

# Fun STEMS From Science

July 26-July 30 • 9:00 AM–12:00 PM • SPRC

## NOTES FROM THE COORDINATOR

Grab your lab coats and beakers, this week is all about science! This week we will be diving into all sorts of STEM based activities that explore chemical reactions, some food mysteries, and our creativity. So put on your thinking caps and get ready for some fun. Please send a morning snack with your child as well as a water bottle. We will be using the outdoors for some of our messier experiments, so please put sunscreen on your child before sending them to camp.

A few friendly reminders! Please have your child bring a proper mask. Masks are required for any indoor activities, but not required when outside. A proper face mask is one that aligns with CDC guidelines here: <https://www.cdc.gov/coronavirus/2019-ncov/preventgetting-sick/about-face-coverings.html> Also please send your child with a snack (peanut-free) and water bottle every day.

This year we are using a drop off and pick up line. When you arrive, our staff will greet your child, and have them wash their hands before going into the building. Upon pick up, please place your child's name in the car window and have an ID ready. A staff will assist your child into the car. If they need help buckling, please pull forward to get out of the car line and assist them.

If you have any questions or concerns, please do not hesitate to reach out. You can reach us at (630) 947-9540. We're looking forward to having a great week!

-Kristen Crawford  
Unique Camp Coordinator

## THINGS TO REMEMBER...

- Please ALWAYS have your ID ready when picking up your child! Only individuals with authorization from the parent/guardian can pick-up campers. Please remember to stay in your car, if your child needs assistance buckling up, please pull forward from the car line before getting out to help them!
- Please make sure your child brings a snack with them every day (it must be nut free!), along with a reusable water bottle.
- To camp, your child should wear:
  - Sunscreen / Bug Spray
  - Gyms Shoes and Socks
  - Active Wear / Play Clothes
  - A face mask that aligns with CDC guidelines

## SPECIALITY CAMPS

Our specialty camps offer kids not only the chance to meet new friends, but are designed to meet their recreational and social needs by keeping them active all summer with a variety of activities based around the weekly theme.

**!** If you wish to sign-up for more camps, registration must be in by 9pm the Wednesday prior to the session!
