

INTRODUCTION TO BABYSITTING

A program lead by the Geneva Park District www.genevaparks.org

Are you dependable, responsible and motivated? Do you love children? Are you ready to take on a new experience? Babysitting is the job for YOU!

Think About It!

- How would you teach a child to share?
- How would you handle a child that was not following directions?
- Think about how you would respond to a child that says, "My parents let me do that."
- How would you handle a child that refuses to go to bed?

Talk About It!

- Ask your parents about their expectations and guidelines for your babysitting jobs.
- Talk about safety, location, transportation, age groups and children you feel safe and comfortable watching without an adult present.

Visit www.genevaparks.org to see our summer brochure and to sign up to participate in our Introduction to Babysitting Course. See you there!

Create your own, personalized flyer!

Great to share with friends & family.
See the example below.

Tip! Don't forget to check with your parents first!

Pack your own
Sitter-Sack!
