

Fun STEMs from Science CAMP

July 24-27 • 9:00am-12pm • SPRC

NOTES FROM THE COORDINATOR

Welcome to Fun STEMs from Science camp. We are looking forward to testing theories and learning how and why things work the way they do. This week we will be working with different types of materials.

There will be a snack break each day. Please send an allergy aware snack and water bottle each day as we will go outside for a brain break weather permitting. It is also recommended that the children come with sunscreen on each day as some of our experiments will need to be done outside.

Please note that some of the experiments could get a little messy so please have the children wear clothing that they will not be upset over if it does get a little dirty.

Kristen Crawford
Unique Camp Coordinator

THINGS TO REMEMBER...

- Please **ALWAYS** have your ID ready when picking up your child! Only individuals listed on the camper's ePact account can pick-up campers.
- Please make sure your child brings a morning snack with them every day (it must be nut free!) along with a water bottle.
- To camp, your child should wear:
 - Sunscreen / Bug Spray
 - Gyms Shoes and Socks
 - Active Wear

If you wish to sign-up for more camps, please visit our website at www.genevaparks.com

UNIQUE CAMPS

Our unique camps offer kids not only the chance to meet new friends, but are designed to meet their recreational and social needs by keeping them active all summer with a variety of field trips, pool fun, water activities, sports, and crafts all based on weekly themes.

Please note: each camper is to bring their own backpack, water bottle, snack, sunscreen and gym shoes with socks each day.

Visit Unique Camp online at www.genevaparks.org for program fees, forms, newsletters, activity calendars and more. For questions or more information, contact 630-232-4542.

This Week at a Glance:

MONDAY	7/24	TUESDAY	7/25	WEDNESDAY	7/26	THURSDAY	7/27	FRIDAY	7/28
Activities:		Activities:		Activities:		Activities:		Activities:	
-Crack the code -Walking Rainbow -Colored Flowers -Zoology Tag -Glass and Candle		-Crack the code -Lava lamps -Exploding sidewalk chalk -Meteorology dodgeball -Dancing popcorn		-Crack the code -Skittles Rainbow -CD spinning tops -Astronomy protectors -Elephant toothpaste		-Crack the code -Volcano -Lemon juice writing -Exploring finger prints -Paleontology chase -Coke and mentos		NO CAMP
