BREAKING NEWS

Dear Fabyan Families,

Wow! February flew by and as we welcome in March we are looking forward to more time outside.

The first two weeks we have Under the Sea week and KZ Appreciation week. We will be exploring a variety of under the sea creatures and making crafts to show the staff how much we appreciate them as well as each leader getting a day to pick their favorite group game to play.

The kids have earned their second group prize and have chosen to have a random create your own craft day. This day will take place on Wednesday March 11th in the afternoon after quiet time. The kids will have from 3-4 pm to use the random craft materials to create whatever they would like if they chose to participate in this event. For those who chose to not participate in this reward event there will be an alternative option.
