FABYAN NEWS

Hello Fabyan Families!

Happy sunny days are here! As we make our way to the end of the school year we continue to have a blast with the children. The last two weeks included Nature week and Science week. The next two themes are: Sports week and Star Wars week.

Nature week we spent our physical play outside in the beautiful weather. We used our creative minds and painted friendship rocks, made toilet roll frogs, animal masks, bottle fireflies, rainbows and clouds. We also had our final library visit of the year. Science week brought us several messy activities such as: a bubbling fizzy volcano, bouncing bubbles, soda geyser, and a lava lamp.

Sports week focuses on different sports game as well as a few crafts. The children will be using a variety of skills as we move our bodies all week. Star Wars week we are off into space. We hope to meet up with Chewy, Darth Vader, R2D2, and Baby Yoda on our trip.

Just a few friendly reminders as we wrap up an unpredictable April. Please send an allergy aware snack and refillable water bottle each day. Also please remember to have the participants dress accordingly as we will be both creative and active each day. As the weather begins to change please have your child bring appropriate outside wear for the temperatures. Please also label the participants belongings as it is extremely helpful when trying to help the children keep track of their things.

If you have any questions please feel free to call or e-mail. If your participant(s) will be absent from Kids' Zone or going home in another way please email both the school and Kids' Zone to let us know of the change.
