PRESIDENT'S MESSAGE 2023

This past year, we saw an emergence from many challenges presented by the pandemic and are looking ahead with optimism for our operations and services. Some of the highlights from this past year include:

- The district received a \$600,000 OSLAD grant from the State of Illinois for improvements to Mill Creek Community Park.
- Safely completed the demolition of the residence on the former Peterson property located adjacent to the Geneva Middle School. The park district and board are discussing potential uses for the property and existing outbuilding.
- Our Aquatics staff received three 5-star audit ratings for their efforts at Sunset Pool and Mill Creek Pool last year, marking their 7th consecutive 5-Star Rating.
- The South Street Athletic Fields were renamed the Sam Hill Athletic Fields to honor the long time Geneva Park District commissioner and foundation member, Geneva alderman, and friend to many.
- The Government Finance Officers Association (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Geneva Park District for its Annual Comprehensive Financial Report. ***This is the 11th year the park district has received this prestigious award!***
- We partnered with the City of Geneva's Geneva Natural Resources Committee, Geneva Library Foundation and the Geneva Park District Foundation for the Wine, Cheese and Trees annual fundraiser – the most successful event of its kind with more than 350 attendees.
- The Geneva Park District completed its first community survey since 2016. Results will be reviewed and recommendations provided will be considered for implementation.
- The board approved a resolution to adopt the Dark Skies Initiative, changing the way the Geneva Park District illuminates our fields and facilities in an effort to reduce the environmental impacts to birds and insects from improper lighting.

In December we bid farewell to long-time Geneva Park District Executive Director and good friend Sheavoun Lambillote, who served the park district for 23 years, including 13 years as Executive Director. The Geneva Park District and Board of Commissioners wish her and her family all the best. Nicole Vickers, who previously

served as Superintendent of Recreation for the past 10 years, was unanimously selected by the Board of Commissioners to take on the role of Executive Director. As anticipated, she hit the ground running and has not slowed down. Elliot Bortner was also promoted to the role of Superintendent of Recreation. Finally, we said farewell to Board Commissioner Pat Lenski after more than 10 years on the board and welcome newly elected commissioner, Doug Jones.

Some of the improvements made to our facilities over this past year include, but are not limited to:

- Received approval from the ACOE for removal and replacement of the Old Mill Park observation deck over the Fox River. Work started in summer of 2023.
- Completed ballfield improvements at Mill Creek Park that enhance playability and drainage.
- Playground equipment replacement to Sandholm, Jaycee and Dryden Parks and the renovation of Garden Club Park.
- Improvements to the drainage on Island Park were completed.
- Former Dryden Park playground equipment was gifted to Kids Around the World outreach, where it found a home for children in Los Pajules, Dominican Republic.

As always, staff went above and beyond providing exemplary customer service across all facilities within the park district and continue to exemplify our Core Values: ***Customer Commitment; Responsible Leadership; Fiscal Responsibility; Safety; Community Collaboration; and Innovation Stewardship & Sustainability.***

I am proud to be a part of the Geneva Park District and working alongside the dedicated staff. I would also like to thank our wonderful community for its support of the Geneva Park District.

Sincerely,
John A. Frankenthal
President
Board of Commissioners

Using a creative educational approach that supports Science, Technology, Engineering and Math (STEM), this class uses teacher-led instruction followed by fun, engaging, and dynamic activities. Students are introduced to basic robotics and mechanical engineering concepts by building and coding a different project each week. Creative challenges are given to students as they progress through levels. The Robotics Academy is a repeatable program where children are placed based on skill and experience. Students move up a level each time they take the class in order to take on more advanced concepts and activities. A basic knowledge of using a computer is recommended.

KIDS' ZONE BEFORE & AFTER SCHOOL PROGRAM

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment.

Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to rotate through different activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. Kids' Zone is available before school from 6:30 - 8:00am and after school from 2:15 - 6:00pm.

Kids' Zone is a cooperative program between the Geneva School District and the Park District and is available to students in grades K-5 attending Fabyan, Harrison, Heartland, Mill Creek, Western and Williamsburg Elementary Schools.

Questions about the program? Visit genevaparks.org/KZ or call 630-232-4542.

KIDS' ZONE BEFORE & AFTER SCHOOL PROGRAM

2023-24 Kids' Zone Parent Information

The main parent/guardian who enrolls the child will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments. Please note: the main parent/guardian must grant permission to the secondary parent/guardian listed to have full access to participants enrollment status, access to change information, and schedule status.

DISCIPLINE POLICY

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

HOMEWORK POLICY

There is 30 minutes of scheduled quiet time each day for homework. Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework. The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

NEWSLETTER AND ACTIVITY CALENDAR

A bi-weekly newsletter and activity calendar are available at your child's site and online at genevaparks.org.

EXTRACURRICULAR AFTER SCHOOL ACTIVITIES

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a Request to Administer Medication form. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

Pickleball Leagues

Pickleball leagues will be played round robin style. In the time allocated to each round robin league (2 hours) six games will be played, each with a different partner and against a different pair of opponents.

There are 3 leagues; Beginner, Intermediate and Competitive:

- Beginner:** A player that has just started to play pickleball. Has limited experience and is continuing to learn as they play.
- Intermediate:** A player who knows the format, had more consistent serves and returns, demonstrates improved skills with all basic shot strokes and placement, but lacks control with trying for direction, depth or power.
- Competitive:** A player should display consistent and dependable strokes, including directional control and depth on both forehand and backhand shots. Reliable serves, lobs, overheads, approach shots and volleys and can use spin shots with some success. Players should demonstrate 3rd shot strategies and drop shots. Competitive players also have a full understanding of the rules. The competitive league is structured for players who know the game and possess a higher skill level.

GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS

The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s)/activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the program(s)/activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred to as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering on-line or via fax, my on-line or facsimile signature shall substitute for and have the same legal effect as an original form signature. **PARTICIPATION WILL BE DENIED If the signature of adult participant or parent/guardian and date are not on this waiver.**

PHOTO/VIDEO DISCLAIMER: All participants permit the taking of photos and/or videos of themselves and their child/ward during Park District activities, programs, events, and use of parks and facilities for publication and use as the Park District deems necessary in marketing materials and social media avenues. If you and/or your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Behavior Policy

In order to maintain a safe and enjoyable environment, a strict discipline policy has been adopted for all Geneva Park District programs. The following policies are designed to preserve a healthy program experience for all concerned. The following infractions will constitute utilization of the discipline system that follows under Discipline Procedures.

Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

Errors/Typos in Brochure

Though we try our best, due to the large amount of information available in the Geneva Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, genevaparks.org, as current as possible. Thank you for your patience and understanding.

Fit For Kids

Fit For Kids is a county-wide initiative to build a culture of wellness by providing easy and safe access to affordable physical activity where people live, work, and play. The Geneva Park District, along with Kane County, proudly support the Fit for Kids initiative. Each season we provide over 3,000 recreational programs for kids of all ages.

Non-Sufficient Funds

There will be a \$25 charge per check or checking account that is returned with non-sufficient funds.

Payment/Pro-rating

Participants will not be registered for programs without payment. Program fees will not be pro-rated for late enrollment.

Photo/Video Disclaimer

All participants permit the taking of photos and/or video of themselves and their children at Park District activities, programs, events, and facilities for publication and use as the Park District deems necessary in all marketing materials and social media avenues. If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

GENERAL POLICIES

Refunds will not be granted for Fitness Memberships for any reason after one month from the start date. Pool passes are non-refundable. Kids' Zone registration fee is non-refundable. Residency

Residency of the Geneva Park District is defined by financial contributions through property taxes for the operation of the park district. Boundaries of the Geneva Park District and the City of Geneva are not exactly the same. If you are uncertain whether you qualify as a Geneva Park District resident, please check your current property tax bill. Proof of residency in the form of a current tax bill or utility bill may be required during program registration. Geneva Park District residents are given first priority for program registration.

Special Accommodations/ADA Compliance

The Geneva Park District encourages participation by everyone and intends to comply with the Americans with Disabilities Act (ADA). If you or a family member have special needs and would like to participate in a program, the Park District will make reasonable accommodations and/or modifications.

Please indicate on the registration form any accommodations you may need to participate prior to the start of the program. For information, please contact 630-232-4542.

Waiting List

Since all of our programs have registration limits, we cannot guarantee your enrollment. The Geneva Park District maintains waiting lists for programs that have reached their maximum registration. Placement on a waiting list is encouraged. Individuals placed on a waiting list will be contacted if any additional program space becomes available.

Waiver Form

The Park District is unable to assume responsibility for injuries or accidents occurring at programs, activities, parks, and facilities. Such insurance would make program user fees prohibitive. The Insurance Liability Waiver section of the registration form must be signed when registering yourself or your minor child to participate in Geneva Park District programs. Participation will be denied if the signature of an adult participant or parent/guardian and date are not on this waiver.

Weather Cancellation Policy /

Geneva Park District Weather Policy stipulates that all Geneva Park District programs will be cancelled if Geneva School District 304 cancels school for the FULL day. Partial school closures or late starts will result in the Geneva Park District making day-of determinations and contacting all participants in the event of any class cancellations. Major weather cancellations/closures of all Geneva Park District programs can be seen at genevaparks.org, on the Geneva Park District Facebook page and through the Rainout app.

TRI-CITIES SOCCER

TEAM • COMMUNITY • SUCCESS

The Tri-Cities Soccer Association (TCSA) was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families two levels of participation: RECREATIONAL and CLASSIC.

Get started in early childhood by joining our HAND IN HAND program, TCSA's pre-school recreational program for 4-5 year old participants. RECREATIONAL team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.
