Living Tree Program

Donate a tree in the name of someone special or in honor of a special occasion. Trees will be planted in one of our beautiful parks.

Extraordinary events including births, anniversaries, weddings, retirements and graduations could be commemorated through the Geneva Park District's Living Tree Program.

Prices for the trees range from \$250 to \$300, and include planting and maintenance.

A memorial plaque can be ordered and installed at an additional cost. Plaque prices begin at \$125. A bench can be installed along with, or in lieu of, a tree at an additional cost as well. Please inquire for more information.

Important Information for Planting and Maintenance

For the health of the trees, planting is done in the spring and fall. Requests made by the first Friday in March will be planted in the spring. Requests made by the first Friday in August will be planted in the fall.

The Park District will be responsible for acquisition, planting, watering, and caring of trees. Tree sponsors are not required to assist in the care of the tree, but can simply enjoy watching their gift grow.

Thank you for your support of the Geneva Park District Foundation.
