

WEEK 9 NEWSLETTER DISCOVERY CAMP

August 2– August 6

NOTES FROM THE COORDINATOR

Welcome to Week Nine of Discovery Camp! It's hard to believe we are already at the end of summer. In an effort to make it last a little longer, this week we are going to do all sorts of crafts and games that remind us of summer. This includes TWO water days, one on Tuesday and the other on Thursday. Thursday we will be going to Moore Park to play in the splash pad, use the playground and play some fun parachute games. On Friday we will be heading to Sunset Community Center for our Friday Fun! We will be having a dance party, complete with games.

Please make sure you pack and label sunscreen AND bug spray for your child. Since we are trying to stay outside as much as possible to limit the need to wear a mask, please make sure they have both of these.

Please have your child bring a proper mask. Masks are required for any indoor activities, but not required when outside. A proper face mask is one that aligns with CDC guidelines here: www.cdc.gov/coronavirus/2019-ncov/preventgetting-sick/about-face-coverings.html

While we are doing our best to be socially distanced outside, when we are indoors masks need to be worn. We will have extras, but they may be more comfortable in masks they are used to.

If you need to contact us please call our site phone at (630) 945-8358 or email me at skramp@genevaparks.com. Thank you all for a great summer! I speak for all the staff when I say, we have loved getting to know your families!
