The Geneva Park District works in collaboration with Fox Valley Special Recreation Association (FVSRA) to make reasonable modifications for individuals with disabilities. Modifications are determined in cooperation with FVSRA and the Park District and may include a combination of additional training to park district staff, program adaptations, the use of modified equipment, and when necessary, additional staff support. Lack of communication may adversely affect the park district's ability to accommodate the needs of your child. **To provide the best customer service, we ask for at least two weeks' notice prior to the start of the program to coordinate modifications.** Participation may be delayed for requests received after that time frame.

Explorer Camp: Explorer Camp offers kids not only the chance to meet new friends, but is designed to meet their recreational and social needs. At this stage our goal is to assist campers in learning the value of making good choices, exercising self-discipline and gradually preparing them for more independence. Campers will be kept busy with activities including swimming, outdoor games, crafts, sports, specialized activities, and more! Campers will participate in 1 field trip and 2 swim afternoons per week.

Nature Camp Coyote: Nature camp is for children entering 2nd or 3rd grade in the fall who want to explore the prairie and wetlands at Peck Farm Park. See the raptors, reptiles and butterflies that call Peck home while exploring our 365 acres! Learn how we care for the animals in our nature room and visit the butterfly exhibit too!

Gymnastics Camp: Participants will have fun, make new friends and build self-confidence. These one-week, half-day camps will be filled with gymnastics, tumbling, games, crafts, an inflatable and more! Each day will encompass a different age appropriate theme.
