Dear Friends of the Geneva Park District:

It is with great enthusiasm that we share this letter with you. Throughout the Fox River Valley, we are fortunate to be connected in a way that allows us to explore and use so many parks and their facilities. To grow and improve the integrity of our parks, the Geneva Park District needs your help. As the philanthropic arm of the Park District, it is our mission to improve the quality of life for all residents in the Geneva Park District by securing donations and funds for open space, parks, and recreational facilities. Through your generous giving, we have been fortunate to support projects that go beyond the scope of the Park District's annual budget.

Some of the largest commitments so far include the addition of Hawks Hollow Nature Playground at Peck Farm Park, as well as Foundation Park located at the Stephen D. Persinger Recreation Center.

**Currently, we are considering the following improvements for 2024:**

- Butterfly House renovations at Peck Farm Park
- Renewable energy opportunities
- Additional trees throughout the district

Your tax-deductible donation will help make these projects a reality. As a permanent thank you, an engraved foundation stone, acorn, or leaf will be displayed on our Geneva Park District "Giving Tree" to acknowledge your generous support. For those of you who have supported us in previous years, your donation will be added to the current engraving. All donors will be honored with a thank you by donation level in the Geneva Park District's seasonal brochure.

**The levels of support for the Giving Tree are:**

- Founder \$2,500 or more will be acknowledged with a foundation stone
- Benefactor \$1,000 or more will be acknowledged with an acorn
- Partner \$500 or more will be acknowledged with a leaf
- Sponsor \$250 or more will be acknowledged with a leaf
- Friend \$100 or more will be acknowledged with a leaf

To make your donation, please use the Pledge Form on the back of this letter or scan the QR code below to make a secure donation online. Thank you in advance for your support and commitment to keeping our community beautiful.

Sincerely,

*Jim Lynch*

Another example of your Foundation working hard to make our parks even better!
