS

Each year the Geneva Park District updates and revises the Long Range Plan Annual Goals and Objectives of the district. Input and direction for this process comes from park district staff, the Board of Commissioners, the master plan, and the most recent community survey results. The park district attempts to plan for improvements to programs and facilities that will serve the majority of its residents.

The Mission Statement, Annual Goals and Objectives and the Master Plan are tools used to prepare budgets and finance plans. Each year's budget or funding availability will dictate what programs and projects we may be able to accomplish. The park district staff and board members will attempt to accomplish their goals to the best of their ability.

2018/19 *Update*

Mission Statement

The mission of the Geneva Park District is to provide recreational programs, facilities, and open space that will enhance the quality of life for residents of all age groups and abilities.

Summary of Goals

1. The Geneva Park District will provide a safe environment at all programs, properties, and facilities.
2. The Geneva Park District will attempt to construct new facilities and acquire additional open space for park sites and facilities to meet the needs of District residents.
3. The Geneva Park District will provide and maintain a quality system of existing parks, trails and facilities by updating and improving each site as per recent surveys and the Master Plan.
4. The Geneva Park District will provide creative programs and facilities to meet the needs of its residents as influenced by evaluations, surveys, the Master Plan and other research tools.
5. The Geneva Park District will continue cooperative efforts with other governmental agencies and local service organizations to build strategic alliances. Functioning as a best management organization requires strong partnerships as a way of developing value for the taxpayers.
6. The Geneva Park District will continue to meet population growth demands by hiring additional personnel as needed, by retaining competent present personnel, and by training new personnel accordingly. The District is an equal opportunity employer and provides equal employment opportunities to all qualified persons. We will assure that the workplace culture for our employees fosters professional growth and assures an overall positive working atmosphere. We will dedicate ourselves toward enhanced use of technology by making improvements to the communications network, when necessary.
7. The Geneva Park District will offer educational programs, classes, and stewardship opportunities that increase the environmental literacy of residents and will adopt environmentally friendly business practices that are fiscally responsible to conserve resources, educate the community and provide best practices in resource management and sustainability.
8. The Geneva Park District will strive to strengthen and maintain fiscal health and stability. Availability of funding and overall good financial health is a prerequisite for carrying out some of the goals and objectives of the District.

Goal #1 The Geneva Park District will provide a safe environment at all programs, properties, and facilities.

FINANCE – REVENUES

2018

The Geneva Park District has determined the need to have user fees from programs and facilities financially assist the Capital Budget and Recreation Budget. For these two budgets to progress, this philosophy should continue into the future. For example, the Recreation Budget cannot and does not exist on taxes alone. A major portion of the Recreation Budget is supported by user fees from residents as well as non-residents. The Capital Budget has been supported each year from revenues generated from programs and facilities by transferring \$100,000 to \$750,000 to this fund prior to the audit. Revenues generated contribute greatly to the present success of the Geneva Park District and its citizens.

PECK FARM PARK MASTER PLAN

Current Peck Farm Park Master Plan was approved by the park board in 2002 for Phases III and IV, Units A-F and formal gardens.

-Formal Gardens, Boundary Markers, Sun Dial, Solstice & Peck Farm Park North

Peck Farm Park Master Plan was incorporated into the Geneva Park District Master Plan in 2014.
