The Geneva Park District works in collaboration with Fox Valley Special Recreation Association (FVSRA) to make reasonable modifications for individuals with disabilities. Modifications are determined in cooperation with FVSRA and the Park District and may include a combination of additional training to park district staff, program adaptations, the use of modified equipment, and when necessary, additional staff support. Lack of communication may adversely affect the park district's ability to accommodate the needs of your child. **To provide the best customer service, we ask for at least two weeks' notice prior to the start of the program to coordinate modifications.** Participation may be delayed for requests received after that time frame.
