NOTES FROM THE COORDINATOR
Welcome to Everyday Heroes Camp! Your children may be familiar with Spiderman, Superman and other superheroes; but this week we are going to focus on heroes in the community that teach us and keep us safe and healthy!

Please send your child with a face mask, we will be trying to enjoy the weather outside, and limit the need to wear one, but will need one available for when we are indoors. If your child does not have a face mask, we will have extra for them, but think they would be more comfortable in one that they are familiar with.

This year we are using a drop off an pick up line. When you arrive at 9 am, a staff will greet your child, take their temperature and have them wash their hands before going into the building. Upon pick up, please place your child’s name in the car window and have an ID ready. A staff will assist your child into the car. If they need help buckling, please pull forward to get out of the car and assist them.

If you have any questions or concerns, please do not hesitate to reach out. You can reach us at (630) 947–9540.

SPECIALITY CAMPS
Our specialty camps offer kids not only the chance to meet new friends, but are designed to meet their recreational and social needs by keeping them active all summer with a variety of field trips, pool fun, water activities, sports, and crafts all based on weekly themes.

Please note: each camper is to bring their own backpack, water bottle, snack, sunscreen and gym shoes with socks each day. The Park District will provide one camp shirt per camper for the Summer if the camp is scheduled to go on a field trip, that must be worn on field trip days.
