# KIDS' ZONE NEWSLETTER

MAY 26– JUNE 6, 2025

## BREAKING NEWS

Hello Kids' Zone Families,

Did you know that planets beyond our solar system are called exoplanets? Or that our galaxy, the Milky Way, is nearly 13.6 billion years old—and it would take our solar system about 250 million years to orbit it just once? Amazing, right?

As we welcome a new season, we'd also like to make a small request: If your child(ren) have outgrown any clothing, please consider donating to our OOPS Bin at the Park District. This bin provides spare clothes for children in case of accidents, and your donations are always greatly appreciated. We'll store these items for use in the next school year.

Thank you for your continued support throughout this school year!

Warmly,  
Miss Kayla

## Community Spotlight

It's hard to believe the school year is already coming to a close! We've had such a wonderful time learning, playing, and growing together this year. As we head into summer, we wanted to share some fun ways to stay active and connected in the community!

Mark your calendars for Swedish Days, running June 18–22 in downtown Geneva. You'll see many of our Geneva Park District staff helping out with events all week long—it's a great time for the whole family!

The Park District is also offering plenty of free summer events, including:

-  Cookouts in the Park
-  Movie in the Park nights
-  Concerts in the Park

Be sure to check our website throughout the summer to stay up to date on these and other exciting community happenings.

Whether we see you at summer camps or out enjoying an event, we hope you have a fun, safe, and memorable summer. We can't wait to bring you more fun and event news in the fall when Kids' Zone starts back up!

SEE YOU  
soon!
