READING OF MINUTES

Commissioner Moffat made a motion to approve the minutes from the Regular Scheduled Meeting of February 19, 2018 and the Personnel & Policy Committee Meeting of March 8, 2018 as presented. Commissioner Condon seconded. All ayes. Motion carried.

CLAIMS AND ACCOUNTS

Commissioner Moffat made a motion to approve the claims and accounts as presented. Vice President Frankenthal seconded. All ayes. Motion carried.

TREASURER'S REPORT AND SUPERINTENDENT OF FINANCE REPORT

Superintendent of Finance & Personnel Christy Powell reviewed the February financial reports. Ms. Powell highlighted on the investment report. She stated the revenue and expense report is very similar to last year and projections show fiscal year figures on budget. Commissioner Moffat made a motion to approve the Treasurer's Report and Superintendent of Finance Report as presented. Vice President Frankenthal seconded. All ayes. Motion carried.

APPROVAL OF THE AGENDA

Commissioner Condon made a motion to approve the agenda as presented. Commissioner Moffat seconded. All ayes. Motion carried.

CORRESPONDENCE

Press clippings from the month were available for board to review. An email from a resident commending our staff for a job well done on our prairie burn at Hathaway Park was read by Director Lambillotte. Also, Director Lambillotte mentioned that tickets are now on sale for the annual FVSRA Pork Chop BBQ & Raffle.

OLD BUSINESS

PRESTON PARK EQUIPMENT INSTALLATION

A memo from Ken Kerfoot outlining plans for the installation of the small piece of playground equipment at Preston Park was reviewed with the board. Commissioner Condon made a motion to approve the replacement of the composite playground at Preston Park by Hacienda Landscaping in the amount of \$13,800. Commissioner Moffat seconded. All ayes. Motion carried.

RTP GRANT UPDATE

Staff has prepared and submitted a grant application for the sundial, the solstice and the mowed trails at Peck Farm North. We should know soon, whether our application will move forward to the next step in the process. Staff will keep the board informed of the progress as we have that information. A final decision will not be made for 6-9 months as the review process is quite lengthy. We do know they received more applications than are typical.

COMMUNICATIONS

Construction has begun on the spring playground replacement sites. Staff hope to have Elm Park, Frank K. Burgess Park & Preston Park all complete by Memorial Day weekend.

Playhouse 38 has a new adult theatre director. His name is Frank Del Guidice and he comes with many years of experience in the Theatre. We look forward to his first show "A Mother's Gift" opening on April 26th.

The Mill Creek spray ground is near complete and we will be testing the system next week.

The publicity is out for the Superintendent of Parks and Properties position and we have received resumes from numerous qualified candidates. Director Lambillotte hopes to start the interview process in early April.

Staff has completed annual evaluations as well as salary surveys and recommendations for the upcoming budget year.

Staff is finalizing the 2018/19 proposed budget and will present it for Finance Committee review (Peggy Condon & Susan VanderVeen) later this month followed by a presentation to the full Board on April 16th.

Director Lambillotte reminded the board to be on the lookout for their statements of economic interest which need to be filed by May 1st, 2018.

FUTURE MEETINGS

STAFF REPORTS

SUPERINTENDENT OF RECREATION

Supt. of Recreation Nicole Vickers reviewed her report. She highlighted our upcoming Easter events, our recent Mom & Son Night event which had 503 participants and our Daddy Daughter event which had over 1200 participants. Staff is busy prepping our facilities for the upcoming summer season. Our current BestLife Fitness marketing campaign will conclude at the end of this month and it has been extremely successful, as both fitness centers are up in new memberships. Ms. Vickers reviewed the Sunset Racquetball and Fitness Center and Stephen D. Persinger Recreation Center operations and revenue for the month.

MANAGER OF PECK FARM PARK

Manager of Peck Farm Park Burns reviewed her report. Ms. Burns has met with a contractor to get an estimate on work needed in the Peck House basement. She is also obtaining quotes for restoring the windows in the house. The upcoming Earth Day event at Peck Farm will again have paper shredding, as well as the Geneva Green Market.

SUPERINTENDENT OF PARKS AND PROPERTIES

Supt. of Parks & Properties Larry Gabriel reviewed his report. Mr. Gabriel reported that 8 sites on the west side of Geneva have been chosen for installing the Monarch Butterfly & Honey Bee gardens. Staff has been busy preparing for the upcoming soccer, baseball & lacrosse season which are set to commence in April, as well as gearing up for opening the outdoor restrooms. The playground renovation at Burgess Park is currently underway and work at Preston will soon start. Staff will be focusing their efforts on the restoration work at Bob Cox Field so that the field is ribbon cutting ready for GBA's opening day.

NEW BUSINESS

EXECUTIVE SESSION

At 7:32 p.m. Commissioner Moffat made a motion to go into Executive Session to discuss personnel. Commissioner Condon seconded. All ayes. Motion carried.

The Board returned to the regular meeting at 7:55 p.m.

PERSONNEL POLICY COMMITTEE RECOMMENDATIONS

The Personnel and Policy Committee (John Frankenthal & Jay Moffat) met on March 8 to discuss recommendations for full-time salary and wage proposals in preparation of the 2018-19 budget. Staff provided 2017 accomplishments, an organizational chart, full-time and part-time salary ranges and wage recommendations for board review. Commissioner Condon made a motion to approve full-time and part-time salary and wage ranges; a full-time average merit increase of 2.59% along with five professional salary adjustments; approval of the salary policy and the organizational chart. Commissioner Moffat seconded. All ayes. Motion carried.

ADJOURN

SUBJECT MATTER DISCUSSED:

Christy Powell began the meeting discussing the agenda and what would be covered. She stated that she will provide an overall review of the budget and then department heads would provide further highlights on their budgets.

The committee was presented with a balanced budget of \$11,777,848 excluding the Capital Fund. The Capital Fund budget included revenues of \$2,979,000 and expenditures of \$2,773,498. Ms. Powell stated the focus of the budget continues to be to provide quality parks, programs, and facilities at a high level while continuing to look for cost saving efficiencies in our operations. The entire budget, excluding the capital fund, decreased -4% over the previous year due to the maturity of the S2012 General Obligation Bond.

Ms. Powell covered the consolidated revenues by type as well as how it compared to the prior year. She stated that tax revenue makes up 48.8% of the District's consolidated revenue and will fluctuate from year to year depending on if grants or bonds are budgeted.

Ms. Powell stated real estate tax revenue will decrease -6.92% and is a function of the maturity of the S2012B GO Bonds and the amount allocated under tax cap legislation. Ms. Powell stated that the District has seen its fourth year of increase, 2.9%, in the District's Equalized Assessed Valuation (EAV), after five straight years of prior declines. This occurred as finally the recovery in the real estate market is being reflected in the EAV.

Ms. Powell reviewed program/facility revenue and stated overall it is budgeted to increase .62%. Ms. Powell stated that overall most programs and facilities saw minor increases, decreases or no change. Program/facility revenue has increased in areas such as: Kids Zone, Camps, Sunset Pool, Mill Creek Pool, Preschool, Youth Volleyball, and Mini Golf. Conversely, there are program/facility areas that have shown declines such as: Jazz/Tap Dance, Ballet, Gymnastics, Ballet Dance Recital, Toddlers and Active Older Adult Trips.

Fitness center revenue for both the Stephen D. Persinger Recreation Center and Sunset Fitness Center is budgeted .79% and 2.93% higher to better align actual with budget.

Ms. Powell stated that both kids zone and summer camp revenue will increase 3% to better align actual revenue with budget seen in the program. Sunset Pool revenue increased 2%, Mill Creek Pool revenue increased 11%, to better reflect actual revenue from the prior year. Swim lessons increased 1% as the demand for private swim lessons is reflected. Mini golf revenue increased 6.8% and Playhouse revenue increased 2.8% to better reflect actual revenue from the prior year.

Ms. Powell reviewed investment income and stated investment income is budgeted \$25,000 higher as interest rates have increased. The District will once again purchase its own Limited Bonds resulting in interest income. In 2018-19, interest rates are expected to continue to rise as the Federal Reserve continues to increase the federal funds rate.

There is no grant revenue budgeted in 2018-19, however, the District will continue to apply for grant monies for any grant eligible projects. Replacement taxes are budgeted 25% lower than the prior year as we continue to see declines in this source of revenue from the prior year. This revenue source continues to be uncertain with the State of Illinois budget troubles. Ms. Powell stated that once again the District will reduce the tax levies on various special funds that have accumulated fund balance above amounts recommended per the District's Fund Balance Policy (15-30% of annual expenditures). The Audit Fund, Liability Fund, and IMRF Fund will all see reduced or no change in real estate tax levies as fund balance will be utilized.

Ms. Powell reviewed consolidated expenditures and compared them to the 2017-18 budget. Salaries and wages show an overall increase of 1.88%. The average merit salary increase for full-time employees was 2.59%. This merit increase along with five professional salary adjustments and the elimination of the part-time senior coordinator position increased full-time salaries a total of 2.8% over the prior year. In addition, in anticipation of a possible increase in the Illinois minimum wage rate and to remain competitive with other employers the District has budgeted seasonal hourly rates for pool, camps and maintenance starting at \$9 per hour.

Ms. Powell went over the consolidated budget for contractual services which increased 1%. Included in this year's maintenance agreements in the General Fund was maintenance expense for GPS software to account for the inventory of trees, memorials and park benches. There was an increase in the public information budget for advertising "BestLife Fitness" and the new Mill Creek Pool spray ground. Health insurance stayed flat with no increase as compared to the prior year decrease of -.6% as projected actual expenditures stay well under current budget. The health insurance budget will not change despite an average 3.8% increase in health insurance premiums from PDRMA for 2018. The District will continue to participate in PDRMA's new Health Savings Account (HSA) program, whereby, Districts' can fund part of their health costs through Health Savings Accounts paired with a higher deductible. This past year the District saved \$16,560 as a result of participating in the HSA plan.

Electric utilities are budgeted 2% lower to better align actual to budget. On the contrary, water utilities will increase 6% with both pool budgets seeing large increases to better align actual to budget. The budget for natural gas expense decreased -7% to better match budget to actual expense. The actual expense of natural gas is estimated to stay low as the District in late 2017 locked into a two year gas contract with even lower pricing to take advantage of record lows in natural gas pricing.

The overall budget for commodities decreased -4% as gasoline budgets decreased to better align actual with budget. The majority of commodity budgets stayed the same.

Ms. Powell reviewed the consolidated budget for maintenance and capital equipment which increased 36% as the District increased its Special Recreation Fund budget \$144,000 to fund ADA improvements as outlined in the District's ADA transition plan. Ms. Powell reviewed the list of capital projects included, such as, \$20,000 for contracted tree removals; \$25,000 for LED gym light replacements; \$15,000 for ice rink liners and materials; \$6,200 for a portable screen for kids' zone sites; \$6,000 for two new sound systems; \$6,000 for a floor scrubber; \$5,000 to replace flooring in two new rooms at SPRC; \$5,000 to replace flooring in two rooms at SPRC; \$5,000 for upstairs hallway carpeting at SPRC and various pool equipment.

The overall budget for debt service decreased -21% with the maturity of the Bond & Interest Fund General Obligation S2012B bonds. Currently the District has two Alternative Revenue Bonds that are abated annually from the real estate tax levy and funded thru the District's operating funds. The District has one limited bond issue paid from the Bond and Interest Fund.

Ms. Powell reviewed the special fund revenue sources and explained that the majority of revenue for these funds comes from real estate taxes. As in prior years, special funds with an accumulated fund balance above the fund balance policy will utilize excess fund balance that has accumulated in the fund. This year, the Audit

Fund, Liability Fund, and IMRF Fund will utilize fund balance and reduce the amount of real estate taxes allocated to their respective fund.

Ms. Powell discussed the expenditures associated with the special funds. The Liability insurance budget will increase 2.89% from the prior year budget. Liability insurance is budgeted higher at 5.16% as the District saw an increase in its liability insurance premium passed on from the District's insurance provider PDRMA for workers compensation and property insurance. The budget for unemployment expense decreased -16.67% as the District does not anticipate any large claims to be paid. The District pays actual unemployment claim costs versus a tax based on a percentage of payroll. This method has saved the District tens of thousands of dollars each year as the District has very few unemployment claims.

Ms. Powell reviewed the IMRF Fund and noted expenditures will increase 3.39%. This expenditure is adjusted with changes in the IMRF actuarial rate and changes in pensionable salaries and wages. The IMRF rate charged to the District increased from 10.25% to 10.42%. The preliminary rate for 2019, as provided by IMRF, is 7.54%. This represents a significant decrease as the District's rate has never been below 10.25%. The IMRF rate charged to the District fluctuates from year to year and is greatly influenced by the wages, age, and years of service of its employees as well as the return on investments IMRF is yielding.

The Audit Fund was reviewed and the budget will increase 2.75% from the prior year. The audit expense is based on the three year contract approved by the Board with the firm Lauterbach and Amen.

Ms. Powell reviewed the Social Security Fund and noted a budget increase of 1.56%. The Social Security expenditure budget is adjusted and follows changes in salaries and wage expenses.

Ms. Powell reviewed the Special Recreation Association (SRA) Fund and noted the total expenditure budget will increase 34.62% from the prior year as the budget for capital expenditures related to ADA accessibility improvements at various parks and facilities increases. The District's budget for inclusion services remained unchanged.

Program payments to FVSRA increased .31% from the prior year even though FVSRA did not change its membership fee. The District's share of membership fee is based on the various participating communities EAV and because the District's EAV increased more than other districts the District had a higher share of the fee.

The District budgets capital expenditures for ADA accessibility improvements at various parks and facilities in the SRA Fund. In 2018-19 expenditures are budgeted 135% higher as compared to the prior year due to the additional dollars to be allocated in the coming years to the ADA transition plan. This expense fluctuates from year to year depending on the playground replacements and ADA improvements budgeted in the Capital Improvement Plan (CIP).

Ms. Powell reviewed the Bond & Interest Fund and noted that overall it decreased 50% with the maturity of the General Obligation S2012B bond. Currently, the District's Bond & Interest Fund is made up of one Limited Bond.

Ms. Powell reviewed the larger revenue sources for the CIP. Limited Bonds of \$1,600,000 are anticipated to be issued in 2018-19. These bonds are typically issued on a biennial basis. The annual audit transfer of \$550,000 funds a large majority of the capital improvement fund. This amount has decreased over the past year as the District's net surplus in the General and Recreation Fund at year end have decreased. However, for 2017-18 we are seeing a recovery and projecting a transfer amount of \$650,000. The net surplus is yielded from cost savings in the General Fund and Recreation Fund as well as net revenue generated from various recreation programs and facilities.

The District anticipates continued improvement in land cash revenue. In years 2010 thru 2014 the District received \$0-\$4k per year. Beginning in 2015 the District saw an increase in housing development projects receiving approximately \$57k in 2015, \$259k in 2016, \$203k in 2017, and an estimated \$270k in 2018. There is an increase in budget for interest income for the upcoming year as interest rates continue to rise and the District purchases its own limited bonds.

Ms. Powell went over the larger projects budgeted in 2018-19 CIP. Ms. Powell highlighted the following projects: \$550,000 for HVAC and roof replacement at Sunset Community Center (this is year one of a three year project at \$550k per year); \$500,000 for the Sunset Pool spray ground addition; \$90,000 for the renovation of the tennis courts at Dryden Park; \$415,000 for various improvements at Peck Farm Park which includes repairs to the basement walls at the Peck house (\$90k), interpretive panels (\$75k) and addition of a restroom at Peck Farm Park (\$250k); \$265,000 for the renovation of Burgess, Elm and Preston parks and playgrounds; \$150,341 for the replacement of various District vehicles and equipment.

Commissioner Condon asked how we compare budget wise with other districts. Supt. Powell stated that our tax rate is very low compared to other park districts. Ms. Lambillotte added that we have a low tax rate and are able to maintain a large number of parks and facilities.

Department heads gave a quick summary of their budgets. Ms. Burns stated that due to increased marketing, camps, building rentals and Community Garden plots have already seen a slight increase. A discussion was had regarding future endeavors at Peck Farm. Ms. Burns stated they will be continuing to do more STEM based programming. Ms. Burns stated that school field trips to Peck Farm continue to be on the decline so plans are being made to provide mobile programming whereby staff travel to the schools to provide the programs. Environmental education is growing in popularity and we continue to look for ways to improve our programs offered at Peck. Discussion was had regarding adult programming at Peck Farm and Ms. Burns stated that the demand in that area remains strong with the KCCN program having very high participation.

Mr. Gabriel stated that the Parks Dept. budget is consistently kept in line due in large party to Director Lambillotte & Supt. Powell's assistance, as well as his staff's understanding of the budget. Mr. Gabriel discussed the water utility accounts and how they budget conservatively as they are never sure when they will have a drought summer or a cold winter whereby the ice rinks will need water. The cost of natural gas is down about \$1,000 and gasoline is down \$10,000. Mr. Gabriel stated that there will be an increase in sanitation expenses as the District will be adding heavy duty trash can liners and trash can lids to the trash receptacles in many of our parks in an effort to keep up on park cleanliness. Also, there will be checklists in each of our outdoor restroom facilities to ensure scheduled cleaning has been completed. This is all in effort to satisfy part of the Community Survey Action Plan generated from our most recent Community Survey. Mr. Gabriel also stated that the District is in need of higher quality radios and additional gear for all staff to safely complete our prescribed burns. Staff works with contractors to keep costs down and have successfully done so. Items such as ball field backstops and fencing, artificial turf for the disc golf course; and ice rink liners for the west side rinks have all been added to next year's budget. Commissioner Condon asked about the quality of the disc golf course and about what other improvements could be made moving forward. Mr. Gabriel expressed that there has been an overall positive response from the disc golfers in regards to the new brick tees. Once the artificial turf goes in around the baskets staff will be focusing on turf restoration throughout the park in high traffic areas. Mr. Gabriel was happy to report that auctioning off our old fleet vehicles has been very successful. Discussion was had in regards to when the Mini-golf Hut was going to be replaced. Commissioner Condon inquired as to why additional burn gear was necessary for executing prescribed burns and Mr. Gabriel explained that as our crew expands and equipment comes to its expiration date we need to make those necessary purchases.

Ms. Vickers stated that although there was not a lot of change in the overall recreation budget, there was a lot of time and analysis that went into the budget to ensure that goals for programs were challenging but realistic.

Staff has been working more creatively to accommodate our Geneva families with the days and times of programming. While we have seen increases in facility revenues and usage, we continue to budget conservatively. Kids' Zone and Camps are both on the rise, as they are high demand programs in our community. We anticipate the new spray ground at Mill Creek Pool to be a popular attraction this summer and expect to see more usage during this season. Staff has been more cognizant and continues to focus on controlling our expenses at the pools. Discussion was had regarding the general commodities as it pertains to the girls' and boys' basketball expenses.

Ms. Lambillotte highlighted that staff continues to be focused on the implementation of the Natural Areas Maintenance Plan, as the removal of invasive species has become a high priority. The number of prescribed burns that we have been able to do has gone up significantly. Staff is also in the process of updating and replacing the interpretive signage at Peck Farm. Many of the above items go back to our last round of Community Survey results from 2016. Ms. Lambillotte also highlighted Playhouse and its successful turn-around. This year will bring more well-known adult productions, as well as, more musicals for the children's productions.

With no further questions or discussions, the committee recommended submittal of the budget to the entire board at the April 16, 2018 Board Meeting. President VanderVeen made a motion to adjourn the meeting at 5:25 pm. Commissioner Condon seconded. All ayes. Motion carried.

Geneva Park District Board Meeting

Superintendent of Finance and Personnel Report

Submitted by Christy Powell

April 16, 2018

Monthly Reports

Attached are the March Investment Report and Revenue & Expenditure Reports as well as the quarterly debt service report for your review.

Economic Interests Statement

If you haven't already filed your Economic Interests Statement electronically, you need to complete by the May 1, 2018 deadline. You should have received an email reminder from the county to file electronically. If your statement is not filed by the May 1 deadline you will be assessed a late fee penalty. If you have any questions let me know.

Proposed 2018-19 Annual Budget

Please review the 2018-19 Proposed Annual Budget which can be found as a separate document, entitled "April 10, 2018 Finance Committee Packet" under the board login section of the website. The Finance Committee met on April 10 to discuss the proposed budget and it is now being presented to the full Board. Minutes from this committee meeting are included in your board packet.

Annual Budget and Appropriation Ordinance (#2018-3)

The first draft of the Budget and Appropriation Ordinance is included in your packets for a first read. A budget hearing will take place at the May 21st board meeting with approval of the Budget and Appropriation Ordinance to follow.

DIRECTOR'S MONTHLY AGENDA AND REPORT April 16, 2018

PRESENTATION – FOREMAN OF PARKS & PROPERTIES, MANDY MORGAN

Mandy Morgan has put together an informational presentation on the district's Natural Areas Management Plan as it relates to the District's burn schedule.

COMMUNICATIONS

We had a number of very successful and well attended special events over the past month despite the frigid weather. Staff continues to do an outstanding job in planning and marketing our events. Almost 100 participated in our teen Egg-mazing Race!

The Bob Cox Field ribbon cutting will be this Saturday, April 21st at 11:00 a.m. and we encourage board members to attend. Many members of the Cox family will be in attendance. Bob & Jerry Lynn's grandson will be throwing out the first pitch to their son Jeff.

Construction is nearing completion at 3 playground locations this spring and we are confident all will be complete by Memorial Day.

Staff has received communication that our RTP grant application was not accepted for this year. Our next step is to begin the application process for a CMAP grant and be prepared to submit an application when OSLAD grant funding is once again available.

Staff have continued to receive comments from residents with concerns regarding the Peck Farm North Trail Development. I have included an article in your packet of a bike trail case study that the board may find relatable to this project. Enclosed in your packet is an email regarding the Peck Farm Park North Trail Development Plan that I received late Friday afternoon. Also included for your review is a resident petition and revised trail concept plan provided by those residents. Staff plans to incorporate resident comments into future iterations of the plan in an effort to address residential concerns while achieving the goals of the Peck Farm Master Plan.

We have received requests from two new soccer groups who wish to be considered for affiliate status with the park district. Staff is presently reviewing those requests.

The Mill Creek spray ground is complete with only minor punch list items remaining. We are excited for our grand opening in June. We have also done some remodeling of the locker rooms and hallways to make the floor surfaces more non-slip.

I would like to recognize Nicole Vickers and Amy McConnell for their diligent work on the PDRMA review. They have worked very hard at assuring we have all of our risk management systems in place.

I am interviewing applicants for the Superintendent of Parks and Properties beginning next week. There are presently 7 candidates.

Our first year of implementing our employee "Ideas Count" program was a success. We received a number of great ideas and have implemented many of those ideas already. A list of ideas and the program winners for the year are enclosed for your review.

I attended a COG plan commission meeting where the proposed new development of the Cetron property was discussed. I have included an overview in the board packet.

There are presently two development projects underway with the COB that affect our district. The proposed development of the 69 acre Landmeier property as well as the proposed development of a senior care/living facility including 62 independent living units.

Elliott Bortner, our new SPRC Manager has done a great job growing our pickle ball program. Our participants have asked us to consider some outdoor courts and we are responding by painting additional lines at our Mill Creek tennis courts to accommodate them. We reached out to participants for feedback regarding this project.

Staff has been working diligently on a balanced budget and are prepared to discuss the proposed budget should board members have questions at our meeting. The Finance Committee Meeting was held on April 10, 2018 and the minutes are included in your board packet for review.

Our foundation board met on March 13th to go over the 2018/19 budget.

The Fox Valley Special Recreation Association is also involved in budget preparations and staff will be reviewing their budget this month as well.

Enclosed in your packet is the board calendar including important meeting, event and continuing education dates.

FUTURE MEETINGS

Recreation Committee Meeting (Susan VanderVeen & Pat Lenski)	May 2018	TBD
GPD Foundation Annual Meeting	May 3, 2018	7:00 PM
Public Hearing	May 21, 2018	7:00 PM
Regular & Annual Scheduled Meeting	May 21, 2018	7:05 PM

PROPOSED BUDGET FY 2018-2019

The proposed budget document may be found as a separate document, entitled "April 10th, 2018 Finance Committee Budget Packet" under the board login section of the website. The Finance Committee (Peggy Condon-present at the meeting and Susan VanderVeen-remote attendance) reviewed the budget and are recommending board approval. Christy Powell will summarize each section of the budget and staff will be available to answer any additional questions. Staff requests a motion to approve all sections of the proposed 2018-2019 budget.

BUDGET & APPROPRIATION ORDINANCE #2018-03 (Draft)

Enclosed is the draft ordinance for review. Christy Powell will review the information and answer your questions. The ordinance will be presented at a Public Hearing on May 21st, 2018 at 7:00 PM and may be approved at the May 21st, 2018 board meeting.

Yes, In My Backyard!

September 1, 2016, Department, by Rebecca Stidham

Member to Member

Although people generally love parks and trails, it is not uncommon for citizens to add the caveat, "but,

not in my backyard.” So often is this argument presented to city councils concerning a variety of public issues that the term “NIMBY” (Not in My Back Yard) has been coined to describe such project opponents.

The Parks and Recreation

Department in Columbia, Missouri, conducted an important trail survey — “Impact of the MKT Trail on Nearby Property Owners.” The results of that survey overturned the presumption that people do not want a trail adjacent to their property. The purpose of the study was to survey the owners who occupied properties next to the MKT Trail to determine how the participants perceive the impact of the MKT Trail on their property and lives. The 213 owners of the properties within 200 yards of the MKT Trail were invited to participate in the survey. The response rate was 70 percent, with 149 completed surveys. The survey results were very positive, with the majority of residents expressing satisfaction with living near the trail (94 percent), while also indicating the trail improved their quality of life (89 percent), and stating that they would choose to live near a trail again if they were to move (72 percent).

The MKT Trail was the perfect trail about which to collect such information as it is a well-established trail that has been in existence for more than 25 years. It was one of the first 10 rails-to-trails projects in the United States and is the city of Columbia’s gateway to the 240-mile cross-state Katy Trail. Responding residents had owned or occupied their property for an average of 18 years, adding historical weight to the validity of the survey.

One of the problems that trail developers face is the anticipated fears of adjacent property owners, which can quickly turn said owners into trail opponents. To help give trail proponents ammunition to counter that threat, the following question was asked on the survey of those who purchased/occupied their home before the trail was installed: “Compare your initial reaction to the idea of living near the MKT Trail to how you feel about living near the trail today. Would you say that living near the trail is better or worse than you expected it to be?”

Thirty-seven of the respondents had occupied/purchased their homes before the MKT Trail was developed. Fifty-three percent of these respondents reported that living near the MKT was better (15 percent indicated “much better,” while 38 percent indicated “better”) than they expected and 47 percent reported it was the same as they expected. No one selected the choice of “worse than I expected” or “much worse than I expected.”

Perhaps the most compelling piece of the survey was the residents’ answers to the following open-ended question: “What would you say to people who are concerned about a trail being established near their homes (or other comments)?”

Ninety-eight respondents (66 percent) commented. Most neighbors expressed their love for the trail and indicated that they have not had any problems living near it. Hopefully, their positive comments can be used to help allay some of the imagined fears of would-be opponents. Here is a sample of their comments:

Don't be concerned. You would love it.

We had initial resistance, but today we couldn't find one person who is opposed.

The trail has improved safety in our neighborhood because we know our neighbors better.

...We love the trail and bought our home because of the close proximity to trail.

It greatly increases our enjoyment of the outdoors.

Participants were also asked about their personal use of the trail, what effect they think the trail has on the resale value of their house, whether or not the trail had influenced their choice to purchase their home, how they would rate the benefits of the trail, and to indicate their level of concerns regarding the trail. Overall, respondents ranked the benefits high and the problems low.

The survey responses from these close-proximity residents are encouraging to trail advocates. In essence, in regard to having a trail next to their property, the majority responded, "Yes, in my backyard!" Perhaps, a new acronym—"YIMBY" is in order.

The "Impact of the MKT Trail on Nearby Property Owners" report was prepared by Hua Bai, M.S., and Sonja Wilhelm Stanis, Ph.D., from the University of Missouri. [Click here for the full report](#) (search: "MKT Trail Survey").

Subject: Peck Farm Park North Trail Development

Hello to All,

We have attached a petition and alternate revision for your review. At a meeting last night, we also discussed the possibility of finishing some of the paths that are partially developed with the money saved expressed in our documentation. We all hope to come to an agreement that would benefit the City, Park District and our community. Thank you for your time.

Thank you,

Roger Kubitz, Jr.

Peck Farm Park North Trail Development

About this petition

While the trail development is exciting with some positive items, we would like to propose a modification that is more of a win-win situation for all residents.

We would like to propose that the paved path relocate to the mowed path location. The paved path would be in a more appealing, peaceful location surrounded by deeper prairie on both sides of the path while also reducing developing costs. This also helps the residents near the prairie continue to have privacy, less traffic and safer backyards. Below is a proposed mark up. The mowed path will now become the paved path.

We appreciate your work and the positive changes such as more trails, easy access to Persinger and better access to the middle school from Mill Creek neighborhood. We understand formal engineering drawings are not complete and hope you will re-evaluate with all points of view.

Comments: An additional idea is to have any trail, paved or grassy, close to the backside of the rec center, which offers the most privacy, security, etc for the homeowners. This would also offer a larger area for the wildlife to continue to hide from predators, protect their young and have privacy from humans.

SHARON WIGDZINSKI MAR 21, 2018 PLEASE NO PAVED TRAIL.

JODY BERBERET MAR 21, 2018 AN ADDITIONAL IDEA IS TO HAVE ANY TRAIL, PAVED OR GRASSY, CLOSE TO THE BACKSIDE OF THE REC CENTER, WHICH OFFERS THE MOST PRIVACY, SECURITY, ETC FOR THE HOMEOWNERS. THIS WOULD ALSO OFFER A LARGER AREA FOR THE WILDLIFE TO CONTINUE TO HIDE FROM PREDATORS, PROTECT THEIR YOUNG AND HAVE PRIVACY FROM HUMANS.

ROGER KUBITZ MAR 19, 2018 CLEARLY, THERE ARE ENOUGH INNER PRAIRIE PATHS THAT PEOPLE CAN ENJOY. ADDING A PATH 35 FEET (12 YARDS) IS AN UNNECESSARY SECURITY RISK TO THE RESIDENTS OF MILLCREEK OAKMONT. WE ARE A COMMUNITY OF A VERY LARGE AMOUNT OF YOUNG CHILDREN AND ANY ADDITIONAL SECURITY RISK IS A CONCERN TO ALL OF US.

GERI SECORA MAR 12, 2018 1 PLEASE HONOR THE RESIDENTS' VERY REASONABLE REQUEST TO MAINTAIN THEIR PRIVACY.

Amy McConnell	Acknowledgement of hard work "Top Dog"	in progress- Amy McConnell and Becky Harling to join ideas together to complete
Larry Miller	1) outfit kubota with snow removal equipment; 2) create crew to work on natural areas a week per month from mar-nov	1) incomplete due to cost effectiveness 2) in progress- staff will be allocated as time permits
Juan Santiago	update landscape with more perennials, bushes, shrubs, add hardscape items to reduce maintenance	complete: all beds have been reviewed and additional plants are in the 2018-19 budget
Keith Schmerer	Soofa Bench at a few parks to track traffic	incomplete: cost prohibitive; needs assessment needed
Sara Sielisch	programs to celebrate "national days" (icecream, doughnut, etc)	in progress: included in summer programming
Steve Slivka	free little library in front of sunset	in progress; work with library to accomplish
Hannah Sterricker	more communication between front desk staff and rec supervisors regarding programs	in progress: combine all front desk staff meetings to include all supervisors; supervisors communicate with Hannah directly as opposed to directly communicating with front staff
Kelly Wales	full time front desk staff person in addition to front desk supervisor	incomplete due to budget constraints
Traci Wicks	comment cards/box for patrons/staff to leave suggestions	in progress: make express your idea forms more available

Peck Farm Park Report

By

Trish Burns

Manager of Peck Farm Park Interpretive Center

April 16, 2018

Natural Areas / Site Management

1. Butterfly House:

The Butterfly House will open for the season on May 19. Registration has begun for this event and is going well. Volunteer training for the Butterfly House is scheduled for May 9 at 6:30 pm. We have 30 new people interested in taking the volunteer training this season.

2. Storm Windows:

Following up on the discussion from the March board meeting, included is a photo of the storm windows proposed for the restoration of the Peck House windows. The storm window would be a full window but the bottom half would switch out with either a screen or window for the appropriate season. The total cost to restore the windows came in at \$90,000. This style of storm windows would cost an additional \$4000.

Interpretation / Programs

1. Earth Day:

The Annual Earth Day event at Peck Farm will occur on Saturday, April 21 from 11-3 pm. The usual paper shredding and styrofoam recycling are on the schedule. Electronic recycling is scheduled with an outside vendor who will be handling all of the money exchanges. Tesla is scheduled to be on site with several models of their electric cars.

2. Summer Hours start on May 1

Monday – Saturday	9:00 am to 5:00 pm
Sunday	Noon to 5:00 pm

GENEVA PARK DISTRICT

PARKS AND PROPERTIES BOARD REPORT

Larry Gabriel, Superintendent of Parks and Properties

April 16, 2018

- Prescribed burning by all rights takes front and center stage this month. An incredible amount of progress has been achieved this year with supportive weather conditions and staff mobilizations at just the right time. Great strides have been made in burning acreage that has been previously static for the past few years. On another note, a few of our staff members are in pursuit of attaining their Certified Prescribed Burn Manager status. It is important that they participate in these burns to document apprenticeships.
- Staff members are diligently working on lining of soccer and lacrosse fields, and also preparation of the baseball fields. Uncertain weather conditions are not doing us any favors at this point. Indeed, TCSA cancelled their first weekend of soccer games due to cold weather. We did have the fields ready for play if they had chosen to go in that direction.
- Work continues on the preparation of the Bob Cox Field in anticipation of the April 21 ribbon cutting. I am working in the field with staff to insure that this project is completed on time.
- As of this writing, we are waiting for warmer weather before we open outdoor restrooms or begin mowing. We are in the process of cleaning up many of our sites, and our contractors are lined up for their services as well.
- Our playground renovations are going great. Hacienda Landscape has nearly completed the installations at Elm Park, Frank K. Burgess Park, and Preston Park. We will need more stable temperatures before the poured in place surfacing can be installed.
- I am in the final stages of generating the 2018 Park Project List.
- Rich Kator is doing a great job in his first full year of managing the greenhouse and the activities associated with it. It is really not too long before the first planting of the season at the Butterfly House will begin. In very high hopes, the cold weather will have taken a hiatus by then.
- Weed control contractors are lined up, and our own equipment is in the final stages of being readied.
- Preparation of Stone Creek is underway, and other facilities will be readied according to their opening dates.

- Staff members are putting together posts and map boxes for the distribution of the trail maps. Our first installations will be near the Old Mill kiosk along the Fox River Trail and also near the PFP bike repair station along the path.
- Geese control is underway at Island Park, and one nest has been intercepted thus far.
- Installation of the water source at Garden Club Park will take place as soon as night temperatures stay above freezing.
