Year in
REVIEW **2025**

A review of 2025 and how we implemented our goals to help achieve our mission & vision.

Customer Commitment

We will strive to exceed customers' expectations by delivering professional, helpful, efficient, and friendly service during all interactions.

DID YOU KNOW?

As our membership base expanded, BestLife Fitness has repurposed unused space at Stephen Persinger Recreation Center, leading to the buildout of the new FlexZone. This area allows for a more spacious experience for core conditioning, stretching and free-weights, while also providing more room for the existing machines.

In an attempt to educate and support new members, BestLife Fitness staff added "How-To" labels to the 50 machines at both fitness centers to build users' confidence in their workout experience. These signs link to instructional videos for each machine, highlighting the proper, safe practice for utilizing each machine.

"The new weight room has been a nice addition."

Fiscal Responsibility

We will earn the public's trust by maintaining financial health, stability, and transparency in providing cost-efficient services that maximize value to the taxpayer.

DID YOU KNOW?

The district achieved the GFOA Award for the 13th consecutive time, demonstrating our ongoing commitment to fiscal responsibility and transparent financial reporting.

The park district applied for and was granted \$600,000 in OSLAD grant funds, which will be used to build a park in the district's new Winding Creek neighborhood.

Safety

We will provide a safe environment through exceptional training and constant evaluation of risk management practices.

DID YOU KNOW?

This summer, the Aquatics staff received 5-star scores on audits by StarGuard ELITE, a lifeguard certifying agency. 5 Stars is the highest a facility can receive and represents an extraordinary level of commitment to safety and dedication from our aquatics team.

Geneva PARK DISTRICT

Year in REVIEW 2025

Community Collaboration

We will work collaboratively with all community partners, both public and private, to share resources and ideas that will build strategic alliances to enhance our community.

DID YOU KNOW?

The park district continuously hosts public meetings where community members are invited to express their feedback on upcoming playground renovations in their neighborhood. This year, two public meetings were held for Wheeler Park, where patrons were asked to provide feedback on a variety of amenities and design concepts that will help the district in its grant-writing process seeking state funds for renovation.

Recreation staff co-hosted a teen laser tag event in collaboration with the Geneva Public Library that was a huge success, with 55 teens participating.

In collaboration with the City of Geneva's Natural Resources Committee and the Geneva Public Library Foundation, Geneva Park District Foundation continued to co-host the annual Wine, Cheese & Trees fundraiser, an Earth Day Celebration, and a Pumpkin Smash recycling event.

Stewardship & Sustainability

We will minimize our impact on the environment by implementing best practices, and by promoting environmental education leading to a lifelong commitment to conservation.

DID YOU KNOW?

We installed solar panels on the barn at Peck Farm, which helps to minimize our dependence on fossil fuels, and in the long-term helps to save on electric bills.

In seeking to reduce its reliance on fossil fuels and to reduce emissions, the park district has purchased cost-effective electric or hybrid vehicles over gas vehicles when it makes sense fiscally. Mowers have also been replaced with electric vehicles.

Innovation

We will remain steadfast in continuously evolving to meet the needs of the community by providing relevant and innovative programs, events, facilities and parks.

DID YOU KNOW?

Following the re-opening of the newly renovated Mill Creek Community Park, the recreation team increased its offerings of outdoor pickleball opportunities – including outdoor pickleball lessons, as well as outdoor pickleball tournaments.

Winter Wonder Lights, a monthlong illumination at Peck Farm Park, kicked off for the first time. This special event offered the opportunity for the community to stroll the park for free and enjoy the beauty of the season.

Staff continue to offer a variety of programs for the community that utilize our existing facilities in innovative ways. This summer, Aqua Fitness offerings expanded, and a new class called H2O Motion, was offered at Mill Creek Pool.

Responsible Leadership

We will strive to hire and retain quality employees through the promotion of staff development and continuing education in the pursuit of maintaining professional staff.

DID YOU KNOW?

Two Parks Department staff members received Aquatic Facility Operator certifications from the NRPA, which is a comprehensive program designed to train individuals in the safe and effective operation of aquatic facilities.

Two Recreation Department staff members became certified trainers for CPR/AED/First Aid through the American Red Cross, and several more received their Food Manager and Food Handler certifications.

Outdoor Ice Rink Information

The outdoor ice rinks are located near the Wheeler Park Maintenance Facility, 410 Wheeler Drive and in the grassy area next to Mill Creek Pool, 39W125 S. Mill Creek Drive.

There will be two sheets of ice, one dedicated for general skating and one for hockey at Wheeler Park and an additional outdoor ice skating rink at Mill Creek Pool.

Special Reminders:

- Use of the rinks is free.
- All ice rinks are weather permitting.
- Bring your own skates (rentals are not available).
- Parking is available at both locations.

Directions:

To Wheeler Park - From Rt. 31, turn west on Stevens Street (South of Stone Creek Miniature Golf), and right on Wheeler Drive (just past the cemetery).

To Mill Creek Pool - From Fabyan Parkway, turn south onto South Mill Creek Drive, and turn left into Mill Creek Pool Parking lot, ice rink will located to the right of the pool.

Ice Rink Status

In order for the appropriate amount of ice to be prepared, the temperature has to remain at 20 degrees or below for at least 48 hours. Once we have reached those ideal conditions, the process of forming ice will begin and the enjoyment of skating will follow. Thank you for your patience.

Colored flags will be attached to the rink fences indicating the rink status. A green flag means the rink is open for skating; a yellow flag means the rinks are open, but please use caution; a red flag means that the rink is closed and skating is not permitted.

Garden plots are open from dawn until dusk between April and October. Plots are available on a first come/first serve basis. Each plot is 20 ft. x 30 ft. Gardeners are responsible for the maintenance of their garden plot. Gardens will be checked periodically for maintenance. If a garden appears to need attention, gardeners will be notified by email and phone.

Kids' Zone provides opportunities for all participants to develop a positive self-image through experiences in a fun, friendly, structured and safe environment.

Participants will develop their social skills through interaction and different activities including problem-solving, teamwork, and following basic directions.

This program creates a stimulating environment where children are able to rotate through different activities and projects that allow them to learn and grow at their own rate. Our goal is to provide a program that strongly supports the six pillars of character: trustworthiness, respect, responsibility, fairness, caring and citizenship. "Character Counts" and benefits of a healthy lifestyle will be incorporated in all aspects of Kids' Zone.

A basic daily schedule will be followed that may include physical and team-building activities, arts and crafts, a daily snack and homework time. Schedules will vary based on needs of children and space available. Kids' Zone is available before school from 6:30-8am and after school from 2:15-6:00pm.

Kids' Zone Before & After School Program

2025-26 Kids' Zone Parent/Guardian Information

The main parent/guardian who enrolls the child will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments. Please note: the main parent/guardian must grant permission to the secondary parent/guardian listed to have full access to participant's enrollment status, access to change information, and schedule status.

DISCIPLINE POLICY

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

HOMEWORK POLICY

There is 30 minutes of scheduled quiet time each day for homework. Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework. The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

NEWSLETTER AND ACTIVITY CALENDAR

A bi-weekly newsletter and activity calendar are available at your child's site and online at genevaparks.org.

EXTRACURRICULAR AFTER SCHOOL ACTIVITIES

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a Request to Administer Medication form. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

DOROTHY IN WONDERLAND

The worlds of Oz and Wonderland collide in this fantastically fun romp, cleverly and carefully adapted from the works of L. Frank Baum and Lewis Carroll. Dorothy Gale has made her way to the end of the Yellow Brick Road, and the wonderful Wizard of Oz is just about to help her get back home to Kansas. But before she can hop into the wizard's balloon, another whirlwind appears over the Emerald City, sweeping Dorothy, Toto, Scarecrow, Tin Man and Lion away to Wonderland. Equipped with their new assets — brains, heart and courage — Dorothy's friends try to help her find her way home, meeting many other interesting characters along the way, including Alice, the White Rabbit, Mad Hatter, March Hare, the Cheshire Cat and many more.

Basketball Skills

Skills Given Basketball

Ages 5-18 6 Classes

Here's what separates elite basketball players from the rest: They stay consistent with skill development during basketball season. Team practices focus on plays and scrimmages, but rarely give basketball players the individual attention needed to master shooting mechanics, ball-handling, and footwork. That's why we run our 6-week Winter Program during the season to give young basketball players the skill development they need, exactly when it matters most.

GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS

IMPORTANT INFORMATION: The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK: Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK: Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in the program(s)/activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the program(s)/activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District.

PHOTO/VIDEO DISCLAIMER: I understand that my child/ward or I may be photographed or videotaped while participating in a Park District program. I give permission for photos and video images of my child/ward or me to be used to promote the Park District's recreation programs. Such photos and video images remain the property of the Park District.

I have read and fully understand the above important information, warning of risk, waiver and release of all claims and assumption of risk and photo/video disclaimer on this form and understand that my signature is required below in order for myself or my child/ward to participate in Geneva Park District programs. Adults may observe children's programs at the discretion of the instructor.

Behavior Policy

In order to maintain a safe and enjoyable environment, a strict discipline policy has been adopted for all Geneva Park District programs. The following policies are designed to preserve a healthy program experience for all concerned. Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

Errors/Typos in Brochure

Though we try our best, due to the large amount of information available in the Geneva Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, genevaparks.org, as current as possible. Thank you for your patience and understanding.

Fit For Kids

Fit For Kids is a county-wide initiative to build a culture of wellness by providing easy and safe access to affordable physical activity where people live, work, and play. The Geneva Park District, along with Kane County, proudly support the Fit for Kids initiative. Each season we provide over 3,000 recreational programs for kids of all ages.

Household Account Requirements

Geneva Park District household accounts shall not have more than 2 adults over the age of 23. In the event that more than 2 adults, over the age of 23, reside at the same address, each additional adult shall have their own household account. This includes, but is not limited to, adult children over the age of 23, aunts, uncles, grandparents, nieces, nephews, etc.

Non-Sufficient Funds

There will be a \$25 charge per check or checking account that is returned with non-sufficient funds.

Payment/Pro-rating

Participants will not be registered for programs without payment. Program fees will not be pro-rated for late enrollment.

Photo/Video Disclaimer

All participants permit the taking of photos and/or video of themselves and their children at Park District activities, programs, events, and facilities for publication and use as the Park District deems necessary in all marketing materials and social media avenues. If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

General Policies

Receipts

We send registration confirmations via email! Please ensure that we have your current email address on file. Your email receipt will act as the only form of confirmation for your registration. If we encounter a problem with your registration, you will receive a phone call.

Refund Policy

1. An Application for Refund form must be submitted for all refunds. Refund requests must be submitted 10 business days prior to the first class meeting date.
2. All refund requests will be assessed a service charge of \$3 or 10%, whichever is less, with a minimum charge of \$1.
3. The Refund Policy does not apply to: "non-refundable" trip tickets, unless the Park District is able to resell tickets; Preschool Program deposits, unless the class space can be filled prior to the start of the program; contracted classes, unless a replacement can be found. Refunds will not be granted for Fitness Memberships for any reason after one month from the start date. Pool passes are non-refundable. Kids' Zone registration fee is non-refundable. No refunds or makeup classes will be granted for unattended classes. Geneva Park District has the right to review and make the final decisions on all refunds.

Register to Vote

You may register to vote at either Sunset Community Center, 710 Western Avenue, or Stephen D. Persinger Recreation Center (SPRC), 3507 Kaneville Road. Registrars are generally available Monday-Friday: 8:30am - 5:00pm, but please call 630-232-4542 or 630-232-4501 to confirm availability.

Boundaries of the Geneva Park District and the City of Geneva are not exactly the same. If you are uncertain whether you qualify as a Geneva Park District resident, please check your current property tax bill. Proof of residency in the form of a current tax bill or utility bill may be required during program registration. Geneva Park District residents are given first priority for program registration.

Waiver Form

The Park District is unable to assume responsibility for injuries or accidents occurring at programs, activities, parks, and facilities. Such insurance would make program user fees prohibitive. The Insurance Liability Waiver section of the registration form must be signed when registering yourself or your minor child to participate in Geneva Park District programs. Participation will be denied if the signature of an adult participant or parent/guardian and date are not on this waiver.

Special Accommodations/ADA Compliance

The Geneva Park District encourages participation by everyone and intends to comply with the Americans with Disabilities Act (ADA). If you or a family member have special needs and would like to participate in a program, the Park District will make reasonable accommodations and/or modifications.

Geneva Park District works collaboratively with the Fox Valley Special Recreation Association (FVSRA) to provide reasonable modifications for individuals with disabilities who need assistance to participate successfully in programs. Please list the names of participants requesting inclusion services on your registration form and contact 630-232-4542 or email inclusion@genevaparks.com. To provide the best customer service, we ask for at least two weeks' notice prior to the start of the program.

Waiting List

Since all of our programs have registration limits, we cannot guarantee your enrollment. The Geneva Park District maintains waiting lists for programs that have reached their maximum registration. Placement on a waiting list is encouraged. Individuals placed on a waiting list will be contacted if any additional program space becomes available.

TRI-CITIES SOCCER

TEAM • COMMUNITY • SUCCESS

The Tri-Cities Soccer Association (TCSA) was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families two levels of participation: RECREATIONAL and CLASSIC.

Get started in early childhood by joining our HAND IN HAND program, TCSA's pre-school recreational program for 4-5 year old participants. RECREATIONAL team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.
