Community Garden Orientation Class for all 2022 gardeners

Topics include what's new for 2022, basic rules and etiquette, soil and composting updates, plus tips and tricks for weed management. Information will be sent to registered gardeners before the season begins.

Community Gardens - At a Glance

Plant some seeds! Watch them grow!

The Community Gardens at Prairie Green are located at the intersection of Peck Road and Bricher Road. The space features 131 garden plots, with 12 plots designed for organic growers. Garden plots are open from dawn until dusk between April and October. Plots are available on a first come/first served basis. Each plot is 20 ft. x 30 ft. Gardeners are responsible for the maintenance of their garden plot. Gardens will be checked periodically for maintenance. If a garden appears to need attention, gardeners will be notified by email and phone.

The Community Gardens at Prairie Green are a cooperative partnership between the Geneva Park District, City of Geneva, and Forest Preserve District of Kane County.

Benefits of Community Gardens

- Community Gardens offer an opportunity to grow your own produce while getting to know other gardeners.
- Exposure to green space reduces stress and increases a sense of wellness
- Community Gardens restore oxygen to the air and help to reduce air pollution

NEW THIS YEAR! We are adding two more raised beds. Priority given to those with mobility impairments or those 65 and older.

Registration Information

Registration for the 2022 gardening season opens December 1, 2021.

Returning Gardeners

Returning gardeners have first priority to renew their contracts for the same plot as 2021, beginning December 1. Returning gardeners who wish to change to a different plot may take any open plot starting on January 1.

New Gardeners

New gardeners to the program may start signing up for plots on February 1.

Garden Plots

Garden plots are one per household. Gardeners may sign up for a second plot from available plots, starting April 1. If you had two plots in 2021, you can sign up for one in December, but must wait until April 1, to sign up for a second plot. Plot registrations open for new gardeners starting February 1.

Fees: Plot Fee: \$49 (N/R \$73)

How to Sign Up for a Garden Plot Online

Sign up directions: Visit genevaparks.org; click on Online Registration. There are 131 garden plots. The Geneva Park District is pleased to welcome you to another pool season at Sunset Pool and Mill Creek Pool.

Our Lifeguard staff is trained under the internationally recognized curriculum, StarGuard Elite. The Lifeguard staff must complete extensive training that includes rescue skills, emergency procedures, and first aid/CPR. Throughout the summer pool season, reviewers from StarGuard Elite will conduct unannounced audits to evaluate our aquatics operation.

The Geneva Park District's Lifeguard staff has been awarded the prestigious Elite 5-Star overall rating for the 2021 summer season. This award represents an extraordinary level of commitment to safety and dedication to the areas of aquatics.

Pool Safety Tips

- If you see something, say something! If there is an issue, especially with cleanliness or if you see a problem, please call us at 630-232-4542.
- For your safety, we close for 30-minutes every time lightning is spotted or thunder is heard.
- Water can make the pool deck slippery. Please be cautious and always remember to walk.
- 10-minute Adult Swims are periodically held to allow staff to clear the pool and do a safety check.
- Sunset pool provides fun for all ages, but remember you must be 40 inches tall to ride the slides.
- Some of the amenities at Sunset Pool may be closed in the beginning or end of the summer due to limited staffing.

The Geneva Park District reserves the right to cancel or close due to mechanical problems, low attendance, or unfavorable weather conditions.

THIS INCLUDES:

- Any situation arises that would jeopardize the public health or safety of patrons in attendance.
- The air temperature drops below 68 degrees.
- If lightning and/or thunder is in the area, the pool deck will be cleared and will not reopen until no lightning or thunder has been present for 30 minutes.

AQUATICS – SWIM LESSONS

Which class is right for my child?

Early childhood and youth swim lessons follow the Starfish Swim/Stroke School program, a nationally-recognized swim instruction curriculum developed by the Starfish Aquatics Institute.

Benchmarks are established at each stage of the program to teach swimming and safety skills. Register your child for the program that corresponds with his/her age.

StarBabies® & StarTots® 6-36 months w/parent

Starfish Swim School® for Preschoolers 3-5 years

Starfish Swim School® for Youth 6-12 years

Starfish Swim Stroke School® Students ages 6-12 years who have achieved the Green Starfish Swim School stage.

Starfish Swim Team® Students who have completed the Starfish Swim Stroke School®; who can swim 25 yards freestyle with side-breathing; who need to build endurance; and who want to learn turns, starts, and team-training techniques.

Students will be tested on the first day to determine what stage they should start in. Students will advance to the next stage once they have completed benchmark skills. They may advance through more than one stage during a session. (JAK)

EXPERIENCE CAMP IN A HEALTHY ENVIRONMENT

Our staff are working hard to ensure our programs are in compliance with the most recent guidelines. **Any adjustments to these “guidelines” will be communicated through weekly newsletters that will be sent to registered participants.** Please view our Summer Camp Parent Manual for complete details. The manual can be found on our summer camp page at genevaparks.org

Additionally, the weekly newsletters will be emailed to families with details of what campers need for the week. We ask that you send minimal items with your child to camp.

Camp Necessities Include:

- Backpack to keep child's belongings in.
- Snacks (one for morning and one for afternoon), lunch (if your child will be attending full day), and a reusable water bottle. For the safety of all participants, food items must be peanut free.
- Sunscreen / Bug Spray - Due to potential allergic reactions, all campers are required to supply their own bottle of spray on sunscreen and/or bug spray.
- Attire - campers should wear socks and gym shoes every day.
- Parents, please send your child with a face mask they are comfortable wearing and aligns with CDC guidelines. Please see the following link for details: www.cdc.gov/coronavirus/2019-ncov/preventgetting-sick/about-face-coverings.html. The district will have face masks available for participants, but they may be more comfortable wearing a mask they are familiar wearing.

KIDS' ZONE BEFORE & AFTER SCHOOL PROGRAM

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment.

Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to rotate through different activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. Kids' Zone is available before school from 6:30 - 8:00 am and after school from 2:15 - 6:00 pm. (KW)

Kids' Zone is a cooperative program between the Geneva School District and the Park District and is available to students in grades K-5 attending Fabyan, Harrison, Heartland, Mill Creek, Western and Williamsburg Elementary Schools.

KIDS' ZONE BEFORE & AFTER SCHOOL PROGRAM

2022-23 Kids' Zone Parent Information

The main parent/guardian whose signature is on the emergency form will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments. Please note: the main parent must grant permission to the secondary parent/guardian listed to have full access to participants enrollment status, access to change information, and schedule status. Only people (other than the parents indicated) listed on the authorized pick up section of the Detailed Participant Profile form will be able to sign your child out of the program. Authorized pick-ups may include high school aged family/friends, however, they must be able to show a current photo ID.

DISCIPLINE POLICY

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

HOMEWORK POLICY

There is 30 minutes of scheduled quiet time each day for homework. Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework. The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

NEWSLETTER AND ACTIVITY CALENDAR

A monthly newsletter and activity calendar are available at your child's site and online at genevaparks.org.

EXTRACURRICULAR AFTER SCHOOL ACTIVITIES

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a Request to Administer Medication form. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

Directed by: Frank Del Giudice

Greg and Kate have moved to Manhattan after twenty-two years of child-raising in the suburbs. Greg's career as a financial trader is winding down, while Kate's career, as a public-school English teacher, is beginning to offer her more opportunities. Greg brings home a dog he found in the park—or that has found him—bearing only the name "Sylvia" on her name tag. A street-smart mixture of Lab and poodle, Sylvia becomes a major bone of contention between husband and wife. She offers Greg an escape from the frustrations of his job and the unknowns of middle age. To Kate, Sylvia becomes a rival for affection. And Sylvia thinks Kate just doesn't understand the relationship between man and dog. The marriage is put in serious jeopardy until, after a series of hilarious and touching complications, Greg and Kate learn to compromise, and Sylvia becomes a valued part of their lives.

GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS

The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s)/activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the program(s)/activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred to as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature. **PARTICIPATION WILL BE DENIED** if the signature of adult participant or parent/guardian and date are not on this waiver.

PHOTO/VIDEO DISCLAIMER: All participants permit the taking of photos and/or videos of themselves and their child/ward during Park District activities, programs, events, and use of parks and facilities for publication and use as the Park District deems necessary in marketing materials and social media avenues. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, genevaparks.org, as current as possible. Thank you for your patience and understanding.

Pictures depicting people without the use of face coverings were taken prior to the COVID-19 pandemic. The Geneva Park District has and will continue to follow guidelines set forth by CDC, IDPH, DCEO, and other agencies.

Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

Receipts

We send registration confirmations via email! Please ensure that we have your current email address on file. Your email receipt will act as the only form of confirmation for your registration. If we encounter a problem with your registration, you will receive a phone call.

TRI-CITIES SOCCER

TEAM • COMMUNITY • SUCCESS

The **Tri-Cities Soccer Association (TCSA)** was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families three levels of participation: **RECREATIONAL**, **CLASSIC** and **PREMIER**.

Get started in early childhood by joining our **HAND IN HAND** program, TCSA's pre-school recreational program for 4-5 year old participants. **RECREATIONAL** team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.

For more information on TCSA's offerings, please visit our website at www.tcsa.net, or call **630.377.1101**.
