## Rainout Line

Check field and ice rink status. Download the Rainout Line mobile app, visit [genevaparks.org](http://genevaparks.org) and click on Weather Corner, or call 630-206-1174.

**For additional program location information, turn to page 92**

**For Park & Facility map, turn to page 91.**

## Outdoor Ice Rink Information

The outdoor ice rinks are located near the Wheeler Park Maintenance Facility, 410 Wheeler Drive and in the grassy area next to Mill Creek Pool, 39W125 S. Mill Creek Drive.

There will be two sheets of ice, one dedicated for general skating and one for hockey at Wheeler Park and an additional outdoor ice skating rink at Mill Creek Pool.

### Special Reminders:

- Use of the rinks is free.
- All ice rinks are weather permitting.
- Bring your own skates (rentals are not available).
- Parking is available at both locations.

### Directions:

To Wheeler Park - From Rt. 31, turn west on Stevens Street (South of Stone Creek Miniature Golf), and right on Wheeler Drive (just past the cemetery).

To Mill Creek Pool - From Fabyan Parkway, turn south onto South Mill Creek Drive, and turn left into Mill Creek Pool Parking lot, ice rink will be located to the right of the pool.

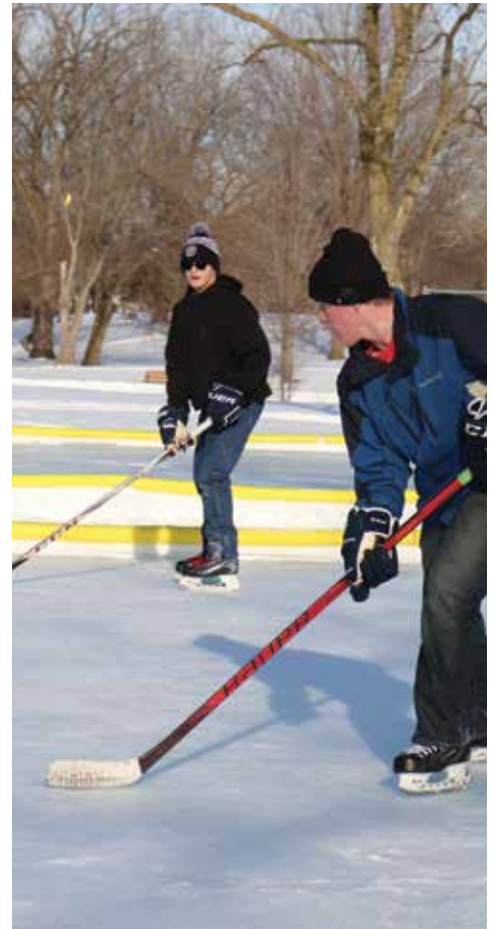

## Ice Rink Status

In order for the appropriate amount of ice to be prepared, the temperature has to remain at 20 degrees or below for at least 48 hours. Once we have reached those ideal conditions, the process of forming ice will begin and the enjoyment of skating will follow. Thank you for your patience.

Colored flags will be attached to the rink fences indicating the rink status. A green flag means the rink is open for skating; a yellow flag means the rinks are open, but please use caution; a red flag means that the rink is closed and skating is not permitted.

For Ice Rink Status, download the Rainout Line mobile app, visit [genevaparks.org](http://genevaparks.org) and click on Weather Corner, or call 630-206-1174

Gardeners are responsible for the maintenance of their garden plot. Gardens will be checked periodically for maintenance. If a garden appears to need attention, gardeners will be notified by email and phone.

The Community Gardens at Prairie Green are a cooperative partnership between the Geneva Park District, City of Geneva, and Forest Preserve District of Kane County.

### **Benefits of Community Gardens**

# Kids' Zone Before & After School Program

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment.

Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to rotate through different activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. ## 2024-25 Kids' Zone Parent/Guardian Information

The main parent/guardian who enrolls the child will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments. Please note: the main parent/guardian must grant permission to the secondary parent/guardian listed to have full access to participant's enrollment status, access to change information, and schedule status.

### DISCIPLINE POLICY

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

### HOMEWORK POLICY

There is 30 minutes of scheduled quiet time each day for homework. Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework. The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

### NEWSLETTER AND ACTIVITY CALENDAR

A bi-weekly newsletter and activity calendar are available at your child's site and online at [genevaparks.org](http://genevaparks.org).

### EXTRACURRICULAR AFTER SCHOOL ACTIVITIES

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

## Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a Request to Administer Medication form. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

Four bold and beautiful women lose their heads in this irreverent, girl-powered comedy set during the French Revolution's Reign of Terror. Playwright Olympe de Gouges, assassin Charlotte Corday, former queen (and fan of ribbons) Marie Antoinette, and Haitian rebel Marianne Angelle hang out, murder Marat, and try to beat back the extremist insanity in 1793 Paris. This grand and dream-tweaked comedy is about violence and legacy, art and activism, feminism and terrorism, compatriots and chosen sisters, and how we actually go about changing the world. It's a true story. Or total fiction. Or a play about a play. Or a raucous resurrection...that ends in a song and a scaffold.

All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

## Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

## Residency

Residency of the Geneva Park District is defined by financial contributions through property taxes for the operation of the park district. Boundaries of the Geneva Park District and the City of Geneva are not exactly the same. If you are uncertain whether you qualify as a Geneva Park District resident, please check your current property tax bill. Proof of residency in the form of a current tax bill or utility bill may be required during program registration. Geneva Park District residents are given first priority for program registration.

### Do you know about our Scholarship Program?

The Geneva Park District offers a Scholarship Program for those who qualify for financial assistance. Applicants who qualify for financial assistance may receive partial or full program scholarships for Geneva Park District programs. Those who apply will be required to complete an application listing current finances.

**For information, please contact 630-232-4542.**

## Special Accommodations/ADA Compliance

The Geneva Park District encourages participation by everyone and intends to comply with the Americans with Disabilities Act (ADA). If you or a family member have special needs and would like to participate in a program, the Park District will make reasonable accommodations and/or modifications.

Geneva Park District works collaboratively with the Fox Valley Special Recreation Association (FVSRA) to provide reasonable modifications for individuals with disabilities who need assistance to participate successfully in programs. Please list the names of participants requesting inclusion services on your registration form and contact 630-232-4542 or email [inclusion@genevaparks.com](mailto:inclusion@genevaparks.com). To provide the best customer service, we ask for at least two weeks' notice prior to the start of the program.

## Waiting List

Since all of our programs have registration limits, we cannot guarantee your enrollment. The Geneva Park District maintains waiting lists for programs that have reached their maximum registration. Placement on a waiting list is encouraged. Individuals placed on a waiting list will be contacted if any additional program space becomes available.

## Waiver Form

The Park District is unable to assume responsibility for injuries or accidents occurring at programs, activities, parks, and facilities. Such insurance would make program user fees prohibitive. The Insurance Liability Waiver section of the registration form must be signed when registering yourself or your minor child to participate in Geneva Park District programs. Participation will be denied if the signature of an adult participant or parent/guardian and date are not on this waiver.

## Weather Cancellation Policy /

Geneva Park District Weather Policy stipulates that all Geneva Park District programs will be cancelled if Geneva School District 304 cancels school for the FULL day. Partial school closures or late starts will result in the Geneva Park District making day-of determinations and contacting all participants in the event of any class cancellations. Major weather cancellations/closures of all Geneva Park District programs can be seen at [genevaparks.org](http://genevaparks.org), on the Geneva Park District Facebook page and through the Rainout app.

## TRI-CITIES SOCCER

TEAM • COMMUNITY • SUCCESS

The Tri-Cities Soccer Association (TCSA) was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families two levels of participation: RECREATIONAL and CLASSIC.

Get started in early childhood by joining our HAND IN HAND program, TCSA's pre-school recreational program for 4-5 year old participants. RECREATIONAL team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.
