

WILLIAMSBURG KZ MARCH NEWSLETTER

WILLIAMSBURG NEWS

Welcome to March! This year just seems to be moving right along already and we are certainly making the most of 2020 at Williamsburg Kids' Zone. We are looking forward to this month because we have a lot of great things planned, and some of our weeks are extra special because they were planned by our leaders. Annie took the lead on the first week of March and we will be celebrating Dr. Seuss, as well as having our visit from Peck Farm. The following week we will be exploring the depths of the ocean in Under the Sea week which was planned by Sydney. Following that we will be getting ready for our annual March Madness tournament and testing our athleticism during Sports week. Planned by Jadin. Lastly, we will kick off Spring Break with everyone's favorite Game Show Week.

If you are looking for something for your children to do over the week of Spring Break, don't forget to sign them up for our Day Off Trips. There is a different field trip every day, running out of Western Avenue School. The registration deadline for these trips is Monday, March 23.

While we are hoping that we will get some spring weather that is here to stay, please be sure to send appropriate gear for your children to play outside. Even without snow on the ground, our play ground and field tends to fill with puddles, so it may not be a bad idea to keep sending those boots to school. Another great alternative would be to keep some extra socks and change of clothes in your child's backpack. We are seeing a lot of soggy feet and soggy pants when we come in from outside.

As always, please do not hesitate to reach out with any questions or concerns. I can be reached at the site at (630)945-7334 and by email at skramp@genevaparks.com. Have a great month!
