## PRESIDENT'S MESSAGE 2021

Who would have known a year ago that COVID-19 would have such an impact on our world? Our staff performed amazing feats throughout the unprecedented year of lockdowns and ever-changing government and health guidelines. Knowing recreational opportunities are essential, staff worked creatively to meet the ever-evolving needs of the community despite the multitude of challenges.

Some of those creative opportunities included:

- Curating a collection of over 150 games, activities and resources through the virtual platform "Live Your BestLife at Home"
- Providing a variety of virtual programs including Esport Leagues and Playhouse 38 Radio Productions
- Re-designing special events including Concerts, Movies, 5K Races, Autumn Fair, Halloween Events, and Christmas Celebrations which collectively reached thousands of participants
- Opening both aquatic facilities while introducing a collection of mandatory safety guidelines
- Creatively implementing safety strategies to open both BestLife Fitness locations immediately upon permission
- Holding a successful, and safe, summer camp program without deviating from the schedule

Even through the pandemic, we were able to make exciting improvements to our parks and facilities, including:

- Acquired funds from 'Rebuild Illinois' for drainage work at Island Park to help water recede faster from flooding
- Lions Park tennis courts were renovated with Pickleball lines added
- North Peck Farm was completed, and 50 trees were planted in the Oak Savanna in celebration of Arbor Day, 2021
- Sunset Community Center received renovations and redesign of its parking and front entry, with a special focus on ADA compliancy
- New signage placed throughout the district including a more modern design at Sunset Community Center, as well as, updated neighborhood park signs

The Geneva Park District is continuously guided by our Core Values; these values have been the keystone to all accomplishments throughout the COVID-19 pandemic:

Customer Commitment  
Responsible Leadership  
Fiscal Responsibility  
Safety  
Community Collaboration  
Innovation  
Stewardship & Sustainability

It has been an honor and a blessing to serve this wonderful community. Words cannot express my gratitude for and pride of the outstanding staff and volunteers, including my fellow commissioners.

Sincerely,  
**Susan VanderVeen**  
Park Board President

# KIDS' ZONE BEFORE & AFTER SCHOOL PROGRAM

## 2021-22 Kids' Zone Parent Information

The main parent/guardian whose signature is on the emergency form will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments. Please note: the main parent must grant permission to the secondary parent/guardian listed to have full access to participants enrollment status, access to change information, and schedule status. Only people (other than the parents indicated) listed on the authorized pick up section of the Detailed Participant Profile form will be able to sign your child out of the program. Authorized pick-ups may include high school aged family/friends, however, they must be able to show a current photo ID.

### DISCIPLINE POLICY

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

### HOMEWORK POLICY

There is 30 minutes of scheduled quiet time each day for homework. Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework. The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

### NEWSLETTER AND ACTIVITY CALENDAR

A monthly newsletter and activity calendar are available at your child's site and online at [genevaparks.org](http://genevaparks.org).

### EXTRACURRICULAR AFTER SCHOOL ACTIVITIES

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

## Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a Request to Administer Medication form. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

## Holiday Production

It's four days before Christmas and Miss Margie, the scatterbrained owner of the shop, is thrilled to have two very special guests — her serious-minded sister Ellen and book-loving niece Annabelle. Ellen was recently laid off from her position as an astronomy professor, and she's certain she'll never find a job again. Her luck changes, however, when high-tech billionaire Philip Brantley stops in at the shop and Margie convinces him to hire Ellen for his new space project.

With Ellen out shopping, Margie has a brainstorm to wrap the bookmark that Philip wrote his phone number on and give it to Ellen as a Christmas present. After all, what could possibly go wrong?

Extraordinary events including births, anniversaries, weddings, retirements and graduations could be commemorated through the Geneva Park District's Living Tree Program.

Prices for trees include planting and maintenance. A memorial plaque can be ordered alongside a tree. Plaques can have up to 4 lines with a maximum of 20 characters (including spaces) per line. Finished plaque size is 4"X8"w.

A bench can be installed along with, or in lieu of, a tree. Bench prices include a plaque, installation and maintenance.

## Hawks Hollow Memorial Brick Program

Foster a legacy of environmental education and create a lasting impression at the Hawks Hollow Nature Playground with the purchase of a round or rectangular paver brick.

Pavers can be inscribed with an approved, personalized message that can include the names of loved-ones, businesses, and organizations, as well as important dates.

Purchasing a paver supports the Geneva Park District Foundation, a 501 (c) (3) not-for-profit organization and Peck Farm's mission to cultivate environmental education. Funds generated will be used to offset annual maintenance costs, allowing children to experience the wonder of Hawks Hollow for years to come.

The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

### WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. Pictures depicting people without the use of face coverings were taken prior to the COVID-19 pandemic. The Geneva Park District has and will continue to follow guidelines set forth by CDC, IDPH, DCEO, and other agencies.

## Program Cancellation Information

Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

# TRI-CITIES SOCCER

TEAM • COMMUNITY • SUCCESS

The **Tri-Cities Soccer Association (TCSA)** was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families three levels of participation: **RECREATIONAL**, **CLASSIC** and **PREMIER**.

Get started in early childhood by joining our **HAND IN HAND** program, TCSA's pre-school recreational program for 4-5 year old participants. **RECREATIONAL** team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.

For more information on TCSA's offerings, please visit our website at [www.tcsa.net](http://www.tcsa.net), or call **630.377.1101**.
