The Geneva Park District works in collaboration with Fox Valley Special Recreation Association (FVSRA) to make reasonable modifications for individuals with disabilities. Modifications are determined in cooperation with FVSRA and the Park District and may include a combination of additional training to park district staff, program adaptations, the use of modified equipment, and when necessary, additional staff support. Lack of communication may adversely affect the park district's ability to accommodate the needs of your child. **To provide the best customer service, we ask for at least two weeks' notice prior to the start of the program to coordinate modifications.** Participation may be delayed for requests received after that time frame.

**Voyager Camp:** Our focus in this camp is to teach children the value of being part of a group setting, problem-solving, and communicating with peers. In addition, we will focus on caring for supplies and equipment as well as following instructions and respecting rules. Friendly camp staff will coordinate crafts, games and activities for campers to keep them active! Campers will participate in 1 field trip and 1 spray park visit per week.

**Nature Camp Coyote:** Nature camp is for children entering first grade in the fall who love animals and the outdoors! Children will meet our animals and visit the butterfly exhibit! They'll follow animal tracks in the prairie and listen for frogs near the wetlands as they develop a love and appreciation for the environment.

**Gymnastics Camp:** Participants will have fun, make new friends and build self-confidence. These one-week, half-day camps will be filled with gymnastics, tumbling, games, crafts, an inflatable and more! Each day will encompass a different age appropriate theme.
