Inclusion Service for People with Disabilities

The Geneva Park District works collaboratively with Fox Valley Special Recreation Association (FVSRA) to provide reasonable modifications for individuals with disabilities who need assistance to participate successfully in programs. Modifications are determined in cooperation with FVSRA and the Park District and may include a combination of additional training to park district staff, program adaptations, the use of modified equipment, and when necessary, additional staff support. Lack of communication may adversely affect the Park District's ability to accommodate the needs of your child. Please list the names of participants requesting inclusion services on your registration form and contact 630-232-4542 or email inclusion@genevaparks.com. To provide the best customer service, we ask for at least two weeks' notice prior to the start of the program to coordinate modifications. Participation may be delayed for requests received after that time frame.

Tax Information

The Geneva Park District tax identification number is 36-600-8378. Please contact Deb Davison at ddavison@genevaparks.com with any tax questions.

Why Choose Friendship Station Preschool?

"The staff at Friendship Station are incredibly kind and knowledgeable; they knew just what my little guy needed to get preschool off to a great start. He has matured so much through learning from his teacher and his friends there. When I volunteer, I can see the nurturing, respectful, and overall fun environment at school and I know why he comes home with a smile!"

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment.

Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to rotate through different activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Kids' Zone Before & After School Program

2025-26 Kids' Zone Parent/Guardian Information

The main parent/guardian who enrolls the child will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments. Please note: the main parent/guardian must grant permission to the secondary parent/guardian listed to have full access to participant's enrollment status, access to change information, and schedule status.

DISCIPLINE POLICY

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

HOMEWORK POLICY

There is 30 minutes of scheduled quiet time each day for homework. Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework. The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

NEWSLETTER AND ACTIVITY CALENDAR

A bi-weekly newsletter and activity calendar are available at your child's site and online at genevaparks.org.

EXTRACURRICULAR AFTER SCHOOL ACTIVITIES

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a Request to Administer Medication form. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

All Star Sports - At a Glance

All Star Sports Instruction Philosophy

Our instructors believe in passing on the knowledge and skills they have learned from playing and coaching by providing a fun, safe, and structured learning environment. For class descriptions and weather cancellations, please visit allstarsi.com.

Jr. Programs

These programs are designed to keep everyone actively moving, thinking and having fun. Drills are hidden in fun games and terminology that kids can understand. Teamwork and sportsmanship are a large part of these programs. Our goals are to make sure that each child has a positive experience as we help them fuel the passion for their desired sport and get them started in the right direction.

Jr. Skills Programs

These programs will be coached by a certified All Star sport specific trainer with a speed & agility component powered by Ethos 360 Performance Training. Our goal is to add layers to each athlete's basic foundation and to further advance their knowledge and enhance their skill set so that they can compete for travel, club level, or high school positions. All Skills programs will include conditioning with sport specific drills that will be modified according to each child's age or ability. Athletes will learn to compete and handle the pressures of competition by being introduced to game and performance situations.

GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS

IMPORTANT INFORMATION: The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK: Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK: Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s)/activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the program(s)/activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District.

PHOTO/VIDEO DISCLAIMER: I understand that my child/ward or I may be photographed or videotaped while participating in a Park District program. I give permission for photos and video images of my child/ward or me to be used to promote the Park District's recreation programs. Such photos and video images remain the property of the Park District.

I have read and fully understand the above important information, warning of risk, waiver and release of all claims and assumption of risk and photo/video disclaimer on this form and understand that my signature is required below in order for myself or my child/ward to participate in Geneva Park District programs. My signature also authorizes payment via the credit/debit card number if provided for payment. Behavior Policy

In order to maintain a safe and enjoyable environment, a strict discipline policy has been adopted for all Geneva Park District programs. Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed

due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

Errors/Typos in Brochure

Though we try our best, due to the large amount of information available in the Geneva Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, genevaparks.org, as current as possible. Thank you for your patience and understanding.

Fit For Kids

Fit For Kids is a county-wide initiative to build a culture of wellness by providing easy and safe access to affordable physical activity where people live, work, and play. The Geneva Park District, along with Kane County, proudly support the Fit for Kids initiative. Each season we provide over 3,000 recreational programs for kids of all ages.

Household Account Requirements

Geneva Park District household accounts shall not have more than 2 adults over the age of 23. In the event that more than 2 adults, over the age of 23, reside at the same address, each additional adult shall have their own household account. This includes, but is not limited to, adult children over the age of 23, aunts, uncles, grandparents, nieces, nephews, etc.

Non-Sufficient Funds

There will be a \$25 charge per check or checking account that is returned with non-sufficient funds.

Payment/Pro-rating

Participants will not be registered for programs without payment. Program fees will not be pro-rated for late enrollment.

Photo/Video Disclaimer

All participants permit the taking of photos and/or video of themselves and their children at Park District activities, programs, events, and facilities for publication and use as the Park District deems necessary in all marketing materials and social media avenues. If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

General Policies

Receipts

We send registration confirmations via email! Please ensure that we have your current email address on file. Your email receipt will act as the only form of confirmation for your registration. If we encounter a problem with your registration, you will receive a phone call.

Refund Policy

1. An Application for Refund form must be submitted for all refunds. Refund requests must be submitted 10 business days prior to the first class meeting date.
2. All refund requests will be assessed a service charge of \$3 or 10%, whichever is less, with a minimum charge of \$1.
3. The Refund Policy does not apply to: "non-refundable" trip tickets, unless the Park District is able to resell tickets; Preschool Program deposits, unless the class space can be filled prior to the start of the program; contracted classes, unless a replacement can be found. Refunds will not be granted for Fitness Memberships for any reason after one month from the start date. Pool passes are non-refundable. Kids' Zone registration fee is non-refundable. No refunds or makeup classes will be granted for unattended classes. Geneva Park District has the right to review and make the final decisions on all refunds.

Proof of residency in the form of a current tax bill or utility bill may be required during program registration. Geneva Park District residents are given first priority for program registration.

Participation will be denied if the signature of an adult participant or parent/guardian and date are not on this waiver.

Geneva Park District works collaboratively with the Fox Valley Special Recreation Association (FVSRA) to provide reasonable modifications for individuals with disabilities who need assistance to participate successfully in programs. We offer families two levels of participation: RECREATIONAL and CLASSIC.

Get started in early childhood by joining our HAND IN HAND program, TCSA's pre-school recreational program for 4-5 year old participants. RECREATIONAL team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.
