

FABYAN KZ MARCH NEWSLETTER

FABYAN NEWS

As the weather has been changing, the children have been ready to get back to being outdoors. They are doing a wonderful job when we are unable to make it outside. We are hopeful that the weather will quickly become nicer daily and allow us to spend more active time outside.

We have seen the children really put their best efforts forward to work together and help each other out during program time. We enjoy watching the team work and fair play.

We have some very fun and exciting themes coming up for this month and are ready to share and experience the activities and games planned with the children.

GENERAL KIDS' ZONE REMINDERS

- We ask that you make sure the kids do NOT bring any toys from home. We don't want anything to go missing or break while at Kids' Zone.
- Please make sure your child is dressing appropriately for the weather. We will enjoy the outdoors as much as possible!
- Label your children's coats and other belongings. Be sure to check our lost and found daily!
- Please remember if your child is going to be absent to call the site to let us know. Our phone is only on during program operating hours but feel free to call anytime. Please leave a message with the date and your child's name if calling them in for the day.
- Have Fun!

LAST MONTH HIGHLIGHTS

We began the month off with a visit from library and the children were wonderful during Lexi's visit. Around the world week got everyone up and moving playing different sports and picking countries to represent. We made our own passports and traveled to worlds all on our own. Valentine's week we showed each other how nice and caring we could be towards one another. Lego week we brought out our creative minds. Hop to It! Week really got us up and moving.
