OUTDOOR ICE RINK INFORMATION

The outdoor ice rinks are located near the Wheeler Park Maintenance Facility, 410 Wheeler Drive and in the grassy area next to Mill Creek Pool, 39W125 S. Mill Creek Drive.

There will be two sheets of ice, one dedicated for general skating and one for hockey at Wheeler Park and an additional outdoor ice skating rink at Mill Creek Pool.

Special Reminders:

- Use of the rinks is free.
- All ice rinks are weather permitting.
- Bring your own skates (rentals are not available).
- Parking is available at both locations.

Directions:

To Wheeler Park - From Rt. 31, turn west on Stevens Street (South of Stone Creek Miniature Golf), and right on Wheeler Drive (just past the cemetery)

To Mill Creek Pool - From Fabyan Parkway, turn south onto South Mill Creek Drive, and turn left into Mill Creek Pool Parking lot, ice rink will located to the right of the pool.

Ice Rink Status

In order for the appropriate amount of ice to be prepared, the temperature has to remain at 20 degrees or below for at least 48 hours. Once we have reached those ideal conditions, the process of forming ice will begin and the enjoyment of skating will follow. Thank you for your patience.

Colored flags will be attached to the rink fences indicating the rink status. A green flag means the rink is open for skating; a yellow flag means the rinks are open, but to please use caution; a red flag means that the rink is closed and skating is not permitted.

For Ice Rink Status, download the Rainout Line mobile app, visit genevaparks.org and click on Weather Corner, or call 630-206-1174

COMMUNITY GARDENS

FREE!

Community Garden Orientation Class for all 2023 gardeners

Topics include what's new for 2023, basic rules and etiquette, soil and composting updates, plus tips and tricks for weed management.

Community Gardens - At a Glance

Plant some seeds! Watch them grow!

The Community Gardens at Prairie Green are located at the intersection of Peck Road and Bricher Road. The space features 131 garden plots, with 12 plots designed for organic growers. Garden plots are open from dawn until dusk between April and October. Plots are available on a first come/first served basis. Each plot is 20 ft. x 30 ft. Gardeners are responsible for the maintenance of their garden plot. Gardens will be checked periodically for maintenance. If a garden appears to need attention, gardeners will be notified by email and phone.

The Community Gardens at Prairie Green are a cooperative partnership between the Geneva Park District, City of Geneva, and Forest Preserve District of Kane County.

Benefits of Community Gardens

- Community Gardens offer an opportunity to grow your own produce while getting to know other gardeners.
- Exposure to green space reduces stress and increases a sense of wellness
- Community Gardens restore oxygen to the air and helps to reduce air pollution

There are a limited number of raised beds available. Priority given to those with mobility impairments or those 65 and older.

Registration Information

Registration for the 2023 gardening season opens December 1, 2022.

Returning Gardeners

Returning gardeners have first priority to renew their contracts for the same plot as 2022, beginning December 1. Returning gardeners who wish to change to a different plot may take any open plot starting on January 1.

New Gardeners

New gardeners to the program may start signing up for plots on February 1.

Garden Plots

Garden plots are one per household. Gardeners may sign up for a second plot from available plots, starting April 1. If you had two plots in 2022, you can sign up for one in December, but must wait until April 1, to sign up for a second plot. Plot registrations open for new gardeners starting February 1.

Fees: Plot Fee: \$49 (NR \$73)

How to Sign Up for a Garden Plot Online

Sign up directions: Visit genevaparks.org; click on Online Registration. There are 131 garden plots. When you view garden plots online, there will be 131 "sections" of Community Garden Activity Code #5611901. Everyone's favorite classic holiday tale gets the fractured fairy-tale treatment. All the famous fairy-tale characters take on all of the memorable roles of Dickens's *A Christmas Carol*. You'll never know who will show up next as the Big Bad Wolf (as Ebenezer Scrooge) meets his old business partner Jacob Midas (Marley), who could turn anything to gold. Midas warns Big Bad that he'll be visited by The Ghosts of Christmas Past, Present, and Future (played by a Fairy Godmother, Old King Cole, and the Queen of Hearts respectively). The ghosts make Scrooge realize what a scoundrel he's been to the Charming (or Crachit) family — including Prince Philip, Cinderella and their kids, Hansel, Gretel, and Tabitha, their Little Match Girl — and help him to remember what the Christmas spirit is all about. This fun-filled adaptation stays true to the warmth and heart of the classic.

A Conversation With Our New Personal Trainer

Q. What is your experience in the fitness industry?

A. I've been teaching classes for over 30 years. I'm certified to teach many kinds of classes, including yoga, Pilates, step, kickboxing, Bosu. I've worked to serve populations of all ages, and I really love it.

Q. What do you look forward to in your new role as one of BestLife Fitness's newest personal trainers?

A. I am driven to help individuals who are coming out of rehab, out of physical therapy, and people who have not exercised in a really long time. I have a lot of experience in taking a particular movement and making it accessible for them.

Q. What would you say to individuals who are considering working with a personal trainer?

A. The cool thing about personal training is that the personal trainer gets to know the individual and the concerns and goals that are particular to that person. Knowing that, we can guide them, hoping to give them confidence that they can work toward their goals.

Q. How would you describe your approach to personal fitness?

A. That depends on the individual, and that's the great thing about a personalized approach. While the methods vary according to each person, for everyone I provide

guidance, helping them show up and be accountable for their goals.

Q. What do you want to see individuals get out of their personal training experience?

A. Really what I would like to see is that people live their best life. That's what the BestLife tagline is, but that's the reality. We want to do things to help our bodies for whatever activity that we love — whether that is walking, running, gardening, riding your bike, playing with your children, your grandchildren, or your dog. Whatever it is that you love, my goal is to help you do it.

Fun with Nature - Families, Teens, and Adults!

Forest Bathing/ Therapy Walk

Ages 10+

1 Class

Join us for a winter forest therapy walk at Peck Farm. Winter is a special time to acknowledge and experience this season of rest and renewal. Forest bathing provides an opportunity to reconnect with the natural world by slowing down, using our senses, and experiencing a reciprocal relationship with nature. As a research-based practice that started in Japan as Shinrin-Yoku, forest therapy helps to reduce stress, restore attention, and build resilience in our mind, body, and spirit.

Dependent on the weather, you will want to dress in layers because of a gentler walk and periods of being relatively still or slower moving. Tea is served at the conclusion of the forest bathing walk.

STEM Learn How to Code

Ages 8-15 **5 Classes**

Students learn programming essentials using MIT's Scratch coding language using a simple visual interface. A multilevel curriculum starts with children learning the basics of programming. Students program interactive media projects, such as stories, games, and animations. The activities encourage exploration of key computational thinking concepts (sequence, loops, parallelism, events, conditionals, operators, data) and key computational thinking practices (experimenting and iterating, testing and debugging, reusing and remixing, abstracting and modularizing). Because this class is a multilevel program where children are placed based on skill and experience, students can repeat this class as they start where they left off from the last class. Students should be familiar with using a computer.

KIDS' ZONE BEFORE & AFTER SCHOOL PROGRAM

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment.

Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to rotate through different activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. Kids' Zone is available before school from 6:30 - 8:00 am and after school from 2:15 - 6:00 pm.

2022-23 Kids' Zone Parent Information

The main parent/guardian whose signature is on the emergency form will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments. Please note: the main parent must grant permission to the secondary parent/guardian listed to have full access to participants enrollment status, access to change information, and schedule status. Only people (other than the parents indicated) listed on the authorized pick up section of the Detailed Participant Profile form will be able to sign your child out of the program. Authorized pick-ups may include high school aged family/friends, however, they must be able to show a current photo ID.

DISCIPLINE POLICY

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

HOMEWORK POLICY

There is 30 minutes of scheduled quiet time each day for homework. Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework. The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

NEWSLETTER AND ACTIVITY CALENDAR

A bi-weekly newsletter and activity calendar are available at your child's site and online at genevaparks.org.

EXTRACURRICULAR AFTER SCHOOL ACTIVITIES

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a Request to Administer Medication form. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

Picklebal Leagues

Pickleball leagues will be played round robin style. In the time allocated to each round robin league (2 hours) six games will be played, each with a different partner and against a different pair of opponents.

There are 3 leagues; Beginner, Intermediate and Competitive:

- **Beginner:** A player that has just started to play pickleball. Has limited experience and is continuing to learn as they play.
- **Intermediate:** A player who knows the format, had more consistent serves and returns, demonstrates improved skills with all basic shot strokes and placement, but lacks control with trying for direction, depth or power.
- **Competitive:** A player should display consistent and dependable strokes, including directional control and depth on both forehand and backhand shots. Reliable serves, lobs, overheads, approach shots and volleys and can use spin shots with some success. Players should demonstrate 3rd shot strategies and drop shots. Competitive players also have a full understanding of the rules. The competitive league is structured for players who know the game and possess a higher skill level.

Living Tree Program

Donate a tree in the name of someone special or in honor of a special occasion. Trees will be planted in one of our beautiful parks.

Extraordinary events including births, anniversaries, weddings, retirements and graduations could be commemorated through the Geneva Park District's Living Tree Program.

Prices for trees include planting and maintenance. A memorial plaque can be ordered alongside a tree. Plaques can have up to 4 lines with a maximum of 20 characters (including spaces) per line. Finished plaque size is 4"hx8"w.

A bench can be installed along with, or in lieu of, a tree. Bench prices include a plaque, installation and maintenance.

Donate a tree today!

Visit genevaparks.org, click on the Get Involved tab, go to Living Tree Program and download the Living Tree Order Form.

Hawks Hollow Memorial Brick Program

Foster a legacy of environmental education and create a lasting impression at the Hawks Hollow Nature Playground with the purchase of a round or rectangular paver brick.

Pavers can be inscribed with an approved, personalized message that can include the names of loved-ones, businesses, and organizations, as well as important dates.

Purchasing a paver supports the Geneva Park District Foundation, a 501 (c) (3) not-for-profit organization and Peck Farm's mission to cultivate environmental education. Funds generated will be used to offset annual maintenance costs, allowing children to experience the wonder of Hawks Hollow for years to come.

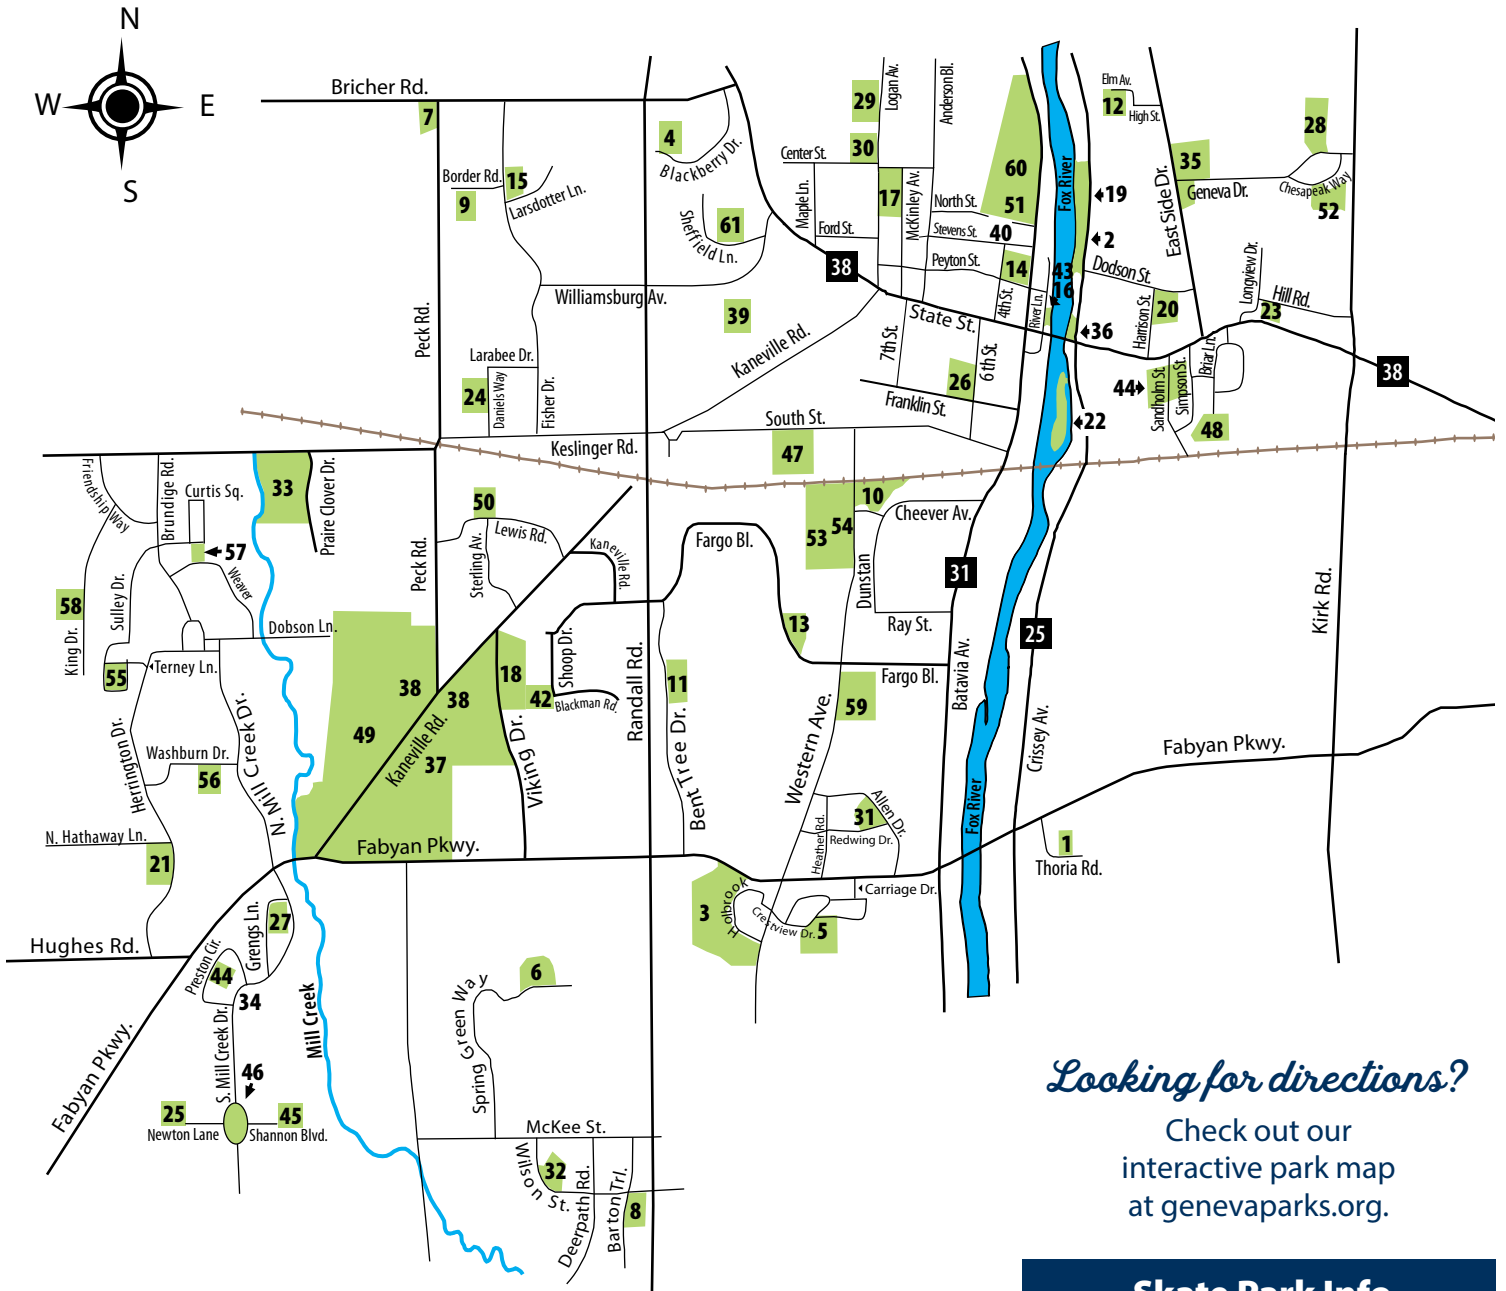

Support the Geneva Park District Foundation!

GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS

The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s)/activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the program(s)/activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred to as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature. **PARTICIPATION WILL BE DENIED If the signature of adult participant or parent/guardian and date are not on this waiver.**

PHOTO/VIDEO DISCLAIMER: All participants permit the taking of photos and/or videos of themselves and their child/ward during Park District activities, programs, events, and use of parks and facilities for publication and use as the Park District deems necessary in marketing materials and social media avenues. If you and/or your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Behavior Policy

In order to maintain a safe and enjoyable environment, a strict discipline policy has been adopted for all Geneva Park District programs. The following policies are designed to preserve a healthy program experience for all concerned. The following infractions will constitute utilization of the discipline system that follows under Discipline Procedures.

Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

Errors/Typos in Brochure

Though we try our best, due to the large amount of information available in the Geneva Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, genevaparks.org, as current as possible. Thank you for your patience and understanding.

Fit For Kids

Fit For Kids is a county-wide initiative to build a culture of wellness by providing easy and safe access to affordable physical activity where people live, work, and play. The Geneva Park District, along with Kane County, proudly support the Fit for Kids initiative. Each season we provide over 3,000 recreational programs for kids of all ages.

Non-Sufficient Funds

There will be a \$25 charge per check or checking account that is returned with non-sufficient funds.

Payment/Pro-rating

Participants will not be registered for programs without payment. Program fees will not be pro-rated for late enrollment.

Photo/Video Disclaimer

All participants permit the taking of photos and/or video of themselves and their children at Park District activities, programs, events, and facilities for publication and use as the Park District deems necessary in all marketing materials and social media avenues. If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

Proof of residency in the form of a current tax bill or utility bill may be required during program registration. Geneva Park District residents are given first priority for program registration.

Placement on a waiting list is encouraged. Individuals placed on a waiting list will be contacted if any additional program space becomes available.

Waiver Form

The Park District is unable to assume responsibility for injuries or accidents occurring at programs, activities, parks, and facilities. Such insurance would make program user fees prohibitive. The Insurance Liability Waiver section of the registration form must be signed when registering yourself or your minor child to participate in Geneva Park District programs. Participation will be denied if the signature of an adult participant or parent/guardian and date are not on this waiver.

Weather Cancellation Policy /

TRI-CITIES SOCCER

TEAM • COMMUNITY • SUCCESS

The Tri-Cities Soccer Association (TCSA) was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families two levels of participation: RECREATIONAL and CLASSIC.

Get started in early childhood by joining our HAND IN HAND program, TCSA's pre-school recreational program for 4-5 year old participants. RECREATIONAL team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.

INDOOR WINTER SEASON U5 - HIGH SCHOOL

SESSION ONE: SATURDAY • NOVEMBER 23 - DECEMBER 17

SESSION TWO: SATURDAY • JANUARY 7 - FEBRUARY 25
