# Community Garden Information

## COMMUNITY GARDENS - AT A GLANCE

### Plant some seeds! Watch them grow!

The Community Gardens at Prairie Green are located at the intersection of Peck Road and Bricher Road. The space features 124 garden plots, with 12 plots designed for organic growers. Garden plots are open from dawn until dusk between April and October. Plots are available on a first come/first served basis. Each plot is 20 ft. x 30 ft. Gardeners are responsible for the maintenance of their garden plot. Gardens will be checked periodically for maintenance. If a garden appears to need attention, gardeners will be notified by email and phone.

The Community Gardens at Prairie Green are a cooperative partnership between the Geneva Park District, City of Geneva, and Forest Preserve District of Kane County.

## CAMP GENERAL INFORMATION

### SUMMER CAMP PRIORITIES

#### SAFETY

FOLLOWING NEW GUIDELINES

#### FUN!

MAKING THE BEST OF AN UNPRECEDENTED SITUATION

#### MEMORIES

EXPERIENCE THE "NEW NORMAL" FOR THE FIRST TIME IN A POSITIVE ENVIRONMENT

Our staff are working hard to ensure our programs are in compliance with the most recent guidelines. Any adjustments to these "guidelines" will be communicated thru weekly newsletters that will be sent to registered participants. Please view our Summer Camp Parent Manual for complete details. The manual can be found on our summer camp page at [genevaparks.org](http://genevaparks.org)

Additionally, the weekly newsletters will be emailed to families with details of what campers need for the week. We ask that you send minimal items with your child to camp.

#### Camp Necessities Include:

- Back pack to keep child's belongings in.
- Snacks (one for morning and one for afternoon), lunch (if your child will be attending full day), and a reusable water bottle. For the safety of all participants, food items must be peanut free.
- Sunscreen / Bug Spray - Due to potential allergic reactions, all campers are required to supply their own bottle of spray on sunscreen and/or bug spray.
- Attire - campers should wear socks and gym shoes every day.
- Parents, please send your child with a face mask they are comfortable wearing. The district will have face masks available for participants, but they may be more comfortable wearing a mask they are familiar wearing.

#### COVID-19 - Our plan to protect campers and staff *(more details will be provided in the Parent Manual)*

- **Additional staff** have been added to keep group sizes at 10 children, to provide designated staff for additional cleaning and sanitation, and to assist with participant needs.
- **Cleaning and Disinfection** - Increased frequency of cleaning and disinfection and proper cleaning methods per Illinois Department of Public Health (IDPH) guidelines.
- **Communication with campers** - at the beginning of camp, groups will hold trainings and demonstrations on behaviors and precautions campers should abide by to prevent the spread of COVID-19, including: hand washing, sanitizing hands, practice physical distancing in various settings, which symptoms to look out for and when to report them, coughing etiquette along with other camp policies and guidelines.
- **Temperatures** will be taken upon entering camp for campers and staff (non-contact infrared digital thermometer).
- Campers and staff will wear **face masks** during indoor activities and when maintaining physical distancing is not feasible due to area limitations.
  - We will host activities outdoors as much as possible as the restrictions for face masks are lessened when outside.
  - Groups will maintain **physical distancing** during activities.
  - Crafts, games and activities will all be similar to years past with slight adjustments to keep all campers physically distant during the day.
- Campers and staff will be guided in practicing **proper hand hygiene**.
  - Instruction will be provided to campers to wash hands with soap and water for 20 seconds before and after activities, or the use of alcohol based hand sanitizer containing at least 60% alcohol before and after activities.

# Kids' Zone Before & After School Program

## Program Philosophy

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment. Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to choose their own activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. Kids' Zone is available before school from 6:30 - 8:00 am and after school from 2:15 - 6:00 pm. (KW)

# Kids' Zone Before & After School Program

## PARENT NOTES

### Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. **Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.**

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a **Request to Administer Medication form**. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

VISIT [GENEVAPARKS.ORG](http://GENEVAPARKS.ORG)

TO DOWNLOAD MANUALS, FORMS, CALENDARS AND MORE!

! The main parent/guardian whose signature is on the emergency form will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments.

**Please note: the main parent must grant permission to the secondary parent/guardian listed to have full access to participants enrollment status, access to change information, and schedule status.** Only people on your child's emergency form will be able to sign your child out of the program. Authorized pick-ups may include high school aged family/friends, however, they must be able to show a current photo ID.

### Discipline Policy

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

### Extracurricular After School Activities

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

### Newsletter and Activity/Snack Calendar

A monthly newsletter and activity / snack calendar are available at your child's site and online at [genevaparks.org](http://genevaparks.org). **Children with food allergies or restrictions are always welcome to bring their own snack.** We follow the District 304 allergy plan.

### Homework Policy

There is 30 minutes of scheduled quiet time each day for homework. **Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework.** The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

### Jr. Programs

These programs are designed to keep everyone actively moving, thinking and having fun. Drills are hidden in fun games and terminology that kids can understand. Teamwork and sportsmanship are a large part of these programs. Our goals are to make sure that each child has a positive experience as we help them fuel the passion for their desired sport and get them started in the right direction.

### Jr. Skills Programs

These programs will be coached by a certified All Star sport specific trainer with a speed & agility component powered by Ethos 360 Performance Training. Our goal is to add layers to each athlete's basic foundation and to further advance their knowledge and enhance their skill set so that they can compete for travel, club level, or high school positions. All Skills programs will include conditioning with sport specific drills that will be modified according to each child's age or ability. Athletes will learn to compete and handle the pressures of competition by being introduced to game and performance situations. ## Living Tree Program

Donate a tree in the name of someone special or in honor of a special occasion. Trees will be planted in one of our beautiful parks.

Extraordinary events including births, anniversaries, weddings, retirements and graduations could be commemorated through the Geneva Park District's Living Tree Program.

Prices for the trees range from \$250 to \$300, and include planting and maintenance. For the health of the trees, planting is done in the spring and fall.

A memorial plaque can be ordered and installed at an additional cost. Plaque prices begin at \$125. A bench can be installed along with, or in lieu of, a tree at an additional cost as well.

*Donate a tree today!*

Visit [genevaparks.org](http://genevaparks.org), click on the Get Involved Tab, go to Living Tree Program and download the Living Tree Order Form.

## Hawks Hollow Memorial Brick Program

Foster a legacy of environmental education and create a lasting impression at the Hawks Hollow Nature Playground with the purchase of a round or rectangular paver brick.

Pavers can be inscribed with an approved, personalized message that can include the names of loved-ones, businesses, and organizations, as well as important dates.

Purchasing a paver supports the Geneva Park District Foundation, a 501 (c) (3) not-for-profit organization and Peck Farm's mission to cultivate environmental education. Funds generated will be used to offset annual maintenance costs, allowing children to experience the wonder of Hawks Hollow for years to come.

*Support the Geneva Park District Foundation!*

Please note: The Park District works hard to ensure the pavers are protected and Hawks Hollow remains beautifully maintained. Because pavers are made of natural and man-made materials, the colors can vary slightly from brick to brick and a fading of color is expected during the first few years. Bricks are installed in the order they are received.

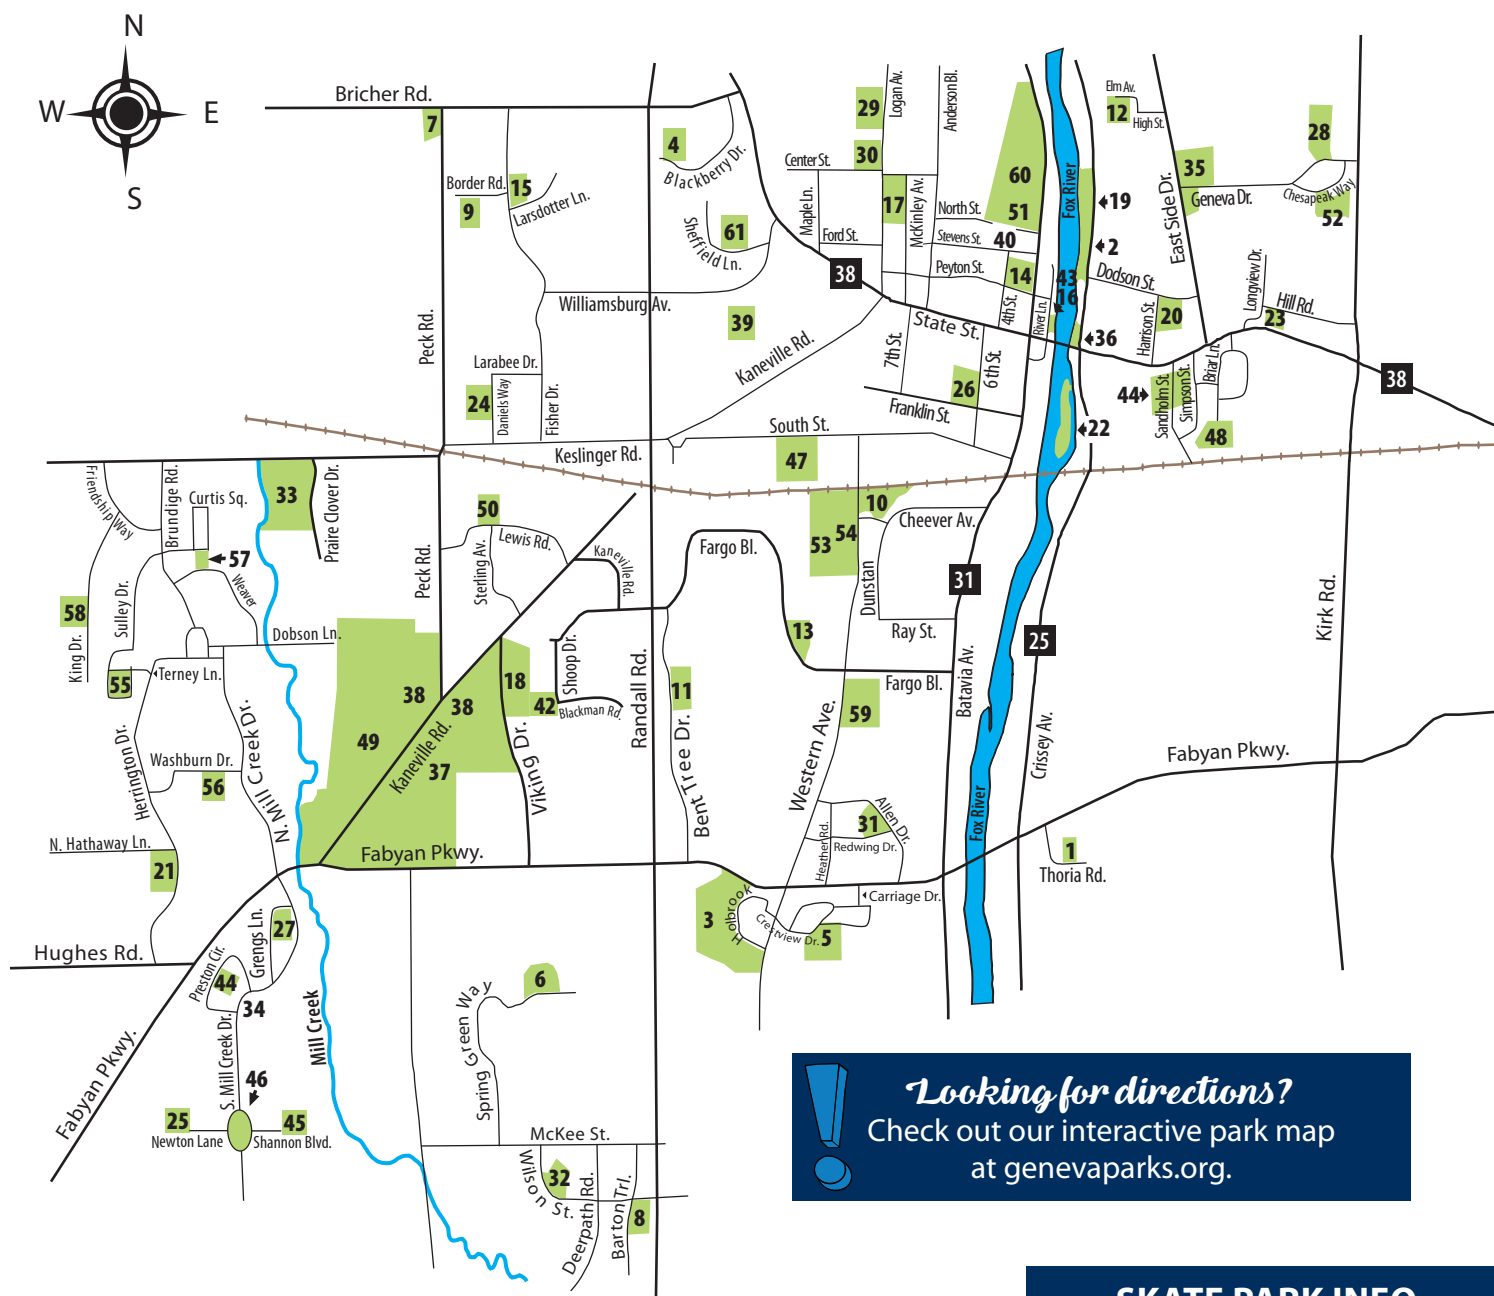

Requests for placement in specific locations or sections are not allowed. Prices and availability are subject to change. Project done in cooperation with the Geneva Park District.

## GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS

The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

## WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

## WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s)/activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the program(s)/activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred to as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature. **PARTICIPATION WILL BE DENIED If the signature of adult participant or parent/guardian and date are not on this waiver.**

**PHOTO/VIDEO DISCLAIMER:** All participants permit the taking of photos and/or videos of themselves and their child/ward during Park District activities, programs, events, and use of parks and facilities for publication and use as the Park District deems necessary in marketing materials and social media avenues. If you and/or your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

## Behavior Policy

In order to maintain a safe and enjoyable environment, a strict discipline policy has been adopted for all Geneva Park District programs. The following policies are designed to preserve a healthy program experience for all concerned. The following infractions will constitute utilization of the discipline system that follows under Discipline Procedures.

## Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

### 1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

### 2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

## Errors/Typos in Brochure

Though we try our best, due to the large amount of information available in the Geneva Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, [genevaparks.org](http://genevaparks.org), as current as possible. Thank you for your patience and understanding.

## Fit For Kids

Fit For Kids is a county-wide initiative to build a culture of wellness by providing easy and safe access to affordable physical activity where people live, work, and play. The Geneva Park District, along with Kane County, proudly support the Fit for Kids initiative. Each season we provide over 3,000 recreational programs for kids of all ages.

## Non-Sufficient Funds

There will be a \$25 charge per check or checking account that is returned with non-sufficient funds.

## Payment/Pro-rating

Participants will not be registered for programs without payment. Program fees will not be pro-rated for late enrollment.

## Photo/Video Disclaimer

All participants permit the taking of photos and/or video of themselves and their children at Park District activities, programs, events, and facilities for publication and use as the Park District deems necessary in all marketing materials and social media avenues. If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

## Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

## Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

# TRI-CITIES SOCCER

TEAM • COMMUNITY • SUCCESS

The **Tri-Cities Soccer Association (TCSA)** was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families three levels of participation: **RECREATIONAL**, **CLASSIC** and **PREMIER**.

Get started in early childhood by joining our **HAND IN HAND** program, TCSA's pre-school recreational program for 4-5 year old participants. **RECREATIONAL** team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.

For more information on TCSA's offerings, please visit our website at [www.tcsa.net](http://www.tcsa.net), or call **630.377.1101**.
