### **Plant some seeds! Watch them grow!**

The Community Gardens at Prairie Green are located at the intersection of Peck Road and Bricher Road. The space features 131 garden plots. Garden plots are open from dawn until dusk between April and October. Plots are available on a first come/first serve basis. Each plot is 20 ft. x 30 ft. Gardeners are responsible for the maintenance of their garden plot. Gardens will be checked periodically for maintenance. If a garden appears to need attention, gardeners will be notified by email and phone.

The Community Gardens at Prairie Green are a cooperative partnership between the Geneva Park District, City of Geneva, and Forest Preserve District of Kane County.

### **Benefits of Community Gardens**

- Community Gardens offer an opportunity to grow your own produce while getting to know other gardeners.
- Exposure to green space reduces stress and increases a sense of wellness
- Community Gardens restore oxygen to the air and helps to reduce air pollution

**There are a limited number of raised beds available. Priority is given to those with mobility impairments or those 65 and older.**

### **Registration Information**

Registration for the 2026 gardening season opens December 1, 2025.

### **Returning Gardeners**

Returning gardeners have first priority to renew their contracts for the same plot as 2025, beginning December 1. Returning gardeners who wish to change to a different plot may take any open plot starting on January 1.

### **New Gardeners**

New gardeners to the program may start signing up for plots on February 1.

### **Garden Plots**

Garden plots are one per household. Gardeners may sign up for a second plot from available plots, starting March 1. If you had two plots in 2025, you can sign up for one in December but must wait until March 1 to sign up for a second plot. Plot registrations open for new gardeners starting February 1.

### Inclusion Service for People with Disabilities

The Geneva Park District works collaboratively with Fox Valley Special Recreation Association (FVSRA) to provide reasonable modifications for individuals with disabilities who need assistance to participate successfully in programs. Modifications are determined in cooperation with FVSRA and the Park District and may include a combination of additional training to park district staff, program adaptations, the use of modified equipment, and when necessary, additional staff support. Lack of communication may adversely affect the Park District's ability to accommodate the needs of your child. Please list the names of participants requesting inclusion services on your registration form and contact 630-232-4542 or email [inclusion@genevaparks.com](mailto:inclusion@genevaparks.com). To provide the best customer service, we ask for at least two weeks' notice prior to the start of the program to coordinate modifications. Participation may be delayed for requests received after that time frame.

### Tax Information

The Geneva Park District tax identification number is 36-600-8378. Please contact Deb Davison at [ddavison@genevaparks.com](mailto:ddavison@genevaparks.com) with any tax questions.

# Kids' Zone Before & After School Program

**Where Kids Belong, Grow, and Shine —**  
*Before School, After School, Always.*

## Kids' Zone Before & After School Program

Kids' Zone is more than before- and after-school care — it's a community where children grow in character through play, discovery, and genuine connection. Drawing from the American Camp Association's Character at Camp framework, our program intentionally develops skills such as empathy, resilience, and confidence through everyday experiences — from cooperative games and creative projects to reflective conversations and team challenges.

Our caring staff serve as positive role models who guide children to make choices that reflect kindness, respect, and responsibility. By creating an environment where each child feels seen, supported, and inspired, we help them build friendships, strengthen problem-solving abilities, and recognize their unique value.

At Kids' Zone, character isn't a lesson — it's a daily practice lived through relationships, reflection, and joy. Every moment before and after school is an opportunity for kids to belong, grow, and shine.

## How We Build Character Every Day

We don't just talk about character — we live it. Every game, art project, and conversation at Kids' Zone is a chance for kids to practice kindness, problem-solving, and confidence. Using the Character at Camp framework, our staff help children see challenges as opportunities and celebrate growth in every form.

## Our Staff Team Philosophy

At Kids' Zone, we believe great programs start with great people — people who care, connect, and keep learning. Our staff team is made up of a dedicated mix of high school and college students who bring enthusiasm, creativity, and heart to each day, supported by experienced Site Coordinators and Park District leadership who guide and mentor them along the way.

We see Kids' Zone as a learning community — not just for children, but for staff as well. Each team member is encouraged to grow their leadership, communication, and problem-solving skills through real experiences that matter. Whether leading a game, helping with a project, or supporting a child who needs a friend, our staff learn what it means to make a difference.

Every member of our team shares a commitment to creating a safe, inclusive, and positive environment where kids feel seen, valued, and inspired to be themselves. Together, we model patience, kindness, and curiosity — the same qualities we hope to nurture in every child who joins our program.

## What Makes Kids' Zone Special

### A Program That Feels Like Community

With up to 65 children each day, Kids' Zone is a lively, welcoming space where kids know they belong. We use school gymnasiums and cafeterias to transform ordinary spaces into places of laughter, teamwork, and creativity.

### Caring Role Models

Our staff — mostly high school and college students — bring energy, empathy, and enthusiasm to every day. Guided by experienced coordinators, they're learning leadership and responsibility right alongside the kids they mentor.

### A Balance of Structure and Choice

Kids have time to move, create, relax, and recharge. Whether it's a group game, a craft, or just a chance to unwind after school, our activities encourage connection and confidence in ways that feel natural and fun.

### In Partnership with Our Schools

Kids' Zone is a collaborative effort between the Geneva Park District and Geneva School District 304, serving grades K–5 at Fabian, Harrison, Heartland, Mill Creek, Western, and Williamsburg Elementary Schools. Contact the Geneva Park District for program inquiries.

### Program Hours

Before School • 6:30–8:00 am  
After School • 2:15–6:00 pm

For payment processing, **only one card may be used per household**. Payments cannot be split between multiple cards or family members.

## Tuition & Payment Policies

We understand that families plan carefully for childcare expenses, and we strive to make the Kids' Zone payment process as simple and transparent as possible. Please review the policies below to ensure a smooth registration and consistent participation in the program.

### Payment Due Dates

EZ Pay transactions are automatically processed on the **1st of each month** (or the next business day if the 1st falls on a weekend or holiday). Families paying in full at registration will not receive monthly charges.

To avoid declined transactions, please **log in to your Geneva Park District household account** to update payment information before the next scheduled charge.

### Refunds & Withdrawals

Refunds are not issued for absences, partial attendance, or unused days.

If you wish to withdraw your child from the program, a **Withdrawal Request Form** must be submitted at least 10 business days prior to the final day of attendance.

Refunds for prepaid tuition (if applicable) will be prorated based on the child's final attendance date and must be approved by the Recreation Supervisor.

### Tax Receipts

Families may access annual payment summaries for tax purposes by logging into their Geneva Park District household account or by requesting a copy from the Park District office. Please allow up to 5 business days for processing.

## Helpful Registration Tips

We understand that navigating registration can sometimes feel confusing, especially with limited space and high demand. The tips below are designed to help families feel confident and prepared every step of the way.

### 1. Registration Process & Priority Placement

Currently enrolled Kids' Zone families receive priority registration for the upcoming school year. After that period closes, **new family registration forms** are accepted through a published due date.

All forms received **by that date** are processed in a **fair and impartial order**, so it doesn't matter how early within that window you turn in your form — only that it's submitted on time. This approach ensures every family has an equal opportunity for placement while keeping the process organized and transparent.

If a site reaches capacity, additional families will be **placed on the waitlist in a fair and impartial order** based on the same process. Families on the waitlist will be contacted if space becomes available during the school year.

### 2. Keep Your Email Up to Date

Important program updates, invoices, and ePACT invitations are sent electronically. Please make sure we have your most current email address so you don't miss any important communication.

### 3. Prepare Your ePACT Account

After registration, you'll receive an email invitation to complete your child's emergency and health information through our secure ePACT system. This step must be completed **before your child's first day of attendance**.

### 4. Consider Your Schedule Carefully

Kids' Zone offers both 3-day and 5-day options for AM and PM sessions. Please note that the **3-day option must be the same three days each week** to ensure consistency for children and staffing.

If you wish to adjust your child's schedule during the school year, please submit a **Schedule Change Request Form**. Schedule changes **cannot be guaranteed** and are based on space availability and administrative approval.

### GENEVA PARK DISTRICT WAIVER AND RELEASE OF ALL CLAIMS

**IMPORTANT INFORMATION:** The Geneva Park District (the "Park District") is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

**WARNING OF RISK:** Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Park District to guarantee absolute safety.

**WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK:** Please read this form carefully and be aware that in signing up and participating in the Program(s), you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with the program(s)/activity(ies) (including transportation services, when provided). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred as "Parties"). I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the program(s)/activity(ies). I further indemnify and hold harmless the Park District.

**PHOTO/VIDEO DISCLAIMER:** I understand that my child/ward or I may be photographed or videotaped while participating in a Park District program. ## Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

### 1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

### 2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

## Errors/Typos in Brochure

Though we try our best, due to the large amount of information available in the Geneva Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, [genevaparks.org](http://genevaparks.org), as current as possible. Thank you for your patience and understanding.

## Fit For Kids

Fit For Kids is a county-wide initiative to build a culture of wellness by providing easy and safe access to affordable physical activity where people live, work, and play. The Geneva Park District, along with Kane County, proudly support the Fit for Kids initiative. Each season we provide over 3,000 recreational programs for kids of all ages.

## Household Account Requirements

Geneva Park District household accounts shall not have more than 2 adults over the age of 23. In the event that more than 2 adults, over the age of 23, reside at the same address, each additional adult shall have their own household account. This includes, but is not limited to, adult children over the age of 23, aunts, uncles, grandparents, nieces, nephews, etc.

## Non-Sufficient Funds

There will be a \$25 charge per check or checking account that is returned with non-sufficient funds.

## Payment/Pro-rating

Participants will not be registered for programs without payment. Program fees will not be pro-rated for late enrollment.

## Photo/Video Disclaimer

All participants permit the taking of photos and/or video of themselves and their children at Park District activities, programs, events, and facilities for publication and use as the Park District deems necessary in all marketing materials and social media avenues. If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

## Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

## Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

## Register to Vote

You may register to vote at either Sunset Community Center, 710 Western Avenue, or Stephen D. Persinger Recreation Center (SPRC), 3507 Kaneville Road. Registrars are generally available Monday-Friday: 8:30am - 5:00pm, but please call 630-232-4542 or 630-232-4501 to confirm availability.

## Residency

Residency of the Geneva Park District is defined by financial contributions through property taxes for the operation of the park district. Boundaries of the Geneva Park District and the City of Geneva are not exactly the same. If you are uncertain whether you qualify as a Geneva Park District resident, please check your current property tax bill. Proof of residency in the form of a current tax bill or utility bill may be required during program registration. Geneva Park District residents are given first priority for program registration.

## Waiver Form

The Park District is unable to assume responsibility for injuries or accidents occurring at programs, activities, parks, and facilities. Such insurance would make program user fees prohibitive. The Insurance Liability Waiver section of the registration form must be signed when registering yourself or your minor child to participate in Geneva Park District programs. Participation will be denied if the signature of an adult participant or parent/guardian and date are not on this waiver.

## Do you know about our Scholarship Program?

The Geneva Park District offers a Scholarship Program for those who qualify for financial assistance. Applicants who qualify for financial assistance may receive partial or full program scholarships for Geneva Park District programs. Those who apply will be required to complete an application listing current finances.

**For information, please contact 630-232-4542.**

## Special Accommodations/ADA Compliance

The Geneva Park District encourages participation by everyone and intends to comply with the Americans with Disabilities Act (ADA). If you or a family member have special needs and would like to participate in a program, the Park District will make reasonable accommodations and/or modifications.

Geneva Park District works collaboratively with the Fox Valley Special Recreation Association (FVSRA) to provide reasonable modifications for individuals with disabilities who need assistance to participate successfully in programs. Please list the names of participants requesting inclusion services on your registration form and contact 630-232-4542 or email [inclusion@genevaparks.com](mailto:inclusion@genevaparks.com). To provide the best customer service, we ask for at least two weeks' notice prior to the start of the program.

## Waiting List

Since all of our programs have registration limits, we cannot guarantee your enrollment. The Geneva Park District maintains waiting lists for programs that have reached their maximum registration. Placement on a waiting list is encouraged. Individuals placed on a waiting list will be contacted if any additional program space becomes available.

## Weather Cancellation Policy /

The Geneva Park District Weather Policy outlines how programs will be affected during inclement weather. Program cancellations will be posted on our website and directly communicated with program participants via email and/or phone.

If Geneva School District 304 calls for a late start due to inclement weather, programs starting before 12:00pm and Kids' Zone, Friendship Station Preschool, and Peck Farm Prairie Playschool will be cancelled. Friendship Station Preschool morning only classes will be cancelled; students attending both morning and afternoon classes will have the carline start at 10:00am; afternoon only classes will be held as normal. Peck Farm Prairie Playschool classes will be cancelled.

For programs held on days when school is not in session, program cancellations will be posted on our website and directly communicated with program participants via email and/or phone.

## TRI-CITIES SOCCER

### TEAM • COMMUNITY • SUCCESS

The Tri-Cities Soccer Association (TCSA) was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families two levels of participation: RECREATIONAL and CLASSIC.

Get started in early childhood by joining our HAND IN HAND program, TCSA's pre-school recreational program for 4-5 year old participants. RECREATIONAL team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.
