FINANCE – REVENUES 2021

The Geneva Park District has determined the need to have user fees from programs and facilities financially assist the Capital Budget and Recreation Budget. For these two budgets to progress, this philosophy should continue into the future. For example, the Recreation Budget cannot and does not exist on taxes alone. A major portion of the Recreation Budget is supported by user fees from residents as well as non-residents. The Capital Budget has been supported each year from revenues generated from programs and facilities by transferring \$100,000 to \$750,000 to this fund prior to the audit. Revenues generated contribute greatly to the present success of the Geneva Park District and its citizens.
