### Plant some seeds! Watch them grow!

The Community Gardens at Prairie Green are located at the intersection of Peck Road and Bricher Road. The space features 131 garden plots, with 12 plots designed for organic growers. Garden plots are open from dawn until dusk between April and October. Plots are available on a first come/first served basis. Each plot is 20 ft. x 30 ft. Gardeners are responsible for the maintenance of their garden plot. Gardens will be checked periodically for maintenance. If a garden appears to need attention, gardeners will be notified by email and phone.

The Community Gardens at Prairie Green are a cooperative partnership between the Geneva Park District, City of Geneva, and Forest Preserve District of Kane County.

### Benefits of Community Gardens

- Community Gardens offer an opportunity to grow your own produce while getting to know other gardeners.
- Exposure to green space reduces stress and increases a sense of wellness
- Community Gardens restore oxygen to the air and helps to reduce air pollution

**There are a limited number of raised beds available. Priority given to those with mobility impairments or those 65 and older.**

### Registration Information

Registration for the 2023 gardening season opens December 1, 2022.

### Garden Plots

Garden plots are one per household. Gardeners may sign up for a second plot from available plots, starting April 1. If you had two plots in 2022, you can sign up for one in December, but must wait until April 1, to sign up for a second plot. **Fees:** Plot Fee: \$49 (NR \$73)

## Which class is right for my child?

Early childhood and youth swim lessons follow the Starfish Swim/Stroke School program, a nationally-recognized swim instruction curriculum developed by the Starfish Aquatics Institute.

Benchmarks are established at each stage of the program to teach swimming and safety skills. Register your child for the program that corresponds with his/her age.

**StarBabies® & StarTots®** 6-36 months w/parent

**Starfish Swim School® for Preschoolers** 3-5 years

**Starfish Swim School® for Youth** 6-12 years

**Starfish Swim Stroke School®** Students ages 6-12 years who have achieved the Green Starfish Swim School stage.

**Starfish Pre-Swim Team®** Students who have completed the Starfish Swim Stroke School®; who can swim 25 yards freestyle with side-breathing; who need to build endurance; and who want to learn turns, starts, and team-training techniques.

Students will be tested on the first day to determine what stage they should start in. Students will advance to the next stage once they have completed benchmark skills. They may advance through more than one stage during a session.

Geneva Park District is a Starfish Aquatics Institute (SAI) Approved Training Center. SAI is an innovative provider of training, certification, and risk-reduction programs to the international aquatics community.

**Are swim lessons cancelled due to weather?** Download the Rainout Line mobile app, visit [genevaparks.org](http://genevaparks.org) and click on Weather Corner, or call **630-206-1174**.

# KIDS' ZONE BEFORE & AFTER SCHOOL PROGRAM

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment.

Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to rotate through different activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. Kids' Zone is available before school from 6:30 - 8:00 am and after school from 2:15 - 6:00 pm.

# KIDS' ZONE BEFORE & AFTER SCHOOL PROGRAM

## 2023-24 Kids' Zone Parent Information

The main parent/guardian who enrolls the child will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments. Please note: the main parent must grant permission to the secondary parent/guardian listed to have full access to participants enrollment status, access to change information, and schedule status.

### DISCIPLINE POLICY

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

### HOMEWORK POLICY

There is 30 minutes of scheduled quiet time each day for homework. Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework. The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

### NEWSLETTER AND ACTIVITY CALENDAR

A bi-weekly newsletter and activity calendar are available at your child's site and online at [genevaparks.org](http://genevaparks.org).

### EXTRACURRICULAR AFTER SCHOOL ACTIVITIES

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

## Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a Request to Administer Medication form. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

## Class Descriptions

### Toddling Turtles: 18 months to 2 years

Toddling turtles is a "parent & child class" designed as an entry level class. Our curriculum helps children develop confidence and important basic skills. These youngsters work on developing listening skills and improving eye, hand, and foot coordination. They also work on association counting, rhythm, color and shape recognition with movement while in a safe and fun environment.

### Bouncing Bears: 3-5 years

These entry level classes provide children with a solid foundation for all sports. During classes "bears" classes work on improving eye-hand and eye-foot coordination, color and shape recognition, counting, rhythmic, team work and sharing. Coaches will monitor the progress of each participant with our skills chart system. These little athletes will learn skills, actions, terminology, strength, and flexibility.

### Tumbling Tigers: 3-5 years

Previous experience is required for this class. Tumbling tiger classes are designed as more advanced level classes for children between 3 years and 5 years. During classes our "tigers" are challenged with more complex and refined movements, as well as skills which require strong basics, strength and flexibility. Coaches will monitor the progress of each participant with our skills chart system. These little athletes will learn more advanced skills, actions, terminology, strength, and flexibility.

### Kindergymnastics: 6+

## Pickleball Leagues

Pickleball leagues will be played round robin style. In the time allocated to each round robin league (2 hours) six games will be played, each with a different partner and against a different pair of opponents.

There are 3 leagues; Beginner, Intermediate and Competitive:

- Beginner:** A player that has just started to play pickleball. Has limited experience and is continuing to learn as they play.
- Intermediate:** A player who knows the format, had more consistent serves and returns, demonstrates improved skills with all basic shot strokes and placement, but lacks control with trying for direction, depth or power.
- Competitive:** A player should display consistent and dependable strokes, including directional control and depth on both forehand and backhand shots. Reliable serves, lobs, overheads, approach shots and volleys and can use spin shots with some success. Players should demonstrate 3rd shot strategies and drop shots. Competitive players also have a full understanding of the rules. The competitive league is structured for players who know the game and possess a higher skill level.

### GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS

The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

### WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

### WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s)/activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the program(s)/activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred to as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature. **PARTICIPATION WILL BE DENIED If the signature of adult participant or parent/guardian and date are not on this waiver.**

**PHOTO/VIDEO DISCLAIMER:** All participants permit the taking of photos and/or videos of themselves and their child/ward during Park District activities, programs, events, and use of parks and facilities for publication and use as the Park District deems necessary in marketing materials and social media avenues. If you and/or your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

## Behavior Policy

In order to maintain a safe and enjoyable environment, a strict discipline policy has been adopted for all Geneva Park District programs. The following policies are designed to preserve a healthy program experience for all concerned. The following infractions will constitute utilization of the discipline system that follows under Discipline Procedures.

## Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

### 1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

### 2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

## Errors/Typos in Brochure

Though we try our best, due to the large amount of information available in the Geneva Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, [genevaparks.org](http://genevaparks.org), as current as possible. Thank you for your patience and understanding.

## Fit For Kids

Fit For Kids is a county-wide initiative to build a culture of wellness by providing easy and safe access to affordable physical activity where people live, work, and play. The Geneva Park District, along with Kane County, proudly support the Fit for Kids initiative. Each season we provide over 3,000 recreational programs for kids of all ages.

## Non-Sufficient Funds

There will be a \$25 charge per check or checking account that is returned with non-sufficient funds.

## Payment/Pro-rating

Participants will not be registered for programs without payment. Program fees will not be pro-rated for late enrollment.

## Photo/Video Disclaimer

All participants permit the taking of photos and/or video of themselves and their children at Park District activities, programs, events, and facilities for publication and use as the Park District deems necessary in all marketing materials and social media avenues. If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

## Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

## Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

# GENERAL POLICIES

## Receipts

We send registration confirmations via email! Please ensure that we have your current email address on file. Your email receipt will act as the only form of confirmation for your registration. If we encounter a problem with your registration, you will receive a phone call.

## Refund Policy

1. An Application for Refund form must be submitted for all refunds. Refund requests must be submitted 10 business days prior to the first class meeting date.
2. All refund requests will be assessed a service charge of \$3 or 10%, whichever is less, with a minimum charge of \$1.
3. The Refund Policy does not apply to: "non-refundable" trip tickets, unless the Park District is able to resell tickets; Preschool Program deposits, unless the class space can be filled prior to the start of the program; contracted classes, unless a replacement can be found. Refunds will not be granted for Fitness Memberships for any reason after one month from the start date. Pool passes are non-refundable. Kidz Korral punch cards and memberships are non-refundable. Kids' Zone registration fee is non-refundable. No refunds or makeup classes will be granted for unattended classes. ## Residency

Residency of the Geneva Park District is defined by financial contributions through property taxes for the operation of the park district. Boundaries of the Geneva Park District and the City of Geneva are not exactly the same. If you are uncertain whether you qualify as a Geneva Park District resident, please check your current property tax bill. Proof of residency in the form of a current tax bill or utility bill may be required during program registration. Geneva Park District residents are given first priority for program registration.

## Do you know about our Scholarship Program?

The Geneva Park District offers a Scholarship Program for those who qualify for financial assistance. Applicants who qualify for financial assistance may receive partial or full program scholarships for Geneva Park District programs. Those who apply will be required to complete an application listing current finances.

**For information, please contact 630-232-4542.**

## Special Accommodations/ADA Compliance

The Geneva Park District encourages participation by everyone and intends to comply with the Americans with Disabilities Act (ADA). If you or a family member have special needs and would like to participate in a program, the Park District will make reasonable accommodations and/or modifications.

Please indicate on the registration form any accommodations you may need to participate prior to the start of the program. The Geneva Park District is a member of Fox Valley Special Recreation Association and works collaboratively to provide reasonable accommodations which can include: observation in the program, staff training, additional personnel or sign language interpreter, and adapted equipment. For information, please contact 630-232-4542.

## Waiting List

Since all of our programs have registration limits, we cannot guarantee your enrollment. The Geneva Park District maintains waiting lists for programs that have reached their maximum registration. Placement on a waiting list is encouraged. Individuals placed on a waiting list will be contacted if any additional program space becomes available.

## Waiver Form

The Park District is unable to assume responsibility for injuries or accidents occurring at programs, activities, parks, and facilities. Such insurance would make program user fees prohibitive. The Insurance Liability Waiver section of the registration form must be signed when registering yourself or your minor child to participate in Geneva Park District programs. Participation will be denied if the signature of an adult participant or parent/guardian and date are not on this waiver.

## Weather Cancellation Policy /

Geneva Park District Weather Policy stipulates that all Geneva Park District programs will be cancelled if Geneva School District 304 cancels school for the FULL day. Partial school closures or late starts will result in the Geneva Park District making day-of determinations and contacting all participants in the event of any class cancellations. Major weather cancellations/closures of all Geneva Park District programs can be seen at [emergencyclosingcenter.com](http://emergencyclosingcenter.com), [genevaparks.org](http://genevaparks.org), and on the Geneva Park District Facebook page and through the Rainout app.

## TRI-CITIES SOCCER

---

### TEAM • COMMUNITY • SUCCESS

The Tri-Cities Soccer Association (TCSA) was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families two levels of participation: RECREATIONAL and CLASSIC.

Get started in early childhood by joining our HAND IN HAND program, TCSA's pre-school recreational program for 4-5 year old participants. RECREATIONAL team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.
