PRESIDENT'S MESSAGE 2022

It was another challenging year of dealing with COVID-19 and the various strains that have manifested themselves! As I look back, I can say with tremendous pride that the GPD staff did an outstanding job of managing our customers' expectations through an environment of ever-changing mandates at the local, state, and federal levels.

Some of the highlights from this past year include, but are not limited to:

- Received photographs of many excited, smiling children in Kenya following the installation of the repurposed playground equipment from Terney Park that was donated to Kid's Around the World.
- Received a \$100,000 Grant from the State of Illinois to cover much of a project to improve the drainage across Island Park.
- Once again, the GPD was awarded Distinguished Agency Accreditation for the district for the 4th cycle in a row. This indicates that the GPD is exceeding expectations in best practices and are held in high regard by their peers throughout Illinois. The GPD scored the highest in its history!
- Although short-staffed in several departments GPD staff safely opened and operated both pools, managed summer camp and after school programs, put on children's plays at Playhouse38 and operated both fitness centers. In addition, special events including Concerts in the Park, various road races, Autumn Fair, Halloween, and holiday events were successfully completed.
- The GPD engaged a marketing firm to help educate resident and external partners about the vital role the GPD plays in building a healthier more socially connected community, as well as help the GPD to rebound from the impacts of COVID-19.

In September we said goodbye to our former GPD Commissioner of over 15 years and good friend, Susan VanderVeen as she and her husband Jim began their retirement in Northern Michigan. Peter Cladis was nominated to take Susan's board position upon her departure.

Improvements made to our facilities over this past year include, but are not limited to:

- Solicited input from over 500 children to vote on the design for a new playground at the Peck Farm ball fields.
- The GPD, in conjunction with the City of Batavia, expects to acquire approximately 5.13 acres of land for a new park in the Winding Creek subdivision.
- Plans for redesign of Dryden, Garden and Hathaway Parks were received and awarded so the work has begun in the spring/summer of 2022.
- The GPD has taken possession of the Peterson property and the structures on site will be demolished and the property repurposed for GPD use.
- The City of Geneva has allocated \$150,000 to help with improvements to Garden Club Park.
- New pickleball courts are included in the budget for 2022-23.

While COVID-19 continued to impact operations across the GPD, the staff remained focused on customer service and embodying the Core Values of the Geneva Park District.

Thank you to the dedicated staff at the Geneva Park District and our community for working together through these unprecedented times. It just shows us all that if we work together, we can accomplish truly amazing things!

Students learn programming essentials using MIT's Scratch coding language using a simple visual interface. A multilevel curriculum starts with children learning the basics of programming. Students program interactive media projects, such as stories, games, and animations. The activities encourage exploration of key computational thinking concepts (sequence, loops, parallelism, events, conditionals, operators, data) and key computational thinking practices (experimenting and iterating, testing and debugging, reusing and remixing, abstracting and modularizing). Since this class is a multilevel program where children are placed based on skill and experience, students can repeat this class as they start where they left off from the last class.

KIDS' ZONE BEFORE & AFTER SCHOOL PROGRAM

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment.

Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to rotate through different activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. Kids' Zone is available before school from 6:30 - 8:00 am and after school from 2:15 - 6:00 pm. (KW)

KIDS' ZONE BEFORE & AFTER SCHOOL PROGRAM

2022-23 Kids' Zone Parent Information

The main parent/guardian whose signature is on the emergency form will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments. Please note: the main parent must grant permission to the secondary parent/guardian listed to have full access to participants enrollment status, access to change information, and schedule status. Only people (other than the parents indicated) listed on the authorized pick up section of the Detailed Participant Profile form will be able to sign your child out of the program. Authorized pick-ups may include high school aged family/friends, however, they must be able to show a current photo ID.

DISCIPLINE POLICY

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

HOMEWORK POLICY

There is 30 minutes of scheduled quiet time each day for homework. Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework. The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

NEWSLETTER AND ACTIVITY CALENDAR

A monthly newsletter and activity calendar are available at your child's site and online at genevaparks.org.

EXTRACURRICULAR AFTER SCHOOL ACTIVITIES

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a Request to Administer Medication form. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

Death TAKES A HOLIDAY

Directed by: Craig Gustafson

Produced with great success on Broadway, this striking drama has established itself among the important plays of our time. It is based on the poetic conception of death suspending all activities for three days during which he falls in love with a beautiful girl and through her realizes why mortals fear him. The mood of the play is established with remarkable skill and while it is charged with exciting moments, it is a perfect background for a love story that is as simple as it is appealing. The character who symbolizes Death is a very human person, with no conventional claptrap dragged in for mere effect. Here is a play that stimulates discussion and presents a novel and optimistic philosophy of the problems of love and death. This is one of the most popular and successful plays for amateurs.

Holiday Production

Everyone's favorite classic holiday tale gets the fractured fairy-tale treatment. All the famous fairy-tale characters take on all of the memorable roles of Dickens's *A Christmas Carol*. You'll never know who will show up next as the Big Bad Wolf (as Ebenezer Scrooge) meets his old business partner Jacob Midas (Marley), who could turn anything to gold. Midas warns Big Bad that he'll be visited by The Ghosts of Christmas Past, Present, and Future (played by a Fairy Godmother, Old King Cole, and the Queen of Hearts respectively). The ghosts make Scrooge realize what a scoundrel he's been to the Charming (or Crachit) family — including Prince Philip, Cinderella and their kids, Hansel, Gretel, and Tabitha, their Little Match Girl — and help him to remember what the Christmas spirit is all about. This fun-filled adaptation stays true to the warmth and heart of the classic.

Jr. Programs

These programs are designed to keep everyone actively moving, thinking and having fun. Drills are hidden in fun games and terminology that kids can understand. Teamwork and sportsmanship are a large part of these programs. Our goals are to make sure that each child has a positive experience as we help them fuel the passion for their desired sport and get them started in the right direction.

Jr. Skills Programs

These programs will be coached by a certified All Star sport specific trainer with a speed & agility component powered by Ethos 360 Performance Training. Our goal is to add layers to each athlete's basic foundation and to further advance their knowledge and enhance their skill set so that they can compete for travel, club level, or high school positions. All Skills programs will include conditioning with sport specific drills that will be modified according to each child's age or ability. Athletes will learn to compete and handle the pressures of competition by being introduced to game and performance situations. NEW! Pickleball Leagues

Pickleball leagues will be played round robin style. In the time allocated to each round robin league (2 hours) six games will be played, each with a different partner and against a different pair of opponents.

There are two different leagues; Beginner and Competitive:

- A Beginner Player is considered is a player that has just started to play pickleball. They have limited experience and are continuing to learn the game as they play.
- A Competitive Player should display consistent and dependable strokes, including directional control and depth on both forehand and backhand shots. Reliable serves, lobs, overheads, approach shots and volleys and can use spin shots with some success. Players should demonstrate 3rd shot strategies and drop shots. Competitive players also have a full understanding of the rules. The competitive league is structured for players who know the game and possess a higher skill level.

GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS

The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s)/activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the program(s)/activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred to as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature. **PARTICIPATION WILL BE DENIED If the signature of adult participant or parent/guardian and date are not on this waiver.**

PHOTO/VIDEO DISCLAIMER: All participants permit the taking of photos and/or videos of themselves and their child/ward during Park District activities, programs, events, and use of parks and facilities for publication and use as the Park District deems necessary in marketing materials and social media avenues. If you and/or your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Behavior Policy

In order to maintain a safe and enjoyable environment, a strict discipline policy has been adopted for all Geneva Park District programs. The following policies are designed to preserve a healthy program experience for all concerned. The following infractions will constitute utilization of the discipline system that follows under Discipline Procedures.

Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary

infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

Errors/Typos in Brochure

Though we try our best, due to the large amount of information available in the Geneva Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, genevaparks.org, as current as possible. Thank you for your patience and understanding.

Fit For Kids

Fit For Kids is a county-wide initiative to build a culture of wellness by providing easy and safe access to affordable physical activity where people live, work, and play. The Geneva Park District, along with Kane County, proudly support the Fit for Kids initiative. Each season we provide over 3,000 recreational programs for kids of all ages.

Non-Sufficient Funds

There will be a \$25 charge per check or checking account that is returned with non-sufficient funds.

Payment/Pro-rating

Participants will not be registered for programs without payment. Program fees will not be pro-rated for late enrollment.

Photo/Video Disclaimer

All participants permit the taking of photos and/or video of themselves and their children at Park District activities, programs, events, and facilities for publication and use as the Park District deems necessary in all marketing materials and social media avenues. If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Pictures depicting people without the use of face coverings were taken prior to the COVID-19 pandemic. The Geneva Park District has and will continue to follow guidelines set forth by CDC, IDPH, DCEO, and other agencies.

Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

Receipts

We send registration confirmations via email! Please ensure that we have your current email address on file. Your email receipt will act as the only form of confirmation for your registration. If we encounter a problem with your registration, you will receive a phone call.

Refund Policy

1. An Application for Refund form must be submitted for all refunds. Refund requests must be submitted 10 business days prior to the first class meeting date.
2. All refund requests will be assessed a service charge of \$3 or 10%, whichever is less, with a minimum charge of \$1.
3. The Refund Policy does not apply to: "non-refundable" trip tickets, unless the Park District is able to resell tickets; Preschool Program deposits, unless the class space can be filled prior to the start of the program; contracted classes, unless a replacement can be found. Refunds will not be granted for Fitness Memberships for any reason after one month from the start date. Pool passes are non-refundable. Kidz Korral punch cards and memberships are non-refundable. Kids' Zone registration fee is non-refundable. No refunds or makeup classes will be granted for unattended classes. Geneva Park District has the right to review and make the final decisions on all refunds.
