

# SCIENCE DISCOVERY CAMP

July 29-Aug 2 • 9:00AM-4:00PM • SPRC

## NOTES FROM THE COORDINATOR

Welcome to the world of discovery. This week we will be joining the science community in experimenting with different materials. We will test ideas and watch the reactions as they happen. Tuesday, July 30th and Thursday, August 1st the campers will be going on a field trip during the day.

Please send the campers in tennis shoes everyday. The campers should come with sunscreen applied as some experiments may take place outside. Each camper should bring their own lunch and water bottle each day.

## THINGS TO REMEMBER...

- Please ALWAYS have your ID ready when picking up your child! Only individuals listed on the camper's Emergency and Release Form are able to pick them up from camp. You must sign your child in and out each day.
- Please make sure your child brings a snack and a lunch with them every day (it must be peanut free!)
- All participants should treat each other, staff and equipment with respect.
- To ensure everyone's safety, participants need to wear athletic shoes everyday to fully participate.
- Please make sure your child is dressing appropriately for the weather. We will enjoy the outdoors as much as possible!
- Label your children's belongings. Be sure to check our lost and found daily!
- Electronic devices and toys should stay home. The Park District will not be responsible for them.
- HAVE FUN!

## SPECIALITY CAMPS

Our specialty camps offer kids not only the chance to meet new friends, but are designed to meet their recreational and social needs by keeping them active all summer with a variety of field trips, pool fun, water activities, sports, and crafts all based on weekly themes.

Please note: each camper is to bring their own backpack, snack, water bottle, sack lunch, drink, sunscreen and gym shoes with socks each day. The Park District will provide one camp shirt per camper for the Summer if the camp is scheduled to go on a field trip, that must be worn on field trip days.

Visit Specialty Camp online at [www.genevaparks.org](http://www.genevaparks.org) for program fees, forms, newsletters, activity / snack calendars and more. For questions or more information, please call 630-232-4542
