Kids' Zone Before & After School Program

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment.

Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to rotate through different activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. Kids' Zone is available before school from 6:30-8am and after school from 2:15-6:00pm.

Kids' Zone is a cooperative program between the Geneva School District and the Park District and is available to students in grades K-5 attending Fabyan, Harrison, Heartland, Mill Creek, Western and Williamsburg Elementary Schools.

DISCIPLINE POLICY

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

HOMEWORK POLICY

There is 30 minutes of scheduled quiet time each day for homework. Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework. The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

NEWSLETTER AND ACTIVITY CALENDAR

A bi-weekly newsletter and activity calendar are available at your child's site and online at genevaparks.org.

EXTRACURRICULAR AFTER SCHOOL ACTIVITIES

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a Request to Administer Medication form. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

Adult Pickleball Leagues

Pickleball leagues will be played round robin style. In the time allocated to each round robin league (2 hours) six games will be played, each with a different partner and against a different pair of opponents.

There are 3 leagues; Beginner, Intermediate and Competitive:

- **Beginner:** A player that has just started to play pickleball. Has limited experience and is continuing to learn as they play.
- **Intermediate:** A player who knows the format, had more consistent serves and returns, demonstrates improved skills with all basic shot strokes and placement, but lacks control with trying for direction, depth or power.
- **Competitive:** A player should display consistent and dependable strokes, including directional control and depth on both forehand and backhand shots. Reliable serves, lobs, overheads, approach shots and volleys and can use spin shots with some success. Players should demonstrate 3rd

shot strategies and drop shots. Competitive players also have a full understanding of the rules.

The competitive league is structured for players who know the game and possess a higher skill level.

General Policies

Age Requirements

When age limitations exist, proof of age (such as a birth certificate) may be required. Participants must be the minimum age required for the program by the first day of the program unless otherwise stated. Children are not allowed in adult programs and vice-versa. Siblings of children not registered for a program are not allowed to attend without expressed permission by the instructor. Adults may observe children's programs at the discretion of the instructor.

Behavior Policy

In order to maintain a safe and enjoyable environment, a strict discipline policy has been adopted for all Geneva Park District programs. The following policies are designed to preserve a healthy program experience for all concerned. The following infractions will constitute utilization of the discipline system that follows under Discipline Procedures.

- Harming oneself such as, but not limited to:**
 - Leaving grounds without permission
 - Leaving designated group without permission
 - Climbing on objects that are not recommended by staff
 - Physical damage to self
 - Possession, use, or transfer of alcohol, illegal drugs, tobacco or tobacco products
- Harming others such as, but not limited to:**
 - Fighting
 - Throwing objects at or near others
 - Bringing or using weapons, i.e. knives, glass, sharp objects, etc.
 - Hitting, kicking or biting others
 - Extreme verbal abuse
 - Profanity
 - Showing disrespect to other participants and staff
 - Other aggressive behavior
- Damage to property**
 - Vandalism
 - Tantrums resulting in damage to property
 - Breaking, damaging or destroying property
- Theft**
 - Taking any item that does not belong to the child

Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the

participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

Errors/Typos in Brochure

Though we try our best, due to the large amount of information available in the Geneva Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, genevaparks.org, as current as possible. Thank you for your patience and understanding.

Fit For Kids

Fit For Kids is a county-wide initiative to build a culture of wellness by providing easy and safe access to affordable physical activity where people live, work, and play. The Geneva Park District, along with Kane County, proudly support the Fit for Kids initiative. Each season we provide over 3,000 recreational programs for kids of all ages.

Non-Sufficient Funds

There will be a \$25 charge per check or checking account that is returned with non-sufficient funds.

Payment/Pro-rating

Participants will not be registered for programs without payment. Program fees will not be pro-rated for late enrollment.

Photo/Video Disclaimer

All participants permit the taking of photos and/or video of themselves and their children at Park District activities, programs, events, and facilities for publication and use as the Park District deems necessary in all marketing materials and social media avenues. If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

Receipts

We send registration confirmations via email! Please ensure that we have your current email address on file. Your email receipt will act as the only form of confirmation for your registration. If we encounter a problem with your registration, you will receive a phone call.

Refund Policy

1. An Application for Refund form must be submitted for all refunds. Refund requests must be submitted 10 business days prior to the first class meeting date.
2. All refund requests will be assessed a service charge of \$3 or 10%, whichever is less, with a minimum charge of \$1.
3. The Refund Policy does not apply to: "non-refundable" trip tickets, unless the Park District is able to resell tickets; Preschool Program deposits, unless the class space can be filled prior to the start of the program; contracted classes, unless a replacement can be found. Refunds will not be granted for Fitness Memberships for any reason after one month from the start date. Pool passes are non-refundable. Kids' Zone registration fee is non-refundable. No refunds or makeup classes will be granted for unattended classes. Geneva Park District has the right to review and make the final decisions on all refunds.

Register to Vote

You may register to vote at either Sunset Community Center, 710 Western Avenue, or Stephen D. Persinger Recreation Center (SPRC), 3507 Kaneville Road. Registrars are generally available Monday-Friday: 8:30am - 5:00pm, but please call 630-232-4542 or 630-232-4501 to confirm availability.

Residency

Residency of the Geneva Park District is defined by financial contributions through property taxes for the operation of the park district. Boundaries of the Geneva Park District and the City of Geneva are not exactly the same. If you are uncertain whether you qualify as a Geneva Park District resident, please check your current property tax bill. Proof of residency in the form of a current tax bill or utility bill may be required during program registration. Geneva Park District residents are given first priority for program registration.

Do you know about our Scholarship Program?

The Geneva Park District offers a Scholarship Program for those who qualify for financial assistance. Applicants who qualify for financial assistance may receive partial or full program scholarships for Geneva Park District programs. Those who apply will be required to complete an application listing current finances.

For information, please contact 630-232-4542.

Special Accommodations/ADA Compliance

The Geneva Park District encourages participation by everyone and intends to comply with the Americans with Disabilities Act (ADA). If you or a family member have special needs and would like to participate in a program, the Park District will make reasonable accommodations and/or modifications.

Geneva Park District works collaboratively with the Fox Valley Special Recreation Association (FVSRA) to provide reasonable modifications for individuals with disabilities who need assistance to participate successfully in programs. Please list the names of participants requesting inclusion services on your registration form and contact 630-232-4542 or email inclusion@genevaparks.com. To provide the best customer service, we ask for at least two weeks' notice prior to the start of the program.

Waiting List

Since all of our programs have registration limits, we cannot guarantee your enrollment. The Geneva Park District maintains waiting lists for programs that have reached their maximum registration. Placement on a waiting list is encouraged. Individuals placed on a waiting list will be contacted if any additional program space becomes available.

Waiver Form

The Park District is unable to assume responsibility for injuries or accidents occurring at programs, activities, parks, and facilities. Such insurance would make program user fees prohibitive. The Insurance Liability Waiver section of the registration form must be signed when registering yourself or your minor child to participate in Geneva Park District programs. Participation will be denied if the signature of an adult participant or parent/guardian and date are not on this waiver.

Weather Cancellation Policy /

Geneva Park District Weather Policy stipulates that all Geneva Park District programs will be cancelled if Geneva School District 304 cancels school for the FULL day. Partial school closures or late starts will result in the Geneva Park District making day-of determinations and contacting all participants in the event of any class cancellations. Major weather cancellations/closures of all Geneva Park District programs can be seen at genevaparks.org, on the Geneva Park District Facebook page and through the Rainout app.

 For field conditions, ice rink status and more, please download the Rainout Line Mobile App, or call the Rainout Line at 630-206-1174. For All Star Sports classes, please call the All Star Sports weather hotline at 630-584-2961. Visit the *Weather Corner* section of our website.

TRI-CITIES SOCCER

TEAM • COMMUNITY • SUCCESS

The Tri-Cities Soccer Association (TCSA) was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families two levels of participation: RECREATIONAL and CLASSIC.

Get started in early childhood by joining our HAND IN HAND program, TCSA's pre-school recreational program for 4-5 year old participants. RECREATIONAL team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.
