Policy & Procedure Reminders

- For the safety of our patrons and staff, the pools close for 30 minutes every time lightning is spotted or thunder is heard. The pools will also close if it is below 68 degrees outside.
- Some of the amenities at Sunset Pool may be closed in the beginning or end of the summer due to staff returning to school.
- 10-minute Adult Swims are held at 1:30, 2:30, 3:30, 4:30, and 5:30 to allow staff to clear the pool and do a safety check.
- Water can make you and the pool deck slippery. Please be cautious and always remember to walk.
- Sunset pool provides fun for all ages, but remember you must be 42 inches to ride down the slides.

Reminder!

If there is an issue, especially with cleanliness or if you see a problem, please contact us immediately at 630-232-4542.

Lifeguard Fun Facts

- Lifeguards are trained to not look away from their water under any circumstances, even when distractions like ball throwing or running are going on around them.
- Did you know lifeguards need time to adjust their eyes? Frequent breaks allow lifeguards the time to not only adjust their eyes, but also to refocus throughout the day.
- Our lifeguards are certified through Starguard, a leader in aquatic excellence. Starguard evaluates our guards and facilities randomly three times per season. Our lifeguards were awarded the 5 Star award in 2018, which is the highest award possible.
- Lifeguards communicate with co-workers and supervisors through a series of whistle codes.

Lifeguard Tidbit!

Prior to the pool opening to the public, lifeguards spend 20+ hours in trainings and meetings in preparation to welcome the community to a safe environment.

Ongoing training is performed on a daily, weekly, and monthly basis throughout the entirety of the season.

Safety is our #1 priority!
