Families,

Welcome to Voyager Summer camp 2020! We are so excited to spend time with our future deep sea divers this week here at camp.

Myself or our Assistant Coordinator Amanda will be on site and available to answer any and all questions or follow up on any concerns you may have.

Last week the campers sailed the sea with the pirates and discovered several different treasures. This coming week the campers are going to be deep sea diving to discover the world beneath the water.

We are looking forward to week 6!

See you at Camp,
