18.0 FREEDOM OF INFORMATION ACT POLICY AND INFORMATION DIRECTORY

The Geneva Park District Board of Commissioners has developed this policy to make public records available for inspection by members of the public. It is necessary that safeguards be imposed on the record review process to protect the privacy of individuals and to prevent unreasonable disruption of the conduct of the business of the Geneva Park District. This policy and the attached Information Directory create the Freedom of Information Packet that is to be made available to the public at the Stephen D. Persinger Recreation Center and the Sunset Community Center. The packet provides general information about Park District board and staff members, committees, facilities, parks, meeting dates and FOIA forms.

18.01 Inspection of Records:

Inspection of public records of the Geneva Park District shall be subject to the provisions of the Freedom of Information Act (5ILCSs 120, et seq.) including requirements of Illinois Public Act 96-0542. The Geneva Park District shall designate the Superintendent of Finance and Personnel & the Executive Director as the Freedom of Information Act Officers for the District. The staff members in this position must maintain proper compliance certification. The following requirements are hereby established for the inspection of records required to be made available to public inspection:

1. Any notice in writing may be submitted to the FOIA Officers, the Park District's Superintendent of Finance and Personnel & Executive Director.
2. The notice submitted must specify with reasonable particularity, which records are to be inspected.
3. The records to be inspected shall be available for inspection at the Geneva Park District office, 710 Western Avenue, Geneva, IL 60134, or if specified, can be copied and made available for delivery or pick up from the office. Records shall be available within five (5) days after the day of receipt of the request.
4. At the discretion of the FOIA Officers or other custodian of the records sought to be inspected, such records may be inspected only in the presence of an appropriate employee of the Park District. Records shall be available for public inspection during regular office hours. For this purpose, regular office hours shall be between the hours of 8:30 a.m. and 5:00 p.m. Monday-Friday except holidays. Records may not be inspected on any one occasion for more than three hours.

18.02 Extension of Response:

Consistent with applicable law, the Park District can extend your request for information for an additional five (5) days.

18.03 Limitations on Access:

Consistent with applicable law, a request to inspect records may be denied as provided in Section 7 of "The Freedom of Information Act" and the District may extend the time for compliance to the request to inspect or copy records in accordance with said Act.

18.04 Copies:

Records subject to public inspection may be reproduced, copied or photographed at the Park District's office by the person inspecting such records or by park district personnel. However, the custodian of the records shall be entitled to approve the manner and method in which records are reproduced, copied or photographed to assure that the records are not thereby damaged or the operations of the Park District unreasonably interfered with or disrupted. Except as otherwise required by law, copies of records available for public inspection will be made and provided to persons requesting the same only at the discretion of the Board of Commissioners, FOIA Officers or other custodian of such records.
