NOTES FROM THE COORDINATOR
Welcome to Short Sports Camp! We are looking forward to a week full of sports fun. Be prepared to practice sports skills and do some fun sports crafts! We will be practicing and playing games and doing crafts related to baseball, hockey, soccer, basketball and football!

Please send your child with a face mask, we will be trying to enjoy the weather outside, and limit the need to wear one, but will need one available for when we are indoors. If your child does not have a face mask, we will have extra for them, but think they would be more comfortable in one that they are familiar with.

This year we are using a drop off an pick up line. When you arrive at 9 am, a staff will greet your child, take their temperature and have them wash their hands before going into the building. Upon pick up, please place your child’s name in the car window and have an ID ready. A staff will assist your child into the car. If they need help buckling, please pull forward to get out of the car and assist them.

Each day we will be focusing on a different sport, please feel free to send your children in any of their favorite teams apparel. Refer to the schedule below.

If you have any questions or concerns, please do not hesitate to reach out. You can reach us at (630) 947–9540.
